EBOOK: Mental Health Nursing Case Book Feb 12 2021 "This is a modern multi-disciplinary text confronting a complex age and journey into recovery. It is a roadmap for every student of mental health who wants to put the most up-to-date practice fuel into their tank. The case study approach offers an authentic insight into life experiences of service users and allows the reader to re-think the relationship they have with vulnerable people in the middle of sensitive life challenges." Dr Dean-David Holyoake, University of Wolverhampton, UK This engaging book consists of 27 case studies which offer a realistic and insightful view into the experience of mental ill-health. A range of mental health problems are considered for people at different stages of the lifespan, from common problems such as anxiety or depression, through to severe and enduring conditions such as schizophrenia. Part of a new Case Book series, the book is written in an informative and clear style and utilises the latest evidence-based interventions and resources. The approach adopted: Incorporates recovery based principles Emphasizes the importance of collaborative working Values the person's perspective Actively empowers and advocates for the person to make their own decisions and choices Written and edited by academic experts and experienced clinicians, the cases all take a positive, person-centred approach focusing on recovery outcomes. The book addresses the biological, psychological, social and physical aspects in scenarios and includes areas of mental health which are often overlooked, such as alcohol and substance misuse amongst older adults. Mental health nurse training involves focusing on working with individuals one-to-one in a range of settings, and this case book will reflect and complement the skills and situations students face while training and on placement. Contributors: Geoffrey Amoateng, Jean-Louis Ayivor, May Baker, Alison Coad, Hilary Ford, Sally Goldspink, John Harrison, Mark McGrath, Michael Nash, Cliff Riordan, Heather Rugg, Noel Sawyer, Vanessa Skinner, Steve Wood.

YOU: Raising Your Child (Enhanced eBook) Jul 08 2020 Now available as an enhanced e-book, YOU: Raising Your Child will include 12 videos that feature Dr. Oz and pediatrician Dr. Jennifer Trachtenberg answering real parents' questions about

child-rearing. They talk about everything from diet to bathtime and give candid answers to questions posed by real parents. **YOU: Raising Your Child** could be the most valuable download for any parent's e-reader providing the answers you need about the biology, psychology, and common sense wisdom of raising a healthy child. **YOU: Raising Your Child** is the ultimate guide to raising children from birth to age five. The authors address everything from troubleshooting infant health issues to supporting the emotional and intellectual development of your child. Included are discussions of healthy nutrition, milestones for physical activity, building good habits, taking care of YOU, and how to cope with the biggest ailments and fears parents face today. The book is filled with wisdom and age-specific advice that will help parents manage all kinds of child-rearing questions and issues. A sampling of topics include: **The Mind of a Child** This chapter is the foundation for what is discussed throughout the book. It explores personality quirks and how they are formed, and will talk about things that parents can do from day one to day one thousand (and beyond) to help their children develop. Tips will be about how to recognize their differences but still instill good habits. After all, good parenting is really about being a good psychologist—knowing your child's brain, and helping them develop who they are. **Nutrition** Of course, a big part of parenting is making sure that kids learn how to keep themselves healthy and fit for a lifetime. This chapter emphasizes good nutrition and eating habits for all ages. It will address biologic differences like number of taste buds and requirement for dozen exposures to taste to achieve change. **Physical Activity** With the help of Joel Harper, fitness expert who appears on all of the YOU DVDs, this chapter will be filled with information and advice on how to make sure you kids are growing in all the right places. **Taking Care of YOU** This chapter takes a step back to show how being a good parent also means taking care of yourself and your dreams in order to show your kids how to love. Tips on how parenting isn't always being selfless. With these topics and many more, America's most trusted doctors once again come to the rescue and teach parents the best ways to raise healthy, happy, children.

**Creating Fixed-Layout eBooks** Jan 14 2021 Often referred to as "children's ebooks," "picture ebooks," "photo books," and similar monikers, fixed-layout ebooks are visually-rich layouts that offer much more than standard EPUB and KF8 format ebooks for iPad, iPhone, Kindle, Kindle Fire, Nook, Sony Reader, Kobo, and more. Fixed-layout ebooks behave very much like PDFs or even digital magazines, displaying the design, typography, and page geometry exactly as designed on all devices. This specialty type of ebook tends to be very reliant on imagery, either or both as inline graphics or page background images, and sometimes even as spread-spanning images. They support advanced typographic control and pixel-precise layout, and they can contain read-a-long, on-demand, or ambient audio. Limited interactivity may also be achieved through JavaScript integration. Objects can be placed anywhere on the page, aligned relative to one another, with absolute precision, and type control goes far beyond standard, flowable EPUB in the forms of support for any font (with embedding), accurate line wrapping, hyphenation, leading control, tracking (letter spacing), and even multiple columns. Fixed-layout EPUBs may have real sidebars, note or tip boxes, and live text image captions. And, like flowable EPUBs, all the text—even in such special features—is searchable, live text. All of these features make fixed-layout ebooks ideal for such projects as children's books, cookbooks, travel journals, photography and design books, game guides, and any other project where page presentation is important to reader experience and sales. **ePublishing with InDesign: Creating Fixed-Layout eBooks** will teach you: **Understanding Fixed-Layout eBooks** **Planning a Fixed-Layout eBook** **Creating Fixed-Layout in InDesign** **Adapting the HTML** **Editing the CSS** **Adding Advanced Features** **Creating Read Aloud Narration** **Creating Fixed-Layout for Kindle** **Converting Fixed-Layout for Nook** **Creating Fixed-Layout for Sony Reader** **Creating Fixed-Layout for Kobo** **Other Fixed-Layout Creation Tools** **Creating Fixed-Layout eBooks** by Pariah S. Burke is a companion to **ePublishing with InDesign CS6** by Pariah S. Burke (ISBN: 9781118305591, Dec. 2012, Sybex), which is a prerequisite title, and is part of the **ePublishing with InDesign** series of books, videos, and instructor materials.
