Is het mogelijk om blijvend gelukkig te worden? Wat is je doel in het leven en hoe vind je dat? Vex King, die veel tegenspoed in zijn eigen leven overwon, inspireert met zijn antwoorden een volgende

generatie spirituele zoekers. Hij helpt de lezer een leven te creëren om van te houden. Dit alles op een manier die eenvoudig te volgen, nuchter en herkenbaar is.

The Good Life with Jesse Dylan Aug 13 2021 " Jesse Dylan has attracted the most amazing, powerful, and influential leaders in the categories that matter most. It's brilliant-people will love this book!" ~ Leeza Gibbons, television and radio host "The wisdom and practices in this book will usher you into a holistic way of life that supports your purpose on the planet-to flourish and glow as you deliver your talents, gifts, and skills for the benefit of all beings." ~ Michael Bernard Beckwith, author of *Spiritual Liberation: Fulfilling Your Soul's Potential* The next generation of holistic health begins with *The Good Life Here*

you'll find answers to the vital question of how to unlock your deepest health potential: *The Good Life* is a sweeping, scientifically accurate roadmap written by internationally renowned experts who have gathered-for the first time-to share their vision and wisdom. Dr. Bernie Siegel Dr. Michael Roizen Robert Moss Dr. Joan Borysenko Bob Proctor Lynne McTaggart Dr. Pamela Peeke and many more A healthy and strong body, a flexible and positive mind, and a profoundly joyful spirit are key elements of health that directly affect one another. Caring for ourselves holistically-deepening and expanding our understanding of ourselves-creates a ripple effect extending past our own enrichment, healing our families, our loved ones, our communities, and beyond.

It's Been a Good Life Feb 07 2021 The renowned science fiction storyteller recalls his own story, from his youth in Depression-era Brooklyn and his early fascination with pulp magazines to his eventual pioneering of the seminal "Foundation" series.

12 regels voor het leven Jul 20 2019 Wat moet iedereen in de moderne wereld weten? Om antwoord te geven op deze moeilijkste vraag der vragen combineert de gerenommeerde psycholoog Jordan B. Peterson de zwaarbevochten waarheden van oude tradities met verbluffende ontdekkingen van grensverleggend wetenschappelijk onderzoek. Op humoristische, verrassende en informatieve wijze vertelt Jordan Peterson ons waarom kinderen die aan het skateboarden zijn met rust gelaten moeten worden, welk verschrikkelijk noodlot mensen die te snel oordelen te wachten staat, en waarom je altijd een kat moet aaien als je er een tegenkomt. Peterson legt grote verbanden en distilleert daarbij uit alle kennis van de wereld 12 praktische en fundamentele leefregels. In 12 regels voor het leven maakt Jordan Peterson korte metten met de moderne clichés van wetenschap, geloof en de menselijke natuur, en tegelijkertijd transformeert en verrijkt hij de denkwijze van zijn lezers. Dr. Jordan B. Peterson (1962) is psycholoog, cultuurcriticus en hoogleraar psychologie aan de Universiteit van Toronto. Zijn wetenschappelijke artikelen hebben de moderne kijk op persoonlijkheid en creativiteit voorgoed veranderd. Peterson heeft honderdduizenden volgers op social media en zijn YouTube-clips zijn meer dan 27 miljoen

keer bekeken. 'Peterson is vandaag de dag de invloedrijkste intellectueel van de westerse wereld. Voor miljoenen jonge mannen blijkt de methode-Peterson het perfecte tegengif voor de mengeling van knuffelen en beschuldigen waarin ze zijn grootgebracht.' - DAVID BROOKS, THE NEW YORK TIMES 'Hoewel ik in veel opzichten met Peterson van mening verschill, ben ik het hartgrondig eens met zijn nadruk op het zorgvuldig, zonder vooroordelen bekijken van grote maatschappelijke en persoonlijke kwesties om daar rationele, weloverwogen oplossingen voor te vinden. Dit boek staat er vol mee.' - LOUISE O. FRESCO 'Peterson stapt als een magiër door de ideeëngeschiedenis van het Westen, en hij maakt alles urgent, en stralend. Ja, er zijn regels voor het leven, met moeite gedistilleerd in de wildernis van het bestaan, gevoed met klassieke waarden en inzichten die de tand des tijds doorstaan, als wij volharden. Peterson is momenteel de belangrijkste "praktische" intellectueel.' - LEON DE WINTER 'Peterson is een genie op vele vlakken. 12 regels voor het leven is een groot, controversieel, ontvullend boek.' - THE TIMES 'Peterson is geen gebrek aan empathie te verwijten. Hij is als een vaderfiguur.' - TROUW *Humor and the Good Life in Modern Philosophy* Dec 17 2021 An exploration of philosophical and religious ideas about humor in modern philosophy and their secular implications. By exploring the works of both Anthony Ashley Cooper, Third Earl of Shaftesbury, and Søren Kierkegaard, Lydia B. Amir finds a rich tapestry of ideas about the comic, the tragic, humor, and related concepts such as irony, ridicule, and wit. Amir focuses chiefly on these two thinkers, but she also includes Johann Georg Hamann, an influence of Kierkegaard's who was himself influenced by Shaftesbury. All three thinkers were devout Christians but were intensely critical of the organized Christianity of their milieu, and humor played an important role in their responses. The author examines the epistemological, ethical, and religious roles of humor in their philosophies and proposes a secular philosophy of humor in which humor helps attain the philosophic ideals of self-knowledge, truth, rationality, virtue, and wisdom. Lydia Amir is Senior Lecturer of Philosophy in the School of Media Studies at the College of Management Academic Studies

in Israel.

Images of "the Good Life" Jun 30 2020

The Good Life Jan 06 2021 When Tom and Barbara Good decide to exchange the pressures of the rat race for an alternative, more sustainable way of living, they set about turning their suburban home in Surbiton into a model of self-sufficiency. They grow their own fruit and veg, keep livestock in the garden, make their own clothes, and even generate their own electricity from manure. It's the good life for them - but not for Margo and Jerry Leadbetter, who live next door, and are desperately trying to maintain the Surbiton status quo. Jeremy Sams' stage play, based on the hugely popular sitcom by John Esmonde and Bob Larbey, reunites the well-loved characters (not forgetting Geraldine the goat) as they get themselves into and out of scrapes - some old, some new, all hilarious. Tapping into issues that resonate now more than ever, *The Good Life* is a witty reimagining of a television classic, with a wellyful of laughs that's sure to delight audiences everywhere. It was first produced by Fiery Angel on an extensive tour of the UK in 2021, directed by Jeremy Sams and starring Rufus Hound, Preeya Kalidas, Dominic Rowan and Sally Tatum.

Het obstakel is de weg Mar 08 2021 De grootse mannen en vrouwen in onze wereld hadden geen buitengewoon geluk of uitzonderlijke talenten en ervaringen. Het enige dat ze deden was leven volgens een enkel principe: 'Dat wat in de weg staat wordt de weg.' We geven te snel op. Wat eerst onoverkomelijke obstakels leken kunnen met een simpele verandering unieke kansen worden. Ryan Holiday laat aan de hand van de stoïcijnse filosofie zien dat dat wat je pad blokkeert in werkelijkheid een nieuw en beter pad opent. Als een tegenstander je bedreigt moet je onbevreesd zijn en moed tonen. Een onmogelijkheid deadline is de kans om te laten zien hoe betrokken je bent. De stoïcijnse filosofie - dat wat in de weg staat is de weg - kan toegepast worden op elk probleem. Het is meer dan 2.000 jaar geleden ontdekt en heeft sinds die tijd zijn effectiviteit bewezen op slagvelden en board rooms. Van het vermogen van Barack Obama om tegenslagen te overwinnen tijdens de verkiezingen, tot het ontwerp van de iPhone, dit inzicht maakt mensen

onoverwinnelijk.

The Good Life Jan 26 2020

A Slice of the Good Life Apr 28 2020 Find out how to live a more organic life with this new edition, now in ebook format. Bake bread, start a wormery, shop locally, plant a tree - find out how to get closer to the earth and live a more organic life, without going the whole hog. Discover 80 simple, eco projects you can dip in and out of, from growing salad on your window-sill, to collecting rainwater. Pick up what you need using the directory of useful organic stockists and websites, then choose a project to suit your pocket and lifestyle. You don't need a garden, special equipment, or even much time. Edited by Sheherazade Goldsmith.

A Good Life Oct 03 2020 Sometimes a love affair, even of the shortest duration, can have a lasting and lingering effect upon one's soul. So it is with Marc-Andre Fillion, whose brief encounter with a neighbour seven years earlier provides the inspiration and story for *The Extraordinary Garden*. An expanse of parkland between their backyards is the physical separation between Marc-Andre and the woman after whom he longed for seven years, Josee. But the true divide is that both are married, with families. The obligations of being a good spouse, a good parent, a good neighbour keep them apart every bit as much as they drive them together - both have daughters in competitive diving and who attend the same school. *The Extraordinary Garden* is an eloquent work of fiction mining, the same vein as the works of John Cheever and John Updike.

The Good Life Apr 21 2022 Tony Bennett is the man Frank Sinatra called 'the best singer in the business', and whose 1995 Grammy Awards for 'Album of the Year' and 'Best Traditional Pop Vocal Performance' for MTV Unplugged moved the New York Times to say, 'Tony Bennett has not just bridged the generation gap, he has demolished it.' He has legions of fans over a staggeringly large age span and in a recording career spanning five decades he has made 40 albums. His autobiography is rich with the stories of his long career and of the personalities he has known and includes the highs and lows, the successes and excesses of what has ultimately been a blessed life.

A Good Life on a Finite Earth Apr 09 2021 The potential conflict

among economic and ecological goals has formed the central fault line of environmental politics in the United States and most other countries since the 1970s. The accepted view is that efforts to protect the environment will detract from economic growth, jobs, and global competitiveness. Conversely, much advocacy on behalf of the environment focuses on the need to control growth and avoid its more damaging effects. This offers a stark choice between prosperity and growth, on the one hand, and ecological degradation on the other. Stopping or reversing growth in most countries is unrealistic, economically risky, politically difficult, and is likely to harm the very groups that should be protected. At the same time, a strategy of unguided "growth above all" would cause ecological catastrophe. Over the last decade, the concept of green growth -- the idea that the right mix of policies, investments, and technologies will lead to beneficial growth within ecological limits -- has become central to global and national debates and policy due to the financial crisis and climate change. As Daniel J. Fiorino argues, in order for green growth to occur, ecological goals must be incorporated into the structure of the economic and political systems. In this book, he looks at green growth, a vast topic that has heretofore not been systematically covered in the literature on environmental policy and politics. Fiorino looks at its role in global, national, and local policy making; its relationship to sustainable development; controversies surrounding it (both from the left and right); its potential role in ameliorating inequality; and the policy strategies that are linked with it. The book also examines the political feasibility of green growth as a policy framework. While he focuses on the United States, Fiorino will draw comparisons to green growth policy in other countries, including Germany, China, and Brazil.

Education and the Good Life Oct 23 2019

In Search of the Good Life Aug 01 2020 This is a booklet that is a great tool for Christians to give to seekers. The booklet presents readers with a dozen different life stories relating questions that a majority of people struggle with in their lives. Christians can give this booklet to seekers to speak to the question of the meaning of life as it relates to

various audiences—successful businessmen and businesswomen, students, people recovering from disasters, parents struggling with decisions related to their special-needs child, and more. This booklet invites the reader to take seriously the search for purpose, meaning, and truth in life.

Sudden Death Beautiful Life Sep 02 2020 Have you ever wondered what it would be like to die and the effect it would have on your loved ones? Have you wondered what happens to your spirit when life leaves your body? Sudden Death, Beautiful Life is the true story of one mans death and visit to the after-life region. On June 27, 2015, at 7:15 a.m., Jaime Alvarez died physically but not spiritually. Immediately after dying a sudden death from cardiac arrest, his being was transported away from his dead corpse and into a realm that human words struggle to describe. In this new dimension, fear and anxiety did not exist. Time was no longer relevant, and there was no need for choice! From Jaimes vantage point, he could clearly see the life-and-death struggle to try to save his discarded physical body. I encourage you to read Sudden Death Beautiful Life and see why we do not have to fear dying.

The Good Life Dec 05 2020

Musonius Rufus and Education in the Good Life May 10 2021 Called "The Roman Socrates," Musonius Rufus is a first-century Stoic philosopher who was famous for living and teaching the good life of virtue. This book describes his exemplary life, his ethical teachings, and the practical methods he used to educate people in the good life. No armchair philosopher, Musonius Rufus was a champion of education, marriage, equality of the sexes, and freedom of the individual. But especially he taught how to live a virtuous life in difficult circumstances. His methods included Socratic discussion, training exercises, and close association with students such as Epictetus and other well-known figures of the time. Above all he was a living example of what he taught. Based on the ancient texts and modern scholarship, this book is the first comprehensive treatment of Musonius Rufus, his life, teachings, and methods. It recounts his active life in dramatic times, describes his basic teachings and their application to practical problems of life, and

systematically examines all aspects of his approach to education.

Morality and the Good Life Sep 21 2019 The premise of this ethical theory anthology is that the study of ethics represents, above all else, participation in the thinking of a long tradition of philosophers.

Organized historically by philosopher, the book provides an introductory chapter on ethical concepts and helpful commentary and study questions throughout the reading selections. *Morality and the Good Life* is substantial enough for a full course in ethics, but it is concise enough to allow the instructor time to include other approaches in addition to the classic texts and materials presented in this volume.

My Good Life in France Nov 04 2020 One grey dismal day, Janine Marsh was on a trip to northern France to pick up some cheap wine. She returned to England a few hours later having put in an offer on a rundown old barn in the rural Seven Valleys area of Pas de Calais. This was not something she'd expected or planned for. Janine eventually gave up her job in London to move with her husband to live the good life in France. Or so she hoped. While getting to grips with the locals and la vie Française, and renovating her dilapidated new house, a building lacking the comforts of mains drainage, heating or proper rooms, and with little money and less of a clue, she started to realize there was lot more to her new home than she could ever have imagined. These are the true tales of Janine's rollercoaster ride through a different culture - one that, to a Brit from the city, was in turns surprising, charming and not the least bit baffling.

Living the Good Life Jul 24 2022 *Living the Good Life* presents a brief introduction to virtue and vice, self-control and weakness, misery and happiness.

Enjoy the Good Life Oct 15 2021 Are you a Christian but living an average life? Maybe you're not a Christian and know someone who is and think, I don't want to be like them. They're too religious. Many people, whether Christian or not, are destroyed for a lack of knowledge. Many have not been taught the full Gospel. Most believe they are forgiven of their sins but haven't read the Bible for themselves. Jesus Christ brought Heaven to earth. As a Christian, you don't live in the real world, you live

in the Kingdom of God and can overcome every obstacle there is in life. What Jesus Christ did for all has been downplayed. The Truth about the Bible has either been mixed up, taught incorrectly, or watered down. Find out what the Truth really is. Learn what Jesus' death and resurrection really mean. Discover how you don't have to be sick, broke, or depressed. Learn what you inherit when you believe in Jesus Christ and start to live the good life that God intended for His kids to live. You can live Heaven on earth today. You don't have to wait until you die. Get the knowledge you need to live an over and above life. And let's see a major change in our homes, cities, country, and world. Are you with me? **The Pursuit of the Good Life** Jun 18 2019 Using the tabernacle of Moses, the president of the World Prayer Center reveals how God created a road map to becoming a competent Christian, offering a unique blend of life-changing transformations and practical applications for approaching God more effectively. 15,000 first printing.

You are a badass Dec 25 2019 Wil je je dromen volgen en je #lifegoals waarmaken? Lees. Dit. Boek. Voor iedereen die heeft genoten van Nice girls don't get the corner office Je bent blij met je leven, hebt leuke vriendinnen, een fijn huis, maar toch zijn er nog wel wat dingen die je anders zou willen, beter zelfs. Misschien wil je wel een nieuwe baan? Of een leuke man? Elke maand wat geld opzijzetten, je droom achterna of gewoon eindelijk een kitten in huis nemen? Wat je #lifegoals ook zijn, Jen Sincero neemt je mee en geeft je zoveel zelfvertrouwen dat je je dromen, plannen, relaties of je carrière een boost kunt geven. Dit doet Sincero met oneindig veel kleine dingen die je kunt doen, zoals elke avond opschrijven waarvoor je dankbaar bent die dag of door vaker ja te zeggen wanneer je misschien wel geneigd bent om nee te zeggen. Lees dit boek en begin vandaag nog met je new and improved leven. De pers over You are a badass 'Doe jezelf een plezier: kopen én uitlezen!' Quote

A Guide to the Good Life: The Ancient Art of Stoic Joy Nov 23 2019

One of the great fears many of us face is that despite all our effort and striving, we will discover at the end that we have wasted our life. In *A Guide to the Good Life*, William B. Irvine plumbs the wisdom of Stoic philosophy, one of the most popular and successful schools of thought in ancient Rome, and shows how its insight and advice are still remarkably applicable to modern lives. In *A Guide to the Good Life*, Irvine offers a refreshing presentation of Stoicism, showing how this ancient philosophy can still direct us toward a better life. Using the psychological insights and the practical techniques of the Stoics, Irvine offers a roadmap for anyone seeking to avoid the feelings of chronic dissatisfaction that plague so many of us. Irvine looks at various Stoic techniques for attaining tranquility and shows how to put these techniques to work in our own life. As he does so, he describes his own experiences practicing Stoicism and offers valuable first-hand advice for anyone wishing to live better by following in the footsteps of these ancient philosophers.

Readers learn how to minimize worry, how to let go of the past and focus our efforts on the things we can control, and how to deal with insults, grief, old age, and the distracting temptations of fame and fortune. We learn from Marcus Aurelius the importance of prizing only things of true value, and from Epictetus we learn how to be more content with what we have. Finally, *A Guide to the Good Life* shows readers how to become thoughtful observers of their own lives. If we watch ourselves as we go about our daily business and later reflect on what we saw, we can better identify the sources of distress and eventually avoid that pain in our life. By doing this, the Stoics thought, we can hope to attain a truly joyful life.

A Good Life Feb 25 2020 *A Good Life* is a celebration of John Seymour: self-sufficiency guru, political activist, environmental campaigner and author of *The New Complete Book of Self Sufficiency*, a book together with the man, that became in the inspiration for a whole generation. Through interviews with family and friends and archival research including hitherto unpublished material this important book details the larger than life character of John Seymour and describes his passions and philosophies that helped inspire, amongst others, the writers of the

popular 1970s BBC Television situation comedy, *The Good Life*, starring Felicity Kendal and Richard Briers. Paul Peacock charts John Seymour's early childhood years dreaming of being a cowboy, his life in Africa, his early farming experiences and the gradual formulation of his philosophy. He discusses at length the all-important later years with the move to Ireland and his part in the infamous Arthurstown Monsanto Trials in the 1990s when, in his eighties, he argued passionately and eloquently against the rise of Genetically Modified crops. *A Good Life* analyses the extent of John Seymour's influence. travelled from all over the world to work with him. These included such visionary thinkers as Leopold Kohr and E F Schumacher. It takes an objective look at many of his thoughts on the future of the developed world, his fears about the rising dominance of supermarkets and their ultimate stranglehold on agriculture and the land, his major concerns about genetically modified crops and intensive farming and his impassioned and reasoned stance on animal welfare issues.

Tourists, Tourism and the Good Life Jun 11 2021 Examines the linkages between tourists, tourism and positive psychology. This book is of interest to those who study and practise tourism as well as scholars in a range of disciplines such as psychology, business and sociology.

Pleasure and the Good Life Jun 23 2022 Fred Feldman's fascinating new book sets out to defend hedonism as a theory about the Good Life. He tries to show that, when carefully and charitably interpreted, certain forms of hedonism yield plausible evaluations of human lives. Feldman begins by explaining what we mean when we ask what the Good Life is. He argues that this should not be taken to be a question about the morally good life or about the beneficial life. Rather, the question concerns the general features of the life that is good in itself for the one who lives it. Hedonism says (roughly) that the Good Life is the pleasant life. After showing that the usual formulations of hedonism are often confused or incoherent, Feldman presents a simple, clear, coherent form of sensory hedonism that provides a starting point for discussion. He then considers a webalogue of classic objections to hedonism, coming from sources as diverse as Plato, Aristotle, Brentano, Ross, Moore,

Rawls, Kagan, Nozick, Brandt, and others. One of Feldman's central themes is that there is an important distinction between the forms of hedonism that emphasize sensory pleasure and those that emphasize attitudinal pleasure. Feldman formulates several kinds of hedonism based on the idea that attitudinal pleasure is the Good. He claims that attitudinal forms of hedonism - which have often been ignored in the literature — are worthy of more careful attention. Another main theme of the book is the plasticity of hedonism. Hedonism comes in many forms. Attitudinal hedonism is especially receptive to variations and modifications. Feldman illustrates this plasticity by formulating several variants of attitudinal hedonism and showing how they evade some of the objections. He also shows how it is possible to develop forms of hedonism that are equivalent to the allegedly anti-hedonistic theory of G. E. Moore, and the Aristotelian theory according to which the Good Life is the life of virtue, or flourishing. He also formulates hedonisms relevantly like the ones defended by Aristippus and Mill. Feldman argues that a carefully developed form of attitudinal hedonism is not refuted by objections concerning 'the shape of a life'. He also defends the claim that all of the alleged forms of hedonism discussed in the book genuinely deserve to be called 'hedonism'. Finally, after dealing with the last of the objections, he gives a sketch of his hedonistic vision of the Good Life.

The Good Life Mar 20 2022 You can live the good life! The good life—everyone wants to live it. The good life means having the ability to do what we want, when we want, how we want, and the ability to bless others. Living the good life also implies healthy, happy families, wonderful vacations, great jobs and fulfilling careers, successful ministries and businesses, owning nice cars and houses, and having access to the best technology. The Good Life focuses on the principles, underlying attitudes, and lifestyle changes necessary to truly live the good life God designed for each of us. It is about learning how to develop the desire and discipline needed to yield to our new nature in Christ so that we fulfill the perfect will of God for every facet of our lives. This book is written for those who are: On the cutting edge of breakthrough, but are unable to do so. Experiencing sporadic but not continuous bursts

of success. In business but can't seem to turn a profit. In a cycle of loss and lack. Based on personal experiences and biblical principles, the author provides solid advice and practical guidelines about how you can live the good life—starting today!

The Good Life Sep 26 2022 Organized around such themes as harmony with one's self and with the world, religious ways of life, the use of reason, self-exploration, self-realization, and social involvement, the selections in this anthology, edited and introduced by Charles Guignon, explore traditional and recent philosophical thought on the topic of human flourishing.

Imagining the Good Life Sep 14 2021 Effectively combining ethnographic research and theoretical reflections on the pursuit of the good life in a Tibetan community in the Nepal Himalaya, this fascinating book offers a fresh perspective in seeking to understand contemporary experience of development and globalization.

Desiring the Good Mar 28 2020 Desiring the Good defends a novel and distinctive approach in ethics that is inspired by ancient philosophy. Ethics, according to this approach, starts from one question and its most immediate answer: "what is the good for human beings?"—"a well-going human life." Ethics thus conceived is broader than moral philosophy. It includes a range of topics in psychology and metaphysics. Plato's Philebus is the ancestor of this approach. Its first premise, defended in Book I of Aristotle's Nicomachean Ethics, is that the final agential good is the good human life. Though Aristotle introduces this premise while analyzing human activities, it is absent from approaches in the theory of action that self-identify as Aristotelian. This absence, Vogt argues, is a deep and far-reaching mistake, one that can be traced back to Elizabeth Anscombe's influential proposals. And yet, the book is Anscombian in spirit. It engages with ancient texts in order to contribute to philosophy today, and it takes questions about the human mind to be prior to, and relevant to, substantive normative matters. In this spirit, Desiring the Good puts forward a new version of the Guise of the Good, namely that desire to have one's life go well shapes and sustains mid- and small-scale motivations. A theory of good human lives, it is argued, must make room

for a plurality of good lives. Along these lines, the book lays out a non-relativist version of Protagoras's Measure Doctrine and defends a new kind of realism about good human lives.

Quest for the Good Life May 30 2020

The Good Life Aug 25 2022 This one volume edition of *Living the Good Life* and *Continuing the Good Life* brings these classics on rural homesteading together. This couple abandoned the city for a rural life with minimal cash and the knowledge of self reliance and good health.

Creating the Good Life Jan 18 2022 Draws on the wisdom and teachings of the ancient Greek philosopher to help readers plan for a more useful, moral, and meaningful life, addressing such profound questions as "How do I find meaning and satisfaction?" and "What are my responsibilities to my community?" 40,000 first printing.

Education and the Good Life Aug 21 2019

Nature, Reason, and the Good Life Jul 12 2021 At the centre of our

ethical thought stands the human being. Roger Teichmann examines the ways in which facts about human nature determine the shape of ethical concepts such as rationality, virtue, and happiness. He argues that only by attending to the social and empirical character of language use can we address a number of problems in ethics.

Giving Is the Good Life May 22 2022 A bestselling author teaches life-changing biblical principles of generosity and tells stories of people who have put those radical principles into practice. Each story is a practical application that can help stimulate imagination and expand dreams of serving Jesus in fresh ways.

Pleasure and the Good Life Feb 19 2022 This volume concentrates on a hedonistic argument that enters the philosophical debate, when philosophers argue that what they present as the good life is the truly pleasurable life. The book investigates more precisely how this point was made by Plato and his successors.
