[Star Trek: The Belly of the Beast](#) Sep 21 2021 When ancient alien technology is found on a colony world, when robot soldiers from an eons-old interstellar battle restart their war in a highly populated sector, when a global computer system starts to break down or take over, in goes the Starfleet Corps of Engineers. Overseen by Captain Montgomery Scott from his office at Starfleet Headquarters, the S.C.E. can build, rebuild, program, reprogram, assemble, reassemble, or just figure out everything from alien replicators to to doomsday machines. Just don't expect them to perform miracles -- unless they have to. The U.S.S. Enterprise è has defeated a gigantic marauding starship from parts unknown. Now that the immediate threat has been neutralized, the S.C.E. has been called in to probe the vanquished hulk in search of both new technology and the secret of its origin. Lieutenant Commander Geordi La Forge has temporarily transferred from the Enterprise to assist Captain David Gold and the crew of the S.C.E. ship, the U.S.S. da Vinci, on this fascinating mission. La Forge works with Gold and his top-of-the-line group of technical specialists to unravel the high-tech mysteries of the supposedly dead alien vessel, only to discover that the real danger has just begun!

The Belly of the Bow Jan 14 2021 Colours in the Steel, Volume One of the Fencer Trilogy, introduced a remarkable new voice in fantasy fiction. The Belly of the Bow confirms that rich promise and establishes K. J. Parker in the top rank of writers. The city of Perimadeia has fallen. Bardas Loredan, the man who was supposed to save it, is now living on the Island -- a recluse, living apart from his family in the mountains, with only a young apprentice for company. His life as a fencer-at-law is over. Instead, Loredan spends his days perfecting the art of bow-making. But his isolation will not last forever; and when the Island comes under attack, his skills as a soldier and general are once again called upon.

The Underbelly of the Indian Boom Mar 16 2021 As India emerges as a major economic power, producing dollar billionaires rising at the rate of 17 per year, more than 800 million Indians eke out a living on less than two dollars a day. This book takes the reader to the underbelly of the Indian boom, an India that is not shining but is struggling to survive. From the Indo-Soviet Bhilai Steel Plant in Chhattisgarh, where an aristocracy of labour is increasingly being replaced by a more vulnerable contract labour force, we move to the banks of the Hoogly River. Here, Norwegian shipping companies exploit a precarious labour force that is as vulnerable to the vagaries of global finance and its crisis as the elderly, especially women and wage-workers, who live in the slums of Chennai. Also in Tamil Nadu, but this time in Tiruppur, we find that the garment and textile industries boom has nurtured new regimes of debt bondage among industrial workers. Though public concern about the vulnerability in which poor people find themselves has resulted in new nation-wide schemes framed in the language of rights, we find in Bihar and Madhya Pradesh that the practical workings of these schemes are dependent on the regional political systems in which they are enmeshed. We end in the belly of the Maoist-inspired Naxalite insurgency, denounced by the Indian government as the country 's greatest security challenge, where the poor are being mobilised to rise against the injustices of the Indian state. This book was originally published as a special issue of *Economy and Society*.

Biblical Figures in the Islamic Faith Aug 09 2020 "Vicchio believes that by understanding how much Muslim tradition overlaps with the biblical traditions of Judaism and Christianity, we might begin to expose a wedge of common ground on which understanding and respect might begin to be built. "Vicchio begins with a brief introduction sketching some fundamentals of Muslim history and culture, and clearing away some common misconceptions. His main goal, however, is to give us a detailed look at the treatment of biblical figures in the literature of Islam. The broad range of his research and presentation is startling. He begins with the Qur'an but continues on to the collected writing of the roughly two hundred years after Mohammed (Hadith, Sunnah, Akhbar) that came to be regarded as authoritative in the various traditions that developed in early Islam. He then traces the interest in these biblical figures on into modern treatments of the role of these figures in Muslim scholarship and how these figures are understood and used in the traditions of Islam yet today. "The result of Vicchio's scholarship and presentation will be a revelation to most Christian and Jewish readers. It has become somewhat commonplace to refer to Judaism, Christianity, and Islam as the three Abrahamic faiths. This shows a beginning awareness of the beginnings of each of these three great religions, birthed in the Middle East, in a common ancestor, Abraham (Ibrahim). Abraham's faithfulness and his closeness to God make his a revered figure in each of these three great faiths, and for each Abraham is a beginning of the story of the particular relationship between God and the people of each of these religions." --from the Foreword

The Belly of Paris May 30 2022 Part of Emile Zola 's multigenerational Rougon-Macquart saga, The Belly of Paris is the story of Florent Quenu, a wrongly accused man who escapes imprisonment on Devil 's Island. Returning to his native Paris, Florent finds a city he barely recognizes, with its working classes displaced to make way for broad boulevards and bourgeois flats. Living with his brother 's family in the newly rebuilt Les Halles market, Florent is soon caught up in a dangerous maelstrom of food and politics. Amid intrigue among the market 's sellers -- the fishmonger, the charcuti è re, the fruit girl, and the cheese vendor -- and the glorious culinary bounty of their labors, we see the dramatic difference between " fat and thin " (the rich and the poor) and how the widening gulf between them strains a city to the breaking point. Translated and with an Introduction by the celebrated historian and food writer Mark Kurlansky, The Belly of Paris offers fascinating perspectives on the French capital during the Second Empire -- and, of course, tantalizing descriptions of its sumptuous repasts.

When You Find Yourself in the Belly of a Whale Jun 06 2020 Whittington uses humor, honesty, a battle with cancer, criminal justice career experiences, and down-to-earth devotional thoughts to focus on the big picture--looking at the surprising blows and storms of life through God's eyes.

Sekhmet Jan 02 2020 A shamanic ritual with the Egyptian goddess Sekhmet to bring about alchemical transformation at the deepest levels of your being • Details how to work with Sekhmet to transform your negative behavior patterns and character flaws into creative impulses and higher energies • Leads you through guided visualizations, illustrated with photographs, to Sekhmet 's chapel at the Temple of Karnak and through her shamanic ritual of transformation • Includes initiations, rites of passage, and transmissions from Sekhmet to release your fears and anger and rejuvenate your body, mind, and spirit Sekhmet is the lioness goddess of the Egyptian Pantheon, a fierce protector of truth, balance, and the Cosmic order of Ma ' at. Known and feared as the goddess of war and destruction, she also represents the transformative power of kundalini energy, or sekhem, and is the main goddess to harness this power for healing. As " She Who Comes in Times of Chaos, " she takes offerings of fear, rage, and weakness and transforms them into alchemical gold, the universal medicine for physical, emotional, and soul healing. In this book you are guided through a shamanic ritual of alchemical transformation and initiation with Sekhmet, working with this powerful goddess to release your most deeply rooted negative behavior patterns and be reborn into a more purified state of consciousness. Using intensive self-examination exercises to help you prepare to meet the goddess, the author leads you through a guided visualization, illustrated with photographs, to an ancient statue of Sekhmet in her chapel at the Temple of Karnak. There, you will be shamanistically devoured by the goddess, directly experiencing the alchemical process of transformation in the belly of Sekhmet until you are reborn as a fully realized adult child of the goddess. You will experience how your offering of pain, fear, rage, and self-sabotage is digested, absorbed, and assimilated by Sekhmet while you are initiated into the alchemy of total transformation. The initiations, rites of passage, and transmissions from Sekhmet included in the journey restructure the most important aspects of your body, mind, spirit, and soul. This journey of shamanic death, illumination, and rebirth in the belly of Sekhmet provides an opportunity to heal on all levels and allows you to release your rage, anger, and fear as you transform the energies that maintained them into creative and constructive solutions that benefit yourself, your community, and the planet.

Belly of the Beast Jan 26 2022 The beast is always there, waiting to consume and digest the least aware among us, the least careful, most unguarded, most distracted. Distracted by song, art, love, and in some rare cases, happiness. Their ultimate destruction is the ultimate goal of the beast. Before digestion he engages through desperation in his victims emotional and spiritual ruination. He is everywhere, he eventually consumes everyone, he is quick but patient and eventually grabs even the most vigilant. Our only saving grace, pleasurable hallucinations before, during the chase, and those we experience in the midst of consumption for those shall be our last. Welcome to that dark dank hopeless place that is his dreaded heartless human rendering belly.

Black Power in the Belly of the Beast May 18 2021 The first serious study of the diverse organizations associated with the resurgence of Black nationalism in the 1960s

3 Days in the Belly of the Beast Sep 02 2022 World renowned dimensional theorist Dr. Bryce Cooper thinks he's losing his mind! The Nobel Prize winner, a rising star at the Large Hadron Collider in Geneva, has opened a dimensional rift to a world that no living person has ever seen. But Cooper's genius has dire consequences, as he is swept into the ultimate battle of good and evil. Three Days in the Belly of the Beast follows the brilliant Cooper as he wrestles with his personal demons and struggles to make sense of other-worldly events. Along the way crosses paths with powerful ethereal allies and grotesque, super-human enemies that want to kill him, his family and slaughter billions more. In the balance is a war that will unleash Hell on Earth. As the world rushes toward its destruction, can Cooper stop the dimensional terrorists armed with only his intellect and lineage? Will there be a world left to save? To find out, you will have to spend... Three Days in the Belly of the Beast.

Belly of the Dragon Mar 28 2022 It is 1951 and UN forces have just achieved air superiority over the North Koreans. But when word is received in Washington that China has begun producing jet engines decision that could prolong the war and cause a greater loss of American lives the fledgling CIA formulates a plan to destroy the factory. Assigned to complete the mission is a highly skilled team of nine men, comprised of mostly United States Marines. When the target is successfully destroyed, two of the original nine men are left alive. One is Sergeant John Armstrong. The other is Fred Toscaro, a wounded, mentally unstable coward. Now Armstrong must decide how far he will go to fulfill his marine code of honor. For him, the answer is crucial for it could determine whether he lives or dies. As an agonizing internal battle rages inside Armstrong, he and Toscaro embark on a dangerous journey to find their way home without any idea that factions in Washington are taking steps to ensure that none of the team survives. In this military thriller, a United States Marine sergeant must rely on inner-strength and a code of honor to save both his life and the life of another soldier when the government abandons him after a perilous mission during the Korean War.

In the Belly of the Whale Dec 13 2020

Fire in the Belly Apr 16 2021 "Sam Keen is one of the most creative, profound thinkers of our time. I personally have learned and benefited immensely from his books. He brings to the men's movement a new kind of practical wisdom that should help both men and women. " --John Bradshaw, author of Homecoming How does one become a " real man " ? By joining a fraternity? Getting a letter in football? Conquering a lot of women? Making a lot of money? With traditional notions of manhood under attack, today's men (and women) are looking for a new vision of masculinity. In this groundbreaking book, Sam

Keen offers an inspiring guide for men seeking new personal ideals of strength, potency, and warrior-ship in their lives. What does it really mean to be a man? Fire in the Belly answers that question by daringly confronting outdated models that impoverish, injure, and alienate men. It shows instead how men can find their own path to understanding the unique mysteries of being male and in the process rediscover a new vitality and virility that will energize every aspect of their lives. Here is a look at men at work, at play, at war, and in love, moving from brokenness to wholeness and building nurturing, satisfying relationships with one another, their mates, and their families. At no time in history have there been so many men looking for new roles, new attitudes, and new ways of being. In this powerful and empowering book, author Sam Keen retells for modern times the ancient story of the search for what it means to be a man—a man with fire in his belly and passion in his heart. " This book taught me things I didn't know, thawed out some feelings that had been frozen, and made me remember things I thought I wanted to forget. The growing men's movement has added a voice and a book that captures the problems of being male and the promises of manhood achieved. I didn't want it to end. " —John Lee, author of *The Flying Boy*

The Cello in the Belly of the Plane Jun 18 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Holden's Manual of the dissection of the human body Aug 28 2019

In the Belly of the Beast Oct 03 2022 A visionary book in the repertoire of prison literature. When Normal Mailer was writing *The Executioner's Song*, he received a letter from Jack Henry Abbott, a convict, in which Abbott offered to educate him in the realities of life in a maximum security prison. This book organizes Abbott's by now classic letters to Mailer, which evoke his infernal vision of the prison nightmare.

The Belly of the Wolf Mar 04 2020 The award-winning author of *Lens of the World* " concludes what may be one of the best fantasy series of the decade " with her now elderly hero Nazhuret (Publishers Weekly), Nazhuret, the reluctant philosopher-hero of R. A. MacAvoy ' s award-winning bestseller *Lens of the World*, is embarking on his final adventure. He must unwillingly end a long period of exile and once again take up the sword in defense of freedom. His old friend the King is suddenly and unexpectedly assassinated, leaving the kingdom in chaos. Nazhuret interrupts the peace of his old age to endure the horrors of war and the supernatural realm of the dead. Before his journey comes to an end, he must test his wisdom to its limit in the face of danger and treachery. He is accompanied by his beloved daughter Nahvah and, as Nazhuret ' s final debt of honor is paid, he faces the darker side of human nature with both of their lives at stake. " A moving and fascinating culmination to the life of the hero we have watched mature . . . As in the past, Nazhuret takes readers on an exhilarating journey. " —School Library Journal " The conclusion to the trilogy, *Lens of the World*, is as effective and unusual as its predecessors. . . . MacAvoy ' s sense of place, exquisite prose, and first-person narration remain exceptional. She remains, albeit without any fanfare, in the top rank of the American fantasists' roster. " —Booklist " Quiet, unpretentious, vivid, understated, succinct: an object lesson for other, more verbose fantasists in how to produce more from less, and how to write an appealing and gratifying trilogy by offering a self-contained story each time out. " —Kirkus Reviews

International Record of Medicine and General Practice Clinics Jun 26 2019

The Belly of the Atlantic Nov 04 2022 Salie lives in Paris. Back home on the Senegalese island of Niodior, her football-crazy brother, Madicke, counts on her to get him to France, the promised land where foreign footballers become world famous. Given his illusions, how can Salie explain to him the grim reality of life as an immigrant? The story of Salie and Madicke highlights the painful situation of those who emigrate. Others who feel this pain include Ndetare, the Marxist schoolteacher and football coach, exiled to Niodior by the government but never accepted by those born there. Then there's the legendary beauty Sankelle, his former lover, whose only way out of an arranged marriage ends in tragedy. And poor Moussa, whose dreams look set to come true when he's scouted by a big French football club, but which fall apart when he doesn't make the team.

Rage in the Belly Sep 29 2019 How is rage related to hunger? Hunger is a liminal experience, connected to powerlessness, shame, and violence. Hunger does not issue into speech. It cannot therefore be easily found in the biblical texts, written by (and about) people who knew hunger. It hides behind the words in these texts. Rage, conversely, finds expression; and in the texts, it can alert readers to hidden experiences of hunger. But rage is not just a response to the lack of food. It is also a transformative force, reaching towards a justice that is not yet real. The experience of hunger and the fear of famine often go hand in hand with anger—a rage that can bring whole populations to their feet. Luzia Sutter Rehmann develops a biblical hermeneutic that centers on the " fire " in the belly of the hungry, their rage that leads to protests and uprisings. Her reading shows " the poor " or " the many " as those with whom Jesus cooperates and as subjects acting on their own initiative. The book also highlights key socio-historical information on the food situation of ancient Rome and Palestine: on poverty, political dependence and unrest, droughts, and famines.

In the Belly of the Bloodhound Dec 01 2019 Jacky Faber and her classmates at the Lawson Peabody School for Young Girls in Boston are kidnapped while on a school outing and transported in the hold of a slave ship bound for the slave markets of North Africa.

Belly of the Beast (The Fabled Stables Book #3) Feb 01 2020 Book 3 in the one-of-a-kind adventure series from New York Times bestselling author Jonathan Auxier explores the real magic behind simple acts of kindness. Auggie loves his job at the Fabled Stables, but he fears the day when it will come to an end. Fen keeps dropping hints that caretakers don ' t stay forever, and it ' s giving Auggie the grumps. Thankfully, there always seems to be a new stall to fill. This time, the stables set Auggie on a quest to rescue a beast called the Shibboleth—but the portal leads Auggie and Fen to the lair of the evil Rooks! In the dark, damp dungeon, they meet one mysterious girl and one very hungry monster. It ' s already gobbled up all of the Rooks, and Auggie and Fen are next unless they figure out the one way to calm the creature. Will they be able to work together to complete the mission before it ' s too late?

The Belly of the Wolf Feb 24 2022 Half-student, half-servant in the military Royal School of Sordaling, where he appears short and ugly to his tall Velonyan companions, Nazhuret is forced out at age 20. He is taken on by Powl - a mysterious individual learned in arts such as astronomy, war and languages - who teaches Nazhuret, above all, to control his body and mind. After several years, Nazhuret begins to find his own way, traveling around Velonya as an itinerant optician and befriending a wolf. Going south, he works as a bouncer in a tavern, where he discovers his mixed heritage: he is part Rezhmian, of a neighboring country often at war with Velonya. When he discovers a plot to kill King Raduf, Nazhuret's training, both of body and mind, is sorely tested. MacAvoy's complex realm is full of confusion and ambiguity, in which, as Powl says, "You, Nazhuret . . . are the lens of the world: the lens through which the world may become aware of itself. The world, on the other hand, is the only lens in which you can see yourself."

In the Belly of the River May 06 2020 Why are adivasis fighting the Narmada dam and other development projects in India today? Are adivasis 'ecologically noble savages' living in harmony with nature? What is the tribal relationship with nature today? How do people, whose struggles are the subject of theories of liberation and social change, perceive their own situation? Do their present circumstances allow adivasis to formulate a critique of 'development'?

The Trojan Horse in the Belly of the Beast Nov 23 2021 The carefully crafted projects and deep secrets of the Islamic Republic of Iran and their opponents in the Iran Nuclear Weapons Interdiction Project each bring their best and their worst to fruition in this the final book in the *Trojan Horse in the Belly of the Beast* Trilogy. Both sides are playing an extremely expensive and dangerous game with apocalypse or economic ruin as real consequences. Cyber war is waged with a vengeance, but Afsoun and Gideon hold strategic advantages. The question is whether or not their elaborate plan will succeed in time to prevent the impending holocaust. The answer to that existential reality will depend upon whether or not Afsoun can survive.

Reports Oct 30 2019

The Belly of an Architect Jul 08 2020 You can hide paintings, avoid literature, and if you're ingenious avoid listening to music, but you cannot avoid architecture. It is the least perishable of the arts, and the most public. *The Belly of an Architect* is the story of a distinguished American architect with the unlikely name of Stourley Kracklite, who goes to Rome to put on an exhibition in memory of his hero, an eighteenth century visionary French architect. Kracklite forgets the present to honor the past, but at what cost? He ignores his family and his health. His obsession leads to his losing the very thing he sacrificed all other parts of his life to achieve.

Belly of the Beast Apr 28 2022 **The 2022 Lamy Award Winner in Transgender Nonfiction** Exploring the intersections of Blackness, gender, fatness, health, and the violence of policing. To live in a body both fat and Black is to exist at the margins of a society that creates the conditions for anti-fatness as anti-Blackness. Hyper-policed by state and society, passed over for housing and jobs, and derided and misdiagnosed by medical professionals, fat Black people in the United States are subject to sociopolitically sanctioned discrimination, abuse, condescension, and trauma. Da ' Shaun Harrison—a fat, Black, disabled, and nonbinary trans writer—offers an incisive, fresh, and precise exploration of anti-fatness as anti-Blackness, foregrounding the state-sanctioned murders of fat Black men and trans and nonbinary masculine people in historical analysis. Policing, disenfranchisement, and invisibilizing of fat Black men and trans and nonbinary masculine people are pervasive, insidious ways that anti-fat anti-Blackness shows up in everyday life. Fat people can be legally fired in 49 states for being fat; they ' re more likely to be homeless. Fat people die at higher rates from misdiagnosis or nontreatment; fat women are more likely to be sexually assaulted. And at the intersections of fatness, Blackness, disability, and gender, these abuses are exacerbated. Taking on desirability politics, the limitations of gender, the connection between anti-fatness and carcerality, and the incongruity of " health " and " healthiness " for the Black fat, Harrison viscerally and vividly illustrates the myriad harms of anti-fat anti-Blackness. They offer strategies for dismantling denial, unlearning the cultural programming that tells us " fat is bad, " and destroying the world as we know it, so the Black fat can inhabit a place not built on their subjugation.

Into the Belly of the Beast Dec 25 2021

The Belly of the Beast Jul 20 2021 *The Belly of the Beast* is Book II in the action-packed *Jungle War* series and picks up where *Chasing Romeo- The Jungle War* left off in this exciting Vietnam War related saga of Lurp/Rangers in combat.

In the Belly of the Fish Feb 12 2021

In the Belly of the Bell-Shaped Curve Oct 23 2021 Meet Turk, a frustrated claims adjuster who feels like a work monkey spinning his wheels for an insurance company. He desires to throw a monkey wrench in the works and develops a plan to free him from his boring life and make him rich. It might be one of the best fiction novels off the beaten path that looks at the American debt economy in what Kirkus Reviews called " an often-funny satire of the excesses of the free market ethos. " If successful, his plan will liberate a vast majority of human beings from the drudgery and monotony of their own monkey work or what the commoner might refer to as a job. Turk envisions the Primo-Primate Project to create a real work monkey from trained chimpanzees who operate digital sales registers. Suppose you ' re looking for a fiction book with philosophical themes that explores the line between madness and spiritual revelation. In that case, you ' ll enjoy the tension the author creates in this contemporary satirical novel as the lead character examines his loneliness and isolation amidst others ' perceptions of him. Enjoy the humor as Turk works to free humanity from the mundane and dull and replace it with monkey work that makes money and quite a few laughs too. The acclaimed Kirkus Reviews also said (In the Belly of the Bell-Shaped Curve), " Carter doesn ' t just offer readers a hapless Everyperson in these pages; he gives Turk dimension by making him a self-help disciple with delusions of grandeur. "

Belly of the Beast Oct 11 2020 Caleb Alexander has woven his most explosive and provocative tale to date. *Belly of the Beast* takes the readers on a violent, gut wrenching, deeply emotional journey through the American prison system. A place where friends become enemies, and enemies band together for survival in a system that is designed for their destruction, and in a society that has written them off. *Belly of the Beast* is a straight forward look at racism, the prison industrial complex, and the nature of our humanity. Throw in racist prison guards, a former Grand Wizard of the KKK, Billionaire tax evaders, violent prison gangs, The Mafia, and one man's struggle to make it back home to his woman and child, and you have a story that only Alexander can tell. Welcome to the Federal Prison System; welcome to the Belly of the Beast.

Addicted Jun 30 2022 "Is addiction a disease, a sin, a sign of hypersensitivity, a personal failing, or a unique resource for the creative mind? However it is defined, it can have devastating consequences - yet it can also be a source of inspiration. In this updated edition featuring three new essays on addiction to marijuana, video games, and sex, leading American and Canadian writers explore their surprisingly diverse

personal experiences with this complex phenomenon and reveal in candid, graphic, powerful prose what happens when their compulsions took over their lives."--Back cover.

From the Belly of the Dragon Apr 04 2020 Caught in a Cult (The Truth Chasers Part Two) People associated with him have been killed, but Dr. Walter Simmons is a successful man. His books and tapes incorporate psychological principles with New Age, feel-good spiritualism and are a hit on college campuses. But when his top students join him for an intensive "training" program, they are actually joining a dangerous cult. Florida Department of Law Enforcement Agent Tim Porter's daughter, Ruby, is lured in like the rest, the heights of a dream plummeting her to the depths of a living nightmare. Tim and his ex-wife are driven to their knees for their daughter. But what about Ruby? To what lengths can they go to rescue her from Dr. Simmons's clutches? Complicating matters is an FBI investigation, a corrupt chief of police, and a mounting spiritual battle. How much time do they really have? A desperate escape into the South Florida marshes ends in murder. But the true terror is just beginning... Dr. Walter Simmons is a successful man. His books and tapes blend psychological principles with New Age, feel-good spiritualism and are a hit on college campuses. But when his top students join him for an intensive "training" program, they have no idea what awaits them. Not even the most insightful student of them all--Ruby Porter. Tim Porter, an agent with the Florida Department of Law Enforcement, knows his daughter is into something strange. He and his ex-wife grow increasingly concerned, but nothing they do or say helps. Then a young man is murdered, and the FDLE are assigned to the case. As Tim grapples for the truth, one fact becomes crystal clear: Ruby is in terrible danger. But can he do what it will take to rescue his daughter from a man she now trusts more than anyone else? Faced with an FBI investigation, a corrupt chief of police, and a mounting spiritual battle, Tim hits obstacles at every turn. As each day goes by, he can't escape the terrifying truth--His daughter's time is running out... Join the agents of the FDLE as they seek the truth behind the crime and wrestle with Truth in their personal lives. Dealing with depravity all day, every day, it doesn't always seem like God is in control. Which just makes victory that much sweeter when it comes. Reader's Guide Included! Story Behind the Book "One day, while driving with my family, I caught a glimpse of my children's faces in the rearview mirror. I was struck by their innocence and unawareness of anything evil in the world. As a police officer, I was intimately acquainted with evil and wanted to keep my children far from such knowledge. But I knew someday they would leave the comfort and security of our home. And I wondered, Was I equipping them with the spiritual training they would need to face the world ahead of them? Was I truly raising my children in the ways of the Lord? What would I do if one of my children were in the clutches of the evil one? And how far would I go to get them back?" — Mark Mynheir
