Skydog: The Duane Allman Story May 04 2020 (Book). Revised and expanded, with a new afterword by the author, this is the definitive biography of Duane Allman, one of the most revered guitarists of his generation. Skydog reveals the complete story of the legendary guitarist: his childhood and musical awakening; his struggling first bands; his hard-won mastery of the slide guitar; his emergence as a successful session musician; his creation of the Allman Brothers Band; his tragic death at age 24; and his thriving musical legacy.

[Garcia: An American Life](#) Jun 24 2019 He was there when Dylan went electric, when a generation danced naked at Woodstock, and when Ken Kesey started experimenting with acid. Jerry Garcia was one of the most gifted musicians of all time, and he was a member of one of the most worshiped rock 'n' roll bands in history. Now, Blair Jackson, who covered the Grateful Dead for twenty-five years, gives us an unparalleled portrait of Garcia--the musical genius, the brilliant songwriter, and ultimately, the tortured soul plagued by his own addiction. With more than forty photographs, many of them previously unpublished, Garcia: An American Life is the ultimate tribute to the man who, Bob Dylan said, "had no equal."

Graham's American Monthly Magazine of Literature, Art, and Fashion Apr 14 2021

Stories Done Apr 26 2022 The 1960s and 1970s represent a rare moment in our cultural history -- music was exploring unprecedented territories, literature was undergoing a radical reinvention, politics polarized the nation, and youth culture was at the zenith of its influence. There has never been, nor is there likely to be, another generation that matches the contributions of the artists of that time period. In this poignant book, journalist Mikal Gilmore weaves a narrative of the '60s and '70s as he examines the lives of the era's most important cultural icons. Keeping the power of rock & roll at the forefront, Gilmore gathers together stories about major artists from every field -- George Harrison, Ken Kesey, Johnny Cash, Allen Ginsberg, to name just a few. Gilmore reveals the truth about this idealized period in history, never shying away from the ugly influences that brought many of rock's most exciting figures to their knees. He examines how Jim Morrison's alcoholism led to the star's death at the age of twenty-seven, how Jerry Garcia's drug problems brought him to the brink of death so many times that his bandmates did not believe the news of his actual demise, how Pink Floyd struggled with the guilt of kicking out founding member Syd Barrett because of his debilitating mental illness. As Gilmore examines the dark side of these complicated figures, he paints a picture of the environment that bred them, taking readers from the rough streets of Liverpool (and its more comfortable suburbs) to the hippie haven of Haight-Ashbury that hosted the infamous Summer of Love. But what resulted from these lives and those times, Gilmore argues, was worth the risk -- in fact, it may be inseparable from those hard costs. The lives of these dynamic and diverse figures are intertwined with Gilmore's exploration of the social, political, and emotional characteristics that defined the era. His insights and examinations combine to create a eulogy for a formative period of American history.

Making Images Move Jul 26 2019 Making Images Move reveals a new history of cinema by uncovering its connections to other media and art forms. In this richly illustrated volume, Gregory Zinman explores how moving-image artists who worked in experimental film pushed the medium toward abstraction through a number of unconventional filmmaking practices, including painting and scratching directly on the film strip; deteriorating film with water, dirt, and bleach; and applying materials such as paper and glue. This book provides a comprehensive history of this tradition of "handmade cinema" from the early twentieth century to the present, opening up new conversations about the production, meaning, and significance of the moving image. From painted film to kinetic art, and from psychedelic light shows to video synthesis, Gregory Zinman recovers the range of forms, tools, and intentions that make up cinema's shadow history, deepening awareness of the intersection of art and media in the twentieth century, and anticipating what is to come.

American Inventors, Entrepreneurs, and Business Visionaries, Revised Edition Feb 22 2022 Praise for the previous edition: "This fun-to-read source will add spice for economics and business classes..."—American Reference Books Annual "...worthy of inclusion in reference collections of public, academic, and high-school libraries. Its content is wide-ranging and its entries provide interesting reading."—Booklist "A concise introduction to American inventors and entrepreneurs, recommended for academic and public libraries."—Choice American Inventors, Entrepreneurs, and Business Visionaries, Revised Edition profiles more than 300 important Americans from colonial times to the present. Featuring such inventors and entrepreneurs as Thomas Edison and Madame C. J. Walker, this revised resource provides in-depth information on robber barons and their counterparts as well as visionaries such as Bill Gates. Coverage includes: Jeffrey Bezos Michael Bloomberg Sergey Brin and Larry Page Michael Dell Steve Jobs Estée Lauder T. Boone Pickens Russell Simmons Oprah Winfrey Mark Zuckerberg.

You'll Know When You Get There Apr 02 2020 This book tells the story of the Mwandishi band; the author examines the ingredients that would come to form this band's sound. He analyzes the group's instrumentation, their use of electronics, and their transformation of the studio into a compositional tool.

Live Music in America Sep 27 2019 When the Swedish concert singer Jenny Lind toured the U.S. in 1850, she became the prototype for the modern pop star. Meanwhile, her manager, P.T. Barnum, became the prototype for another figure of enduring significance: the pop culture impresario. Starting with Lind's fabled U.S. tour and winding all the way into the twenty-first century, Live Music in America surveys the ongoing impact and changing conditions of live music performance in the U.S. It covers a range of historic performances, from the Fisk Jubilee Singers expanding the sphere of African American music in the 1870s, to Benny Goodman bringing swing to Carnegie Hall in 1938, to 1952's Moondog Coronation Ball in Cleveland - arguably the first rock and roll concert - to Beyoncé's boundary-shattering performance at the 2018 Coachella festival. More than that, the book details the roles played by performers, audiences, media commentators, and a variety of live music producers (promoters, agents, sound and stage technicians) in shaping what live music means and how it has evolved. Live Music in America connects what occurs behind the scenes to what takes place on stage to highlight the ways in which live music is very deliberately produced and does not just spontaneously materialize. Along the way, author Steve Waksman uses previously unstudied archival materials to shed new light on the origins of jazz, the emergence of rock 'n' roll, and the rise of the modern music festival.

Up Against the Wall Motherf**er Oct 21 2021 They called themselves the Motherfuckers; others called them a "street gang with an analysis." Osha Neumann's thoughtful, funny, and honest account of his part in '60s counterculture is also an unflinching look at what all that rebellion of the past means today. The fast moving story follows the establishment of the Motherfuckers, who influenced the Yippies and members of SDS; makes vivid the art, music, and politics of the era; and reveals the colorful, often deeply strange, personalities that gave the movement its momentum. Abbie Hoffman said the Motherfuckers were "the middle-class nightmare . . . an antimedia media phenomenon simply because their name could not be printed." In the few years of its existence the group forced its way into the Pentagon during a war protest, helped occupy one of the buildings in the Columbia University takeover, and cut the fences at Woodstock to allow thousands in for free, among many other feats of radical derring-do. Progressing from a fractured family of intellectuals to rebellion in the streets of New York and on to communes in California, Neumann shows us a view of a life led in rebellion, anger, and eventually a tentative peace.

[CSNY](#) Jan 12 2021 "A must for CSNY fans." —Kirkus Reviews, starred review The first ever biography focused on the formative and highly influential early years of "rock's first supergroup" (Rolling Stone) Crosby, Stills, Nash, and Young—when they were the most successful, influential, and politically potent band in America—in honor of the fiftieth anniversary of Woodstock and the formation of the band itself. 1969 to 1974 were true golden years of rock n' roll, bookmarking an era of arguably unparalleled musical power and innovation. But even more than any of their eminent peers, David Crosby, Stephen Stills, Graham Nash, and Neil Young channeled and broadcast all the radical anger, romantic idealism, and generational angst of their time. Each of the members had already made their marks in huge bands (The Hollies, Buffalo Springfield, The Byrds), but together, their harmonies were transcendent. The vast emotional range of their music, from delicate acoustic confessionals to raucous counter-culture anthems, was mirrored in the turbulence of their personal lives. Their trademark may have been vocal harmony, but few—if any—of their contemporaries could match the recklessness of their hedonistic and often combative lifestyles, when the four tenacious, volatile, and prodigal songwriters pursued chemical and sexual pleasure to life-threatening extremes. Including full color photographs, CSNY chronicles these four iconic musicians and the movement they came to represent, concentrating on their prime as a collective unit and a cultural force: the years between 1969, when Woodstock telegraphed their arrival to the world, and 1974, when their arch-enemy Richard Nixon was driven from office, and the band (to quote Graham Nash himself) "lost it on the highway." Even fifty years later, there are plenty of stories left to be told about Crosby, Stills, Nash, and Young—and music historian Peter Doggett is here to bring them to light in the meticulously researched CSNY, a quintessential and illuminative account of rock's first supergroup in their golden hour for die-hard fans, nostalgic flower-children, and music history aficionados alike.

[Bear](#) Dec 23 2021 The creator of the dancing bear logo and designer of the Wall of Sound for the Grateful Dead, Augustus Owsley Stanley III, better known by his nickname, Bear, was one of the most iconic figures in the cultural revolution that changed both America and the world during the 1960s. Owsley's high octane rocket fuel enabled Ken Kesey and his Merry Pranksters to put on the Acid Tests. It also powered much of what happened on stage at Monterey Pop. Owsley turned on Pete Townshend of The Who and Jimi Hendrix. The shipment of LSD that Owsley sent John Lennon resulted in The Beatles' Magical Mystery Tour album and film. Convinced that the Grateful Dead were destined to become the world's greatest rock 'n' roll band, Owsley provided the money that kept them going during their early days. As their longtime soundman, he then faithfully recorded many of the Dead's greatest live performances and designed the massive space age system that came to be known as the Wall of Sound. Award-winning author and biographer Robert Greenfield's definitive biography of this Grateful Dead legend masterfully takes us through Owsley's incredible life and times to bring us a full picture of this fascinating man for the first time.

[Graham's American Monthly Magazine of Literature, Art, and Fashion](#) Dec 11 2020

Persoonlijke geschiedenis Aug 31 2022 Pulitzer Prize-winnende autobiografie van de grote vrouw achter de Watergate-onthullingen. Katharine Graham was een timide telg uit een roemrucht en steenrijk geslacht. Als kind werd ze aan haar lot overgelaten. Als vrouw maakte ze mee hoe haar briljante man Phil, vertrouweling van onder andere John F. Kennedy, langzaam door depressies werd verzwolgen en ten slotte zelfmoord pleegde. Eenmaal weduwe overwint Graham haar onzekerheid. Van vrouw die etentjes organiseerde transformeerde ze in charismatisch leider van een gezaghebbende krant. Ze overleefde het old boys network van de krantenwereld en slaagde erin The Washington Post tot nieuwe hoogten te brengen.

Respect Yourself Sep 07 2020 The story of Stax Records unfolds like a Greek tragedy. A white brother and sister build a record company that becomes a monument to racial harmony in 1960's segregated south Memphis. Their success is startling, and Stax soon defines an international sound. Then, after losses both business and personal, the siblings part, and the brother allies with a visionary African-American partner. Under integrated leadership, Stax explodes as a national player until, Icarus-like, they fall from great heights to a tragic demise. Everything is lost, and the sanctuary that flourished is ripped from the ground. A generation later, Stax is rebuilt brick by brick to once again bring music and opportunity to the people of Memphis. Set in the world of 1960s and '70s soul music, Respect Yourself is a story of epic heroes in a shady industry. It's about music and musicians -- Isaac Hayes, Otis Redding, Sam and Dave, Wilson Pickett, the Staple Singers, and Booker T. and the M.G.'s, Stax's interracial house band. It's about a small independent company's struggle to survive in a business world of burgeoning conglomerates. And always at the center of the story is Memphis, Tennessee, an explosive city struggling through heated, divisive years. Told by one of our leading music chroniclers, Respect Yourself brings to life this treasured cultural institution and the city that created it.

The Life and Loves of a He Devil Oct 01 2022 'I defy anyone not to snort, howl and recoil!' The Sunday Times 'Full of wicked asides, tart observations and sharp remarks that could only have originated in Graham Norton's witty brain.' Terry Wogan Looking around the room I saw what life really was. It was made up of my passions. I saw my life reflected back at me. People I liked, people I loved, people I had shared half a century with. All the stories of my life were together in that one room and it made me very happy. Who wouldn't want a friend like Graham Norton? A little bit naughty, full of frank advice, bursting with gossip about the world's biggest stars - but most of all with an emphatic love of life and all its joys, big and small. Join him - glass of wine in hand, faithful doggy friend by your side - and delve in as he shares the loves of his life.

[Mijn belofte aan jou](#) May 28 2022 'Mijn belofte aan jou' van bestsellerauteur Colleen Hoover gaat over Quinn en Graham, die elkaar ontmoeten wanneer ze ontdekken dat hun partners een affaire met elkaar hebben. Zes maanden later krijgen ze zelf een relatie. Dan gaat deze roman fast-forward naar zes jaar later: de relatie van Quinn en Graham kent ook hobbels. Hoe perfect hun liefde ook is, het zijn allebei mensen, en mensen zijn niet perfect. Hun belofte aan elkaar komt onder druk te staan. Maar van breken is geen sprake, als het aan Graham ligt. Colleen Hoover schreef met 'Mijn belofte aan jou' een roman die ontroert en aan het denken zet. 'Een verhaal dat je gelezen moet hebben' - Hebban.nl over 'Nooit meer'

The Trials of Lenny Bruce (Enhanced) Oct 28 2019 "The book is indispensable." —Booklist "Detailed, objective, and valuable." —Kirkus Reviews "Generating a gamut of emotions, the entire package is an important documentation of a revolution in American culture." —Publishers Weekly 10th Anniversary Edition—Includes a New Preface by the Authors When it first came out in 2002, The Trials of Lenny Bruce quickly established itself as the definitive work on Lenny Bruce's free speech battles over his provocative comedy. Originally packaged with an audio CD, this 10th Anniversary Enhanced eBook edition includes audio from Lenny Bruce's most controversial performances, as well as exclusive author interviews with George Carlin, Hugh Hefner, Paul Krassner, Margaret Cho, and the lawyers who defended and prosecuted him. Also included are archival audio clips secretly recorded during Lenny's New York obscenity trial. The Trials of Lenny Bruce is an important document of the free speech struggles of an icon of American comedy who, by speaking his mind and fighting the good fight, paved the way for every standup comedian, satirist, and social critic who followed him. Not only did The Trials of Lenny Bruce set the record straight on Lenny, being named one of the best books of the year by the L.A. Times, the authors led the successful push for the late comedian's posthumous pardon in 2003 for his 1964 conviction on obscenity charges in New York.

[Term Paper Resource Guide to Latino History](#) Aug 07 2020 This resource guide to 100 key events in Latino history provides students, librarians, and scholars with hundreds of original and compelling term paper ideas and the key print and electronic sources needed for research. * Presents 100 historical events organized in chronological order, beginning with the founding of the California Missions in 1769 and culminating with Justice Sonia Sotomayor's confirmation to the U.S. Supreme Court * Each of the 100 events offers annotated resources, including primary, secondary, web, and multimedia sources * Contains a comprehensive index highlighting connections between key historical events and public figures

Foundation Nov 09 2020 B-boying is a form of Afro-diasporic competitive dance that developed in the Bronx, NY in the early 1970s. Widely - though incorrectly - known as "breakdancing," it is often dismissed as a form of urban acrobatics set to music. In reality, however, b-boying is a deeply traditional and profoundly expressive art form that has been passed down from teacher to student for almost four decades. Foundation: B-boys, B-girls and Hip-Hop Culture in New York offers the first serious study of b-boying as both unique dance form and a manifestation of the most fundamental principles of hip-hop culture. Drawing on anthropological and historical research, interviews and personal experience as a student of the dance, Joseph Schloss presents a nuanced picture of b-boying and its social context. From the dance's distinctive musical repertoire and traditional educational approaches to its complex stylistic principles and secret battle strategies, Foundation illuminates a previously unexamined thread in the complex tapestry that is contemporary hip-hop.

Woodstock Scholarship Jul 30 2022 Since August 1969, the Woodstock Music and Art Fair looms large when recounting the history and impact of the baby boom generation and the societal upheavals of the Sixties. Scholars study the sociological, political, musical, and artistic impact of the event and use it as a cultural touchstone when exploring alternative perspectives or seeking clarity. This interdisciplinary annotated bibliography records the details of over 400 English-language resources on the Festival, including books, chapters, articles, websites, transcriptions and videos. Divided into six main subsections—Culture & Society, History, Biography, Music, Film, Arts & Literature—for ease of consultation Woodstock Scholarship sheds light on all facets of a key happening in our collective history. Throughout the 1960s, popular music became increasingly reflective and suggestive of the rising political and social consciousness of the youth culture. Examples can be seen in the development of the protest song genre within the folk music boom of the early Sixties and the marriage of lifestyle to music first reflected by The Beatles with fashion, followed by psychedelic music with the emerging drug culture. Woodstock was where these themes coalesced, thus becoming the defining and last great moment of the 1960s. However, Woodstock also represented an abundant amount of experiences and ideas and moments. Thus, when exploring the complicated accounts and numerous facets of America during the turbulent Sixties one discovers scholarship on the key subjects, such as the Vietnam War or the Civil Rights Movement, often considering and debating the importance, relevance, and epic nature of Woodstock. Multiple narratives emerge: a radical engagement of the hippie movement, an overt commercial exploitation of youth culture, a political statement. Woodstock scholarship does not stand alone as field of study, but it is at the cross-road of a number of disciplines—music history, cultural studies, sociology, arts and literature, media studies, politics and economics. Providing full bibliographical details and concise, informative annotation for each entry, Woodstock Scholarship is an essential tool for students, scholars, teachers, and librarians in all these areas, as well as for anyone seeking a deeper understanding of both the Woodstock Music and Art Fair phenomenon and of the confluence of music, commerce and politics.

[Bill Graham Presents](#) Nov 02 2022 The late rock promoter recounts his life as a refugee from the Holocaust, his rise to fame in the recording industry, and his launching of such stars as Janis Joplin, Otis Redding, and the Grateful Dead. 75,000 first printing. \$75,000 ad/promo. Tour.

This Ain't the Summer of Love Jun 28 2022 "Waksman brings a new understanding to familiar material by treating it in an original and stimulating manner. This book tells 'the other side of the story.'"—Philip Auslander, author of Performing Glam Rock: Gender and Theatricality in Popular Music "While there are a number of histories of punk and metal and numerous biographies of important bands within each genre, there is no comparable book to This Ain't the Summer of Love. The ultimate contribution the book makes is to provoke the reader into rethinking the ongoing fluid relationship between punk, a music that enjoyed considerable critical support, and metal, a music that has been systematically denigrated by critics. This book is the product of superior scholarship; it truly breaks fresh ground and as such it is an important book that will be regularly cited in future work."—Rob Bowman, Professor of Music at York University and author of Soulsville USA: The Story of Stax Records "Debunking simplistic assumptions that punk rebelled and heavy metal conformed, Steve Waksman demonstrates with precisely chosen examples that for decades the two shared strategies and concerns. As a result, this important volume is among the first to extend to rock history the same much-needed revisionism that elsewhere has transformed our understanding of minstrelsy, blues, country music, and pop."—Eric Weisbard, author of Use Your Illusion I & II

[From the Lower East Side to Hollywood](#) Feb 10 2021 A lively, extensively illustrated history of the widespread influence of Jews on American popular culture through the twentieth century.

Beatles Vs. Stones Mar 02 2020 A lively narrative history and the definitive account of the legendary and least understood rivalry in the annals of rock 'n' roll. The first work of popular history to tell the story of the Beatles and the Rolling Stones through the lens of their complex relationship with each other. It's a deep exploration of how their rivalry was created - by fans, by the media, by the two groups themselves. How it evolved, and what it reveals about the legendary personalities in both bands.

Got a Revolution! Aug 19 2021 Looks at the complex history of Jefferson Airplane, chronicling the band's origins in 1965 San Francisco and their influential role in 1960s and 1970s rock music that paved the way for other Bay Area music greats.

[Carlos Santana](#) Jun 04 2020 Describes the life and work of the award-winning musician whose success has continued for over thirty years.

The Reason for My Hope Nov 21 2021 What is the most hopeful word in History? For Billy Graham, that word is SALVATION. Salvation from what? From our selfish and

self-destructive selves. From the messes we get ourselves into. From the sin that has haunted humanity from the beginning of time and the evil that pulls us down every day. From the cultural deceptions that blind us to God's saving message. From the Hell so many don't believe in. If we don't think we need salvation, we're fooling ourselves. If we think we are beyond salvation, we're underestimating God. If we just don't want to think about salvation, we're putting ourselves in eternal peril. At the age of ninety-five Billy Graham proclaims God's Gospel with resolve and deep compassion. It is a message he has been preaching for more than seventy years. And in this book you will sense its urgency, filled with hope for the future. "Believe on the Lord Jesus Christ, and you will be saved" (Acts 16:31) From America's evangelistic elder statesman: Salvation is what we all long for, when we are lost or in danger or have made a mess of our lives. And salvation belongs to us, when we reach out for the only One who can rescue us, Jesus. The saving message of the Gospel is the heartbeat of this preacher and evangelist. Millions around the world have heard Billy Graham proclaim this unchanging truth. He has never forgotten the transformation of his own life, when he first said yes to God's gift of salvation, and he has witnessed multitudes turn their hearts to the God of Hope. The Reason for My Hope: Salvation presents the essence of that transformative message. It is biblical and timeless, and though simple and direct, it is far from easy. There are hard words, prophetic words, directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell. But through its ominous warnings shines a light that cannot be extinguished, a beacon of hope that Jesus came to seek and to save that which was lost. (Luke 19:10).

Behind Blue Eyes Aug 26 2019 From Townshend's early childhood as the son of a sexually voracious mother to his devotion to the Indian mystic Meher Baba, this is the true story of a man looking back, forward, and in the mirror.

Ooit, misschien Jun 16 2021 Franny Banks had zichzelf drie jaar de tijd gegeven om het te gaan maken als actrice. Nu gaan de laatste drie maanden in. Ze kwam ooit naar New York met dromen over Broadway, maar haar fanclub telt nog maar twee leden (haar huisgenoten Jane en Dan) en om haar huur te betalen werkt ze als serveerster in een Comedy Club. Franny wil haar droom om de volgende Diane Keaton of Meryl Streep te worden nog niet laten varen. Maar haar bankrekening slinkt, haar agent belt niet meer, en haar vader wil eigenlijk dat ze naar huis komt om met haar geweldige ex-vriend te trouwen. Franny besluit nog één laatste poging te wagen om 'ooit' te veranderen in 'nu'.

We're Not Here to Entertain Jan 24 2022 "After the blast, Kurt Cobain's body slumped. Next to his corpse lay a piece of paper with his last words. At the time the bullet seared his head, Cobain was a rock star, his grizzled face graced the covers of slick music industry magazines, his songs received mainstream radio play, his band Nirvana performed in huge arenas. But he had been thinking an awful lot about what he called the "punk rock world" that saved his life during his teen years and that he had subsequently abandoned for stardom. He first encountered this world in the summer of 1983, at a free show the Melvins held in a Thriftway parking lot. After hearing the guttural sounds and watching kids dance by slamming against one another, he ran home and wrote in his journal: "This was what I was looking for," underlined twice. As he dove into this world, he recognized its blistering music played in odd venues, but also a wider array of creativity, like self-made zines, poetry, fiction, movies, artwork on flyers and record jackets, and even politics. This too: how all of these things opened up spaces for ideas and arguments. Now in his suicide note he reflected on his "punk rock 101 courses," where he learned "ethics involved with independence and the embracement of your community." "2 There are people who can recount where they were when Cobain's suicide became news. I was in Ithaca, NY, finishing up my dissertation... but my mind immediately hurled backwards to growing up in Washington, D.C.'s "metropolitan area" (euphemism for suburban sprawl). I started to remember the first time I entered this "punk rock world." Around a year or two before Cobain went to the Thriftway parking lot, I opened the doors of the Chancery, a small club in Washington, D.C., and witnessed a tiny little stage, maybe a foot and a half off the ground. Suddenly, a small kid about my age (fifteen), his hair bleached into a shade of white that glowed in the lights, jumped up. I remember it being brighter than expected (unlike my earlier, wee-boy experiences in darkened, cavernous arenas where bands like Kiss or Cheap Trick would play to me and thousands of stoned audience members). This kid with the blond hair might have said something, I don't remember, what I recall is that his band broke into the fastest, most vicious sounding music I had ever heard. Suddenly bodies started flying through the air, young men (mostly) propelling themselves off the ground into the space between one another, flailing their arms, skin smacking skin. Control was lost, for when a body moved in one direction, another body collided into its path. When someone fell over, another would pick him up. The bodies got pushed onto the stage, making it hard to differentiate performer from audience member. At one moment it appeared the singer had been tackled by a clump of kids, and he seemed to smile. Sometimes, I could even make out what the fifteen-year old was shouting, especially, "I'm going to make their society bleed!" Overwhelmed, I rushed outside to clear my head"--

True West Mar 14 2021 A revelatory biography of the world famous playwright and actor Sam Shepard, whose work was matched by his equally dramatic life, including his collaborations with the Rolling Stones and Bob Dylan as well as his tumultuous relationships with Patti Smith, Joni Mitchell, and Jessica Lange True West: Sam Shepard's Life, Work, and Times is the story of an American icon, a lasting portrait of Sam Shepard as he really was, revealed by those who knew him best. This sweeping biography charts Shepard's long and complicated journey from a small town in southern California to his standing as an internationally known playwright and movie star. The son of an alcoholic father, Shepard crafted a public persona as an authentic American archetype: the loner, the cowboy, the drifter, a stranger in a strange land. Despite his great critical and financial success, he seemed, like so many of his characters, to remain perpetually dispossessed. Much like Robert Greenfield's biographies of Jerry Garcia and Timothy Leary, this book delves deeply into Shepard's life as well as the ways in which his work illuminates it. True West takes readers through the world of downtown theater in lower Manhattan in the early sixties, the jazz scene at the Village Gate, fringe theatre in London in the seventies, Bob Dylan's legendary Rolling Thunder tour, the making of classic films like Zabriskie Point, Days of Heaven, and The Right Stuff, and Broadway productions of Buried Child, True West, and Fool for Love. For this definitive biography, Greenfield interviewed dozens of people who knew Shepard well, many of whom had never before spoken on the record about him. While exploring his relationships with Patti Smith, Bob Dylan, Joni Mitchell, and Jessica Lange across the long arc of his brilliant career, Greenfield makes the case for Shepard not just as a great American writer but a unique figure who first brought the sensibility of rock 'n' roll to theater.

Graham's Magazine May 16 2021

Electric Don Quixote: The Definitive Story Of Frank Zappa Nov 29 2019 Frank Zappa's reputation as one of rock's maverick geniuses has continued to grow since his death in 1993. Revised and updated, Electric Don Quixote is still the most comprehensive chronicle of his extraordinary life and career. Author, Neil Slaven, brings together the complex strands of Zappa's life and work in a book that will please not just Zappa fans but anyone interested in the history of rock music. Fully illustrated and includes a comprehensive discography.

Hear My Heart Sep 19 2021 Millions the world over have heard Billy Graham's evangelistic messages. Now hear his heart... America's pastor has gone home. But his lifelong message, his passion for the gospel, and his compassion for people still echo in Hear My Heart. This intimate work, a compilation of articles that spans Billy's ministry from 1955 to 2014, invites you to sit down with Billy and hear in his own unvarnished words the things that moved his heart regarding relevant issues of the day. The Biblical convictions he abided by. The reasons and regrets behind some of his decisions. And the wisdom he gained in his century on this earth. Hear My Heart also presents stirring tributes, collected over many years, about Billy and his legacy from those who knew him best in all the seasons of his life—including his family members, his friends, and his co-laborers in ministry. Though their lives may have changed, Billy's impact remains the same, and their words are beautifully preserved in essays that reflect the power of his ministry. This book was assembled and printed to be released upon his passing so that his final words would bring comfort and peace to the many lives he touched. This is his legacy—the personal exhortations he left our generation and those yet to come.

Dark Star Jul 18 2021 A collection of reminiscences and anecdotes by family, friends, fellow musicians, members of the Grateful Dead, and fans celebrates the life and career of the late Jerry Garcia. Original. 25,000 first printing.

Ethel Graham's Victory Jan 30 2020

1965: The Most Revolutionary Year in Music Oct 09 2020 A lively chronicle of the year that shaped popular music forever! Fifty years ago, friendly rivalry between musicians turned 1965 into the year rock evolved into the premier art form of its time and accelerated the drive for personal freedom throughout the Western world. The Beatles made their first artistic statement with Rubber Soul. Bob Dylan released "Like a Rolling Stone, arguably the greatest song of all time, and went electric at the Newport Folk Festival. The Rolling Stones's "Satisfaction" catapulted the band to world-wide success. New genres such as funk, psychedelia, folk rock, proto-punk, and baroque pop were born. Soul music became a prime force of desegregation as Motown crossed over from the R&B charts to the top of the Billboard Hot 100. Country music reached new heights with Nashville and the Bakersfield sound. Musicians raced to innovate sonically and lyrically against the backdrop of seismic cultural shifts wrought by the Civil Rights Movement, Vietnam, psychedelics, the Pill, long hair for men, and designer Mary Quant's introduction of the miniskirt. In 1965, Andrew Grant Jackson combines fascinating and often surprising personal stories with a panoramic historical narrative.

Brown Eyed Handsome Man Mar 26 2022 Drawing on dozens of interviews and voluminous public records, Pegg paints a complete picture of this complicated figure. This biography uncovers the real Berry and provides a stirring, unvarnished portrait of both the man and the artist.

Het teken, het zegel en de wachters / druk 1 Dec 31 2019 Verslag van een speurtocht aan de hand van oude legenden en andere gegevens naar de verloren gewaande Ark des Verbonds in het Ethiopische binnenland.

The Republic of Rock Jul 06 2020 Michael Kramer draws on new archival sources and interviews to explore sixties music and politics through the lens of these two generation-changing places—San Francisco and Vietnam. From the Acid Tests of Ken Kesey and the Merry Pranksters to hippie disc jockeys on strike, the military's use of rock music to "boost morale" in Vietnam, and the forgotten tale of a South Vietnamese rock band, The Republic of Rock shows how the musical connections between the City of the Summer of Love and war-torn Southeast Asia were crucial to the making of the sixties counterculture. The book also illustrates how and why the legacy of rock music in the sixties continues to matter to the meaning of citizenship in a global society today. --from publisher description
