[Ladies and Gentlemen of the Civil Service](#) Aug 26 2019 Drawing from workers' applications, testimonies, and other primary documents, Ladies and Gentlemen of the Civil Service recreates the white-collar world of middle-class workers from the Civil War to 1900. It reveals how men who worked in federal agencies moved from being self-employed to salaried workers, in the process placing at risk the independence that lay at the core of middle-class male values; while women assumed the kind of independence that threatened their positions as delicate, middle-class ladies deserving the protection and care of men. Introducing a cast of characters who worked as federal clerks in Washington, Arons examines the nature of being a civil servant--from the hiring, firing, and promotion procedures, the motivations for joining the federal workforce, and the impact of feminization on the workplace to the interpersonal aspects of office life such as attitude towards sex, manners, and money-lending--and provides an imaginative look at what it meant to be among the ladies and gentlemen who formed part of the first white-collar bureaucracy in the United States.

[You're Too Kind](#) Nov 29 2019 From the primates to the ancient world all the way to Hollywood, "You're Too Kind" presents a primer on flattery--where it originated, its development through the ages, and its myriad uses in contemporary culture.

**The Engagements** Jul 30 2022 1947: Mary Frances Gerety, a young copywriter in an eminent advertising agency, has to convince the world of two things - that marriage means a diamond ring on every woman's finger, and that she is as good at her job as any man. And then, in one moment of brilliant inspiration, Mary Frances writes down four words which will achieve both her aims . . . Moving from a Harvard swim-meet in 1927 to the three-martini lunches of 1940s advertising, from the back streets of 1980s Boston to an exquisite Parisian music shop in 2003, The Engagements is a novel about love, marriage, commitment and betrayal; it is as sharp, as fiery and as beautiful as the stone we have taken to represent our dreams.

[Veritas](#) Nov 21 2021 From the National Book Critics Circle Award-winning author comes the gripping true story of a sensational religious forgery and the scandal that shook Harvard. In 2012, Dr. Karen King, a star religion professor at Harvard, announced a breathtaking discovery just steps from the Vatican: she'd found an ancient scrap of papyrus in which Jesus calls Mary Magdalene "my wife." The mysterious manuscript, which King provocatively titled "The Gospel of Jesus's Wife," had the power to topple the Roman Catholic Church. It threatened not just the all-male priesthood, but centuries of sacred teachings on marriage, sex, and women's leadership, much of it premised on the hallowed tradition of a celibate Jesus. Award-winning journalist Ariel Sabar covered King's announcement in Rome but left with a question that no one seemed able to answer: Where in the world did this history-making papyrus come from? Sabar's dogged sleuthing led from the halls of Harvard Divinity School to the former headquarters of the East German Stasi before landing on the trail of a Florida man with an unbelievable past. Could a motorcycle-riding pornographer with a fake Egyptology degree and a prophetic wife have set in motion one of the greatest hoaxes of the century? A propulsive tale laced with twists and trapdoors, Veritas is an exhilarating, globe-straddling detective story about an Ivy League historian and a college dropout--and how they worked

together to pass off an audacious forgery as a long-lost piece of the Bible.

**Crap Kingdom** Sep 07 2020 THE CHOSEN ONE MUST BE RETRIEVED FROM EARTH HE WILL BRING DOWN THE WALL AND RESTORE THE KINGDOM TO GLORY HIS NAME IS TOM PARKING With this mysterious yet oddly ordinary-looking prophecy, Tom's fate is sealed: he's been plucked from his life and whisked away to a magical kingdom to be its Chosen One. There's just one problem: The kingdom is mostly made of garbage from Earth. Okay, well, two problems: the king hates Tom. Also, the princess likes to wear fake mustaches. And being Chosen One seems to consist mainly of cleaning out rats' noses at the Royal Rat-Snottery. So, basically, the kingdom sucks. When Tom turns down the job of Chosen One, he thinks he's making a smart decision. But when Tom discovers he's been replaced by his best friend Kyle, who's always been cooler, more athletic, and better with girls, Tom wants Crap Kingdom back—at any cost. And the hilarity that ensues will determine the fate of the universe.

**Oil Kings Collection Books 1-3** Jun 28 2022 Books 1-3 of the Oil Kings series. A widowed oil tycoon with four adult kids learns each son needs to marry before they get the oil trust money their mother left them, and they're running out of time. King's Crown I've made a promise to myself—no more women. It's not like I'm a love 'em and leave 'em kind of guy. They all know the score, and they're all looking for the same thing I am. But I have to set a better example for my grown sons, who seem to be making all the wrong decisions when it comes to their relationships. The last thing I need is to be stranded in a snowstorm with Kendall, twenty years my junior and unintentionally alluring. We're stuck in very close quarters. With no electricity. And no heat other than what we can generate... King's Ransom It was supposed to be a simple case of revenge: get to know King Tech owner and CEO Beckett King, learn his secrets, and ruin his life like he ruined my brother's. But Beckett King offers me a deal I can't refuse. Not only does he want me to pretend to be engaged to him, he needs to marry me to get his grandmother off his back. And at the end of the year, we can go our separate ways, only I'll be a whole lot richer. I won't fall for his irresistible good looks, or that aw, shucks country-boy charm he still possesses from growing up on a ranch. I'm smarter than that. He has a lesson to learn and I'm the best one to teach him. But that's the tricky thing with revenge. It doesn't always go as planned. King's Treasure I take one look at Savvy and know I could spend the rest of my life with her. The feeling is mutual...until she figures out who I am after our impromptu Vegas wedding. I didn't mean to hide my identity, and I thought a desire to get out from under the weight of familial baggage was something we had in common. But with Savvy just moments from proposing divorce, I offer her the one thing I'd been ready to walk away from: A trust fund worth millions. All Savvy has to do is stay married to me for a year and then she'll get half—except I have no intention of letting her go after 365 days. I've spent a decade running from my father's disapproval and my brothers' successes. Now I'm willing to spend a lifetime convincing the woman I love to stay put by my side. **On the Job** Jun 16 2021 Every day millions of Canadians go out to work. They labour in factories, offices, restaurants, and retail stores, on ships, and deep in mines. And every day millions of other Canadians, mostly women, begin work in their homes, performing the many tasks that ensure the well-being of their families and ultimately, the reproduction of the paid labour force. Yet, for all its undoubted importance, there has been remarkably little systematic research into the past and present dynamics of the world of work in Canada.

New Scientist Dec 31 2019 New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.

**Martin Luther King, Jr., and the Theology of Resistance** Jul 18 2021 It has been nearly fifty years since Martin Luther King, Jr., was assassinated at the Lorraine Motel in Memphis, Tennessee. Appraisals of King's contributions began almost immediately and continue to this day. The author explores a great many of King's chief ideas and socio-ethical practices: his concept of a moral universe, his doctrine of human dignity, his belief that not all suffering is redemptive, his brand of personalism, his contribution to the development of social ethics, the inclusion of young people in the movement, sexism as a contradiction to his personalism, the problem of black-on-black violence, and others. The book reveals both the strengths and the limitations in King's theological socio-ethical project, and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world. Instructors considering this book for use in a course may request an examination copy [here](#).
