Wanted: A Real Family Aug 15 2021 In the first book of her new miniseries The Mommy Club, Karen Rose Smith introduces readers to down-on-her-luck single mom Sara Stevens—and the sexy photojournalist who just might be her knight in shining armor... Two years ago, Sara helped to heal Jase Cramer's injured body—and his soul. Now, with their home destroyed in a fire, she and her daughter are the ones in need. Accepting Jase's offer to stay at his family vineyard is a temptation the widowed physical therapist can't resist. But can she put the brakes on the sparks flaring between them? Jase never forgot Sara's tender loving care—or the attraction that couldn't go anywhere. Now she's back in his life, awakening feelings that bring back memories of heartache. With the help of Sara's little girl and The Mommy Club, the volunteer group that's transforming their California community, Jase just might be ready for a second shot at love...and the family he always wanted!

[The Kids' Book Club Book](#) Nov 25 2019 The first complete guide—for use by adults and children—to creating fun and educational book clubs for kids. As authors of The Book Club Cookbook, the classic guide to integrating great food and food-related discussion into book club gatherings, Judy Gelman and Vicki Levy Krupp hear a common refrain from parents, librarians, teachers, community leaders and kids themselves: "How about writing a book for kids' book clubs?" Indeed, in recent years youth organizations, parents, libraries, schools, and our local, state, and federal governments have launched thousands of book clubs for children as a way to counter falling literacy rates and foster a love of reading. Based on surveys representing five hundred youth book clubs across the country and interviews with parents, kids, educators, and librarians, The Kids' Book Club Book features: — the top fifty favorite book club reads for children ages eight to eighteen; — ideas and advice on forming great kids' book clubs—and tips for kids who want to start their own book clubs; — recipes, activities, and insights from such bestselling children's book authors as Christopher Paolini, Lois Lowry, Jerry Spinelli, Nancy Farmer, Christopher Paul Curtis, Andrew Clements, Laurie Halse Anderson, Norton Juster, and many others. From recipes for the Dump Punch and egg salad sandwiches included in Kate DiCamillo's *Because of Winn-Dixie* to instructions on how to make soap carvings like the ones left in the knot-hole of a tree in Harper Lee's *To Kill a Mockingbird*, this book provides a bounty of ideas for making every kids' book club a success.

[Family Events](#) Jul 26 2022 An unprecedented exploration of the intersection of events and family studies, Family Events uses events as a lens through which to explore the concepts of families, family practices, family displays and family intimacies. Family Events explores the idea that how families come to be and moreover, come to be defined as 'families' relies on events; whether that be via 'family events' - those which serve to celebrate being part of 'my' family - (e.g., birthdays, weddings, funerals), 'events experienced as a family' (e.g., a holiday or day trip), or 'events which impact families' (e.g., recession, war, global health emergency). Family Events brings together contributions from the social sciences, leisure and event studies which focus on a variety of different event contexts, including the life cycle, death and illness, sport, holidays and community and religious festivals. Family Events offers a multitude of insightful perspectives on the intersection of events and family studies and is a valuable resource for academics and students with a research interest in events, leisure and the family.

[THE DECEPTION - Book Five of the Munro Family Series](#) Sep 28 2022 A gripping new suspense thriller from USA Today bestselling author Chris Taylor Detective Will Rutledge has a personal vendetta. He'll stop at nothing to take down the kingpin of Sydney's illegal drug industry. Working undercover at the city's most exclusive brothel, Will is hell-bent on putting the vicious drug dealer behind bars, but when he encounters an enticing and sexy prostitute, everything changes. Ambitious newspaper journalist, Savannah O'Neill will do anything for a story - even masquerade as a prostitute. Crossing paths at the brothel with Will Rutledge, she's reluctantly drawn to the rugged and irresistible playboy businessman. As they both work to infiltrate the covert life of a mob boss, their attraction grows stronger. But can the "businessman" and "prostitute" find a future together when everything is based on deception? Fans of Sandra Brown, Tami Hoag, Karen Rose, Liliana Hart and J.D Robb will love this series from USA Today bestselling author Chris Taylor. Read it now and get hooked on another series.

Critical Topics in Family Therapy May 24 2022 This Brief from the American Family Therapy Academy (AFTA) is a collection of chapters from the AFTA Monograph Series. The chapters specifically address responses to a wide range of contextual phenomena from a relational family therapy perspective. Chapters are grounded in family systems concepts and informed by postmodern perspectives including social justice. The collection provides cutting edge thinking and practices for a variety of experiences that strongly impact individuals and families. Authors address the treatment of couples and families oppressed by socio-contextual phenomena such as war and poverty, and of those marginalized by the insidious impact of dominant discourse on relationships and on the therapeutic context, for example, sexual/gender identity and sexual practices. Established practitioners and scholars with particular expertise in the areas addressed bring exceptional transparency and knowledge to the descriptions of their work. Researchers, clinicians, educators, and students of family and couples therapy will find this volume very useful.

The Oxford Dictionary of Family Names in Britain and Ireland Oct 17 2021 Containing entries for more than 45,000 English, Scottish, Welsh, Irish, Cornish, and immigrant surnames, The Oxford Dictionary of Family Names in Britain and Ireland is the ultimate reference work on family names of the UK. The Dictionary includes every surname that currently has more than 100 bearers. Each entry contains lists of variant spellings of the name, an explanation of its origins (including the etymology), lists of early bearers showing evidence for formation and continuity from the date of formation down to the 19th century, geographical distribution, and, where relevant, genealogical and bibliographical notes, making this a fully comprehensive work on family names. This authoritative guide also includes an introductory essay explaining the historical background, formation, and typology of surnames and a guide to surnames research and family history research.

Additional material also includes a list of published and unpublished lists of surnames from the Middle Ages to the present day.

A Fine Passion Jan 20 2022 The last of his line, Jack, Baron Warnefleet, flees London after nearly being compromised into marrying a dreadful female. Turning his back on marriage, he rides home to the estate he has not seen for years Outside his gate, however, Jack rescues a lady from an unmanageable horse. But Lady Clarice Altwood is no meek and mild miss. She is delectably attractive, undeniably capable and completely unforgettable. It quickly becomes clear that Clarice is in danger and Jack must use every ounce of his cunning to protect this richly passionate woman...who has so quickly stolen his heart.

Facilitating Youth-Led Book Clubs as Transformative and Inclusive Spaces Feb 21 2022 Learn how to integrate book clubs into secondary school communities for transformation and inclusion so as to enhance and nurture students' literacies along with their social and emotional development. Using her extensive experiences with culturally, neurologically, and linguistically diverse students, the author provides a rich resource that demonstrates how book clubs serve as critical places where adolescents can develop as readers while simultaneously working to build authentic relationships with their peers. Pollock offers research and theories grounded in culturally sustaining pedagogies and healing-centered engagements along with practical strategies for book club facilitators—from developing specific student-centered pedagogical approaches to embodying critical and humanizing dispositions. Book Features: Guidance based on the author's 25 years of experience as a facilitator and researcher of book clubs. A focus on encouraging meaningful participation, identity and community building, and social justice. An approach that prioritizes collaboration among teachers, social workers, counselors, administrators, parents, and other school personnel. Practical strategies that include facilitation suggestions, sample lesson plans, and reflective questioning techniques. Engaging narratives that center the voices of students who have participated in book clubs. An accompanying website with suggested reading lists, teaching materials, classroom activities, and more.

Tortured Skye (A Hawke Family Novel) Jun 25 2022 She's always been off-limits. He's always just out of reach. Falling in love with Gabe Anderson was as easy as breathing. Fighting my feelings for my brother's best friend was agonizingly hard. I never imagined giving in to my desire for him would cause such a destructive ripple effect. That kiss was my grasp at a lifeline—something, anything to hold me steady in my crumbling life. Now, I have to suffer with the fallout while trying to convince him it's all worth the consequences. Guilt overwhelms me—over what I've done, the lives I've taken, and more than anything, over my feelings for Skye Hawke. Craving my best friend's little sister is insanely self-destructive. It never should have happened, but since the moment she kissed me, I haven't been able to get her out of my mind. If I take what I want, I risk losing everything. If I don't, I'll lose her and a piece of myself. The raging storm threatening to rain down on the city is nothing compared to the one that will come from my decision. Love can be torture, but sometimes, love is the only thing that can save you. *** Tortured Skye is the second book in The Hawke Family Series. While it is a complete story, it is NOT meant to be read as a standalone. The story of the Hawke siblings begins in Savage Collision (book one) and continues in book two, Tortured Skye, book three, Stone Sober, and finally book four, Building Storm. These stories all build on one another and are intertwined. They need to be read in order to fully enjoy and understand the plots.

On the Air Jan 28 2020 Now long out of print, John Dunning's *Tune in Yesterday* was the definitive one-volume reference on old-time radio broadcasting. Now, in *On the Air*, Dunning has completely rethought this classic work, reorganizing the material and doubling its coverage, to provide a richer and more informative account of radio's golden age. Here are some 1,500 radio shows presented in alphabetical order. The great programs of the '30s, '40s, and '50s are all here—Amos 'n' Andy, Fibber McGee and Molly, The Lone Ranger, Major Bowes' Original Amateur Hour, and The March of Time, to name only a few. For each, Dunning provides a complete broadcast history, with the timeslot, the network, and the name of the show's advertisers. He also lists major cast members, announcers, producers, directors, writers, and sound effects people—even the show's theme song. There are also umbrella entries, such as "News Broadcasts," which features an engaging essay on radio news, with capsule biographies of major broadcasters, such as Lowell Thomas and Edward R. Murrow. Equally important, Dunning provides a fascinating account of each program, taking us behind the scenes to capture the feel of the performance, such as the ghastly sounds of *Lights Out* (a horror drama where heads rolled and bones crunched), and providing engrossing biographies of the main people involved in the show. A wonderful read for everyone who loves old-time radio, *On the Air* is a must purchase for all radio hobbyists and anyone interested in 20th-century American history. It is an essential reference work for libraries and radio stations.

THE PREDATOR - Book Three of the Munro Family Series Mar 10 2021 USA Today bestselling author Chris Taylor's latest book in the hugely popular Munro Family Series doesn't disappoint... Everything comes at a price... When Australian Federal Agent Brandon Munro accepts a job transfer in a High Tech Operations Unit, he's hoping for a fresh start. What he gets is an unexpected blast from the past. Four years earlier, walking out on his wife without explanation was his only option, but now there's nowhere left to hide. She's a senior agent in his new unit; it's only a matter of time before he'll be forced to face the truth. Highly respected Federal Agent Alexandra Cavanaugh has worked hard to forget the man she once loved and is now hell-bent on putting online child predators behind bars. Her team of specialized officers is in pursuit of an international pedophile ring. When Brandon transfers to her unit, Alex's life is once again thrown into turmoil. Hiding a secret from their past, she's determined to ignore the feelings Brandon evokes inside her while focusing only on the case. Pitted together in a race against time, Alex and Brandon are forced to confront their past. As the pressure mounts, Brandon struggles to deal with his guilt and reconnect with the woman he still loves. Alex is terrified that Brandon will discover her secret. As they grow closer, will Alex's deception destroy everything they've rebuilt? If you love Sandra Brown, Tami Hoag, J.D. Robb, Lilianna Hart and Karen Rose, you'll love USA Today Bestselling author Chris Taylor's Munro Family series. Start reading it today and get hooked on a new series.

The Princess Club/Family Secrets/Mountain Madness Oct 29 2022 The Princess Club: When Ruby Mae, Bessie, and Clara discover gold in Dead Man's Creek, they form an exclusive group, "The Princess Club." Christy watches in dismay as Cutter Gap is torn apart by greed and envy. Can she find a way to heal the bitter divisions caused by a handful of gold? Family Secrets: Bob Allen and many of the residents of Cutter Gap are upset that a black family has moved into the Cove. When hostile shooting and a series of threatening incidents befall the newly arrived family, the Washingtons, Christy steps in to help. But it's a clue in the Washingtons' family Bible that may hold the key to real peace and acceptance. Mountain Madness: When Christy travels alone to a nearby mountain, she vows to discover the truth behind the terrifying legend of a strange mountain creature. But what she finds seems worse than anything she could ever have imagined!

The Cultural Encyclopedia of Baseball, 2d ed. Sep 16 2021 More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Radical Help Dec 19 2021 How should we live: how should we care for one another; grow our capabilities to work, to learn, to love and fully realise our potential? This exciting and ambitious book shows how we can re-design the welfare state for this century. The welfare state was revolutionary: it lifted thousands out of poverty, provided decent homes, good education and security. But it is out of kilter now: an elaborate and expensive system of managing needs and risks. Today we face new challenges. Our resources have changed. Hilary Cottam takes us through five 'Experiments' to show us a new design. We start on a Swindon housing estate where families who have spent years revolving within our current welfare systems are supported to design their own way out. We spend time with young people who are helped to make new connections - with radical results. We turn to the question of good health care and then to the world of work and see what happens when people are given different tools to make change. Then we see those over sixty design a new and affordable system of support. At the heart of this way of working is human connection. Upending the current crisis of managing scarcity, we see instead that our capacities for the relationships that can make the changes are abundant. We must work with individuals, families and communities to grow the core capabilities we all need to flourish. Radical Help describes the principles behind the approach, the design process that makes the work possible and the challenges of transition. It is bold - and above all, practical. It is not a book of dreams. It is about concrete new ways of organising that already have been developing across Britain. Radical Help creates a new vision and a radically different approach that can take care of us once more, from cradle to grave.

Family Expenditures in Selected Cities, 1935-36 Sep 04 2020

The Social History of the American Family Nov 06 2020 The American family has come a long way from the days of the idealized family

portrayed in iconic television shows of the 1950s and 1960s. The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history. Experiences of family life shape so much of an individual's development and identity, yet the patterns of family structure, family life, and family transition vary across time, space, and socioeconomic contexts. Both the definition of who or what counts as family and representations of the "ideal" family have changed over time to reflect changing mores, changing living standards and lifestyles, and increased levels of social heterogeneity. Available in both digital and print formats, this carefully balanced academic work chronicles the social, cultural, economic, and political aspects of American families from the colonial period to the present. Key themes include families and culture (including mass media), families and religion, families and the economy, families and social issues, families and social stratification and conflict, family structures (including marriage and divorce, gender roles, parenting and children, and mixed and non-modal family forms), and family law and policy. Features: Approximately 600 articles, richly illustrated with historical photographs and color photos in the digital edition, provide historical context for students. A collection of primary source documents demonstrate themes across time. The signed articles, with cross references and Further Readings, are accompanied by a Reader's Guide, Chronology of American Families, Resource Guide, Glossary, and thorough index. *The Social History of the American Family* is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions.

[Chicago's Block Clubs](#) Feb 09 2021 Whether focused on flower gardens, street crime, or aesthetic conformity, urban block clubs are unusual quasi-institutions that can establish or maintain a neighborhood's appearance, social dynamics, and quality of life. But what is a block club? And how does it function? Is it a definable institution, with codifiable practices and expectations, or is it merely an assemblage of like-minded citizens who happen to live near one another? What makes one such group effective and long-lasting, while most evaporate after a few years of communal activity? These are some of the questions that Amanda Seligman addresses in her deeply researched study."

[Beyond Seduction](#) Jul 02 2020 In a moment of recklessness Gervase Tregarth, sixth Earl of Crowhurst, swears he'll marry the next eligible lady to cross his path. However, after years engaged in secret service to the Crown, he knows the importance of an escape route - the lady must be compatible in every way, or there will be no wedding. Cloistered at his ancestral castle in Cornwall, with no suitable woman for miles, Gervase never expects he'll have to fulfil his pledge. That is, until he meets his neighbour, the deliciously appealing Madeline Gascoigne. Despite his reservations, Gervase finds himself irrepressibly drawn to Madeline, luring her into his arms and, ultimately his bed. From their very first kiss, he discovers that the headstrong and independent Madeline is no meek country miss, they are definitely compatible - and that the fire between them will burn well beyond that first seduction..

[Stone Sober \(A Hawke Family Novel\)](#) Mar 22 2022 She's innocent and sweet. He's dark and depraved. Stone Hawke is precisely the kind of man women are warned about—handsome, intelligent, arrogant, and intricately entangled with some dangerous people. I should stay away, but he manages to strip my soul bare with just a look and dominates my thoughts. Bad decisions are in my past. My life is (mostly) on track, even if it is no longer the one to medical school. I can't allow myself to cave to the fierce pull and ardent attraction I feel toward the youngest Hawke. Nora Eriksson is off-limits, and not just because she's my brother's employee and sister-in-law. Despite the fact she's stripping at The Hawkeye Club, she has an innocent and pure heart. Normally, the only thing that appeals to me about innocence is the opportunity to taint it. But not when it comes to Nora. I can't expose her to the filth permeating my life. There are too many things I can't control, things completely out of my hands. She doesn't deserve any of it, but the power she holds over me is stronger than any addiction. The hardest battles we fight are often with ourselves, but only through defeating our own demons can we find true peace. *** Stone Sober is the third book in The Hawke Family Series. While it is a complete story, it is NOT meant to be read as a standalone. The story of the Hawke siblings begins in *Savage Collision* (book one), and continues in book two, *Tortured Skye*, book three, *Stone Sober*, and finally book four, *Building Storm*. These stories all build on one another and are intertwined. They need to be read in order to fully enjoy and understand the plots.
