*Moordgids voor lieve meisjes* Nov 04 2022 ZAAK GESLOTEN Iedereen in Little Kilton kent het verhaal: de knappe en populaire eindexamenscholiere Andie Bell werd door haar vriendje Sal Singh vermoord, waarna hij zelfmoord pleegde. Zelfs vijf jaar later ziet Pippa Fitz-Amobi nog de impact die de zaak op het dorp heeft gehad. Pip heeft zich altijd afgevraagd wat er nu precies is gebeurd. Wanneer ze de zaak kiest als onderwerp voor haar profielwerkstuk, komen er al snel geheimen boven die iemand liever verborgen had willen houden. Het lijkt wel alsof diegene haar tegenwerkt – zou de echte moordenaar nog leven? 'Een cadeautje voor lezers die gek zijn op nagelbijtend spannende mysteries.' – Kirkus Review

**The Guide to United States Popular Culture** Nov 11 2020 "To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of *The Guide to United States Popular Culture*. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. **The Age of Earthquakes** Feb 12 2021 A highly provocative, mindbending, beautifully designed, and visionary look at the landscape of our rapidly evolving digital era. 50 years after Marshall McLuhan's ground breaking book on the influence of technology on culture in *The Medium is the Massage*, Basar, Coupland and Obrist extend the analysis to today, touring the world that's redefined by the Internet, decoding and explaining what they call the 'extreme present'. *THE AGE OF EARTHQUAKES* is a quick-fire paperback, harnessing the images, language and perceptions of our unfurling digital lives. The authors offer five characteristics of the Extreme Present (see below); invent a glossary of new words to describe how we are truly feeling today; and 'mindsources' images and illustrations from over 30 contemporary artists. Wayne Daly's striking graphic design imports the surreal, juxtaposed, mashed mannerisms of screen to page. It's like a culturally prescient, all-knowing email to the reader: possibly the best email they will ever read. Welcome to

**A Guide to the Good Life: The Ancient Art of Stoic Joy** Jan 26 2022 One of the great fears many of us face is that despite all our effort and striving, we will discover at the end that we have wasted our life. In *A Guide to the Good Life*, William B. Irvine plumbs the wisdom of Stoic philosophy, one of the most popular and successful schools of thought in ancient Rome, and shows how its insight and advice are still remarkably applicable to modern lives. In *A Guide to the Good Life*, Irvine offers a refreshing presentation of Stoicism, showing how this ancient philosophy can still direct us toward a better life. Using the psychological insights and the practical techniques of the Stoics, Irvine offers a roadmap for anyone seeking to avoid the feelings of chronic dissatisfaction that plague so many of us. Irvine looks at various Stoic techniques for attaining tranquility and shows how to put these techniques to work in our own life. As he does so, he describes his own experiences practicing Stoicism and offers valuable first-hand advice for anyone wishing to live better by following in the footsteps of these ancient philosophers. Readers learn how to minimize worry, how to let go of the past and focus our efforts on the things we can control, and how to deal with insults, grief, old age, and the distracting temptations of fame and fortune. We learn from Marcus Aurelius the importance of prizing only things of true value, and from Epictetus we learn how to be more content with what we have. Finally, *A Guide to the Good Life* shows readers how to become thoughtful observers of their own lives. If we watch ourselves as we go about our daily business and later reflect on what we saw, we can better identify the sources of distress and eventually avoid that pain in our life. By doing this, the Stoics thought, we can hope to attain a truly joyful life.

**Tequila** Jan 14 2021 The New Tequila Tequila has come a long way since the days of salt, shot, lime, repeat. With tequila consumption on the rise, people are choosing tequila on more occasions, experimenting with new labels, and learning to appreciate the nuances of flavor. TEQUILA is an all-in-one reference for the top-shelf tequila connoisseur, with chapters on the history and lore of tequila, insight into how tequila is made, an exploration of the agave fields of Jalisco, and a drinker's guide to the four types of tequila: blanco, reposado, añejo, and extra añejo. James Beard Award-winning author and chef Joanne Weir takes tequila beyond the margarita (although she opens the book with the very best margarita recipe) to a wide range of drink and food recipes. TEQUILA features more than 35 cocktails from her own repertoire, as well as contributions from some of the top tequila bar-tenders in the country, including classics like the Sangrita and La Batanga and novel variations like the Cable Car No. 2 and the Surly Temple. Weir also presents more than 20 tequila-infused sides, mains, and desserts, from Gazpacho with Drunken Prawns to Bay Scallop Ceviche to Tequilamisu. Join a new generation of aficionados for a celebration of the agave plant's most spirited and fiery creation, along with new and innovative ways to appreciate tequila.

**A Guide to Landlord and Tenant Law** May 30 2022 *A Guide to Landlord and Tenant Law* provides a strong foundation in commercial landlord and tenant, and housing law. The book is designed to provide a complete course text for both undergraduate and postgraduate students from surveying and real estate management backgrounds. This clear and accessible textbook aims to introduce the reader to the fundamentals of both residential and commercial landlord and tenant law by considering the nature of the tenancy and the relationship between the parties. It examines the main elements of the commercial lease including rent, repair, alienation, termination and statutory renewal. **A Guide to Qualitative Field Research** Jun 30 2022 *A Guide to Qualitative Field Research* provides students with clear, practical, and specific instructions for conducting field research—from selecting a topic to writing the final paper. In the expanded Third Edition, Carol A. Bailey gives increased attention to the early and last stages of field research, often the most difficult: selecting a topic, deciding upon the purpose of your research, and writing the final paper, with a generous number of examples to help readers to generate ideas. While the author's primary focus is face-to-face field research, she acknowledges that the concept of the "field" has expanded over recent decades to include virtual settings, and so research in the digital world is discussed. Compared to earlier editions which focused solely on an undergraduate readership, this edition more explicitly mentions graduate student research, but selects examples that would not intimidate undergraduate students. Finally, this edition includes more tables, checklists, diagrams, and summary charts, and each chapter has objectives, chapter highlights, and exercises. A glossary of key terms is provided in the back of the book, and additional readings and resources are available on an accompanying website.

Particular attention is given to the literary types occurring in the Bible (chapter four), followed by some suggestions in organizing the writing of an exegetical study (chapter five). Finally, some practical rules are provided on how to make accurate bibliographic citations in footnotes and in a bibliography (chapter six).

**Breaking Up Blues** Sep 21 2021 We want to believe that break-up and divorce may be tough in the short term, but that time will heal all. But is it a dangerous myth? *Breaking Up Blues* presents evidence of the risks of remaining caught in bitter battle; of failing to learn from past difficulties; in refusing to mind; or becoming caught in self-hatred and despair. What looks like self-protection can turn out to be self-destructive. Self-help books tell you not to fight – but not why battles are so addictive. They tell you to bin your baggage and be positive – but if that is all you do, you can't have any memories of past good times, or of any joint achievements. They tell you to reach out and find someone new – but not until you've done the emotional work can you risk being open to a new partner. Nor do they remind you of the threat to self-esteem of brief flings. Break-up and divorce can also offer an opportunity for growth – whether originally looked for, or not. You need to find your resources (including how to manage feelings of panic, loneliness, guilt and grief) and re-find your self-worth. Abraham Lincoln said that "success in life consists of moving from one failure to another without losing enthusiasm". This book shows you how.

**The Cosmic Ordering Service** Apr 16 2021 If you're holding this book in your hand, then you've already changed your life. Are you still waiting for your ship to come in? Looking for the relationship you can't seem to find? Working just to pay the bills until that perfect job comes along? Don't you wish that you could just place an order for the life that you want? Well, you can! And you don't have to chant, meditate, pray, fast, work, or do anything--just relax. And there won't be any bill to pay. Seems impossible? That's what the author said: "If, after reading this book, you think that cosmic ordering is total nonsense, but you decide to place an order with the universe anyway just to prove me wrong, then you have subscribed to this ordering service just the way I first did. And you just might start as wonderful a journey towards an easier, more fulfilling life." The Cosmic Ordering Service is a guide to realizing your dreams. Best-selling author Barbel Mohr can teach you how to fulfill all your wishes--just by placing an order with the universe. You'll learn how she has used the Cosmic Ordering Service to gain her dream job, the ideal man, money, health--even a castle to live in! Mohr will show you, as she has taught hundreds of thousands of European readers, how to listen to your inner voice, place your order, sit back, and let marvelous things happen. The hard part is deciding what you really want. Once you've figured that out, this charming, witty, and insightful book is going to tell how to get it.

**Mastering Your Hidden Self** Feb 24 2022 Huna philosophy is about learning to become a conscious cocreator with the Universe. Hawaiian shaman King uses Kahuna healing methods to help us access the hidden energy of life, develop powers of concentration, and make friends with the deepest aspect of our being. Learn how your Higher Self, or aumakua, is contacted in the dream dimension. Get in touch with the Mana, the hidden energy of life. Develop higher powers of concentration by utilizing the tikis, created images of sight, sound, and feeling in meditation. Become aware of your subconscious, an integral part of your being, which impatiently awaits communion with the ego.

**A Guide to Local Environmental Auditing** Jan 02 2020 Sustainable development is still seen by authorities as an abstract concept. Local Environmental Auditing will help put it into practice. The book provides a comprehensive guide to monitoring the state of the local environment and establishing the impacts of local actions on global issues, and shows how current local authority policy and practice can be adapted to recognize environmental priorities. The authors provide both a guide to and an assessment of the subject: they link the processes with the issues, with specific information on carrying out the audit (including checklists, case studies and standards) and a detailed discussion of the issues and choices which local authorities may face. Clearly structured and accessible, this will be an essential handbook, both for local government departments and other local organizations, and students in a wide range of subjects, including environmental science and health, town planning, urban and rural studies, social science and politics.
