Literary Couples and 20th-Century Life Writing Dec 23 2021 Exposing how modernist and late-modernist writers tell the stories of their intimate relationships through life writing, this book engages with the process by which these authors become subjects to a significant

other, a change that subsequently becomes narrative within their works. Looking specifically at partners in a couple, Janine Utell focuses on such literary pairings as Virginia and Leonard Woolf, Gertrude Stein and Alice B. Toklas, Sylvia Townsend Warner and Valentine Ackland, Christopher Isherwood and Don Bachardy, and Sylvia Plath and Ted Hughes. Utell draws on the latest work in narrative theory and the study of intimacy and affects to shed light on the ethics of reading relationships in the modern period. Focusing on a range of genres and media, from memoir through documentary film to comics, this book demonstrates that stories are essential for our thinking of love, desire and sexuality.

Army Life in Chamberlain's 20th Maine (Expanded, Annotated) Jun 16 2021 Every great battle takes on new perspectives and meaning when viewed from the prone position of the private soldier, as opposed to the broad sweep of after-battle reports. Antietam, Fredericksburg, Gettysburg, Spottsylvania, Cold Harbor, Petersburg...Theodore Gerrish was at them all with Colonel Joshua Lawrence Chamberlain's 20th Maine Regiment. His vivid, compassionate, and often humorous telling is from the spot on the field where the minie-balls are thickest and the cannonading is deafening. This is one of the best private-soldier memoirs of the American Civil War in its scope and its minute details. The views Gerrish provides at the end of famous officers as seen from the private soldier's point of view include Grant, Meade, Hooker, Josuah Lawrence Chamberlain, and others with whom he came in contact. Some of the humor: "Chaplain, will you be kind enough to tell me what the two capital letters, B.C., stand for, when they are printed together upon anything?" "O, yes. It means before the birth of our Saviour, previous to the beginning of the Christian era." He proceeded to give quite a profound theological exposition of the matter, and then inquired, "Why did you ask so unusual a question?" "O, nothin'," answered the innocent Dick, "only we have seen it stamped on these sheets of hard-tack, and were curious to know why it was there." Of the African-Americans who fought, Gerrish says: "As these two races march beside each other in the struggle of life, we only ask and demand that those who, in their poverty, did all they could to save the nation and assist its defenders, shall not be deprived of their sacred rights." Front-line letters and diaries of the Civil War bring an immediacy to a long-ago event and connect us to these everyday men and women who lived it. For less than you'd spend on gas going to the library, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Living Buddha, Living Christ 20th Anniversary Edition Aug 07 2020 "[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." --His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. The 20th anniversary edition of the classic text, updated, revised, and featuring a Mindful Living Journal. Buddha and Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between two great contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In lucid, meditative prose, he explores the crossroads of compassion and holiness at which the two traditions meet, and he reawakens our understanding of both. "On the altar in my hermitage," he says, "are images of Buddha and Jesus, and I touch both of them as my spiritual ancestors."

12 regels voor het leven Aug 31 2022 Wat moet iedereen in de moderne wereld weten? Om antwoord te geven op deze moeilijkste vraag der vragen combineert de gerenommeerde psycholoog Jordan B. Peterson de zwaarbevochten waarheden van oude tradities met verbluffende ontdekkingen van grensverleggend wetenschappelijk onderzoek. Op humoristische, verrassende en informatieve wijze vertelt Jordan Peterson ons waarom kinderen die aan het skateboarden zijn met rust gelaten moeten worden, welk verschrikkelijk noodlot mensen die te snel oordelen te wachten staat, en waarom je altijd een kat moet aaien als je er een tegenkomt. Peterson legt grote verbanden en distilleert daarbij uit alle kennis van de wereld 12 praktische en fundamentele leefregels. In 12 regels voor het leven maakt Jordan Peterson korte metten met de moderne clichés van wetenschap, geloof en de menselijke natuur, en tegelijkertijd transformeert en verrijkt hij de denkwijze van zijn lezers. Dr. Jordan B. Peterson (1962) is psycholoog, cultuurcriticus en hoogleraar psychologie aan de Universiteit van Toronto. Zijn wetenschappelijke artikelen hebben de moderne kijk op persoonlijkheid en creativiteit voorgoed veranderd. Peterson heeft honderdduizenden volgers op social media en zijn YouTube-clips zijn meer dan 27 miljoen keer bekeken. 'Peterson is vandaag de dag de invloedrijkste intellectueel van de westerse wereld. Voor miljoenen jonge mannen blijkt de methode-Peterson het perfecte tegengif voor de mengeling van knuffelen en beschuldigen waarin ze zijn grootgebracht.' - DAVID BROOKS, THE NEW YORK TIMES 'Hoewel ik in veel opzichten met Peterson van mening verschil, ben ik het hartgrondig eens met zijn nadruk op het zorgvuldig, zonder vooroordelen bekijken van grote maatschappelijke en persoonlijke kwesties om daar rationele, weloverwogen oplossingen voor te vinden. Dit boek staat er vol mee.' - LOUISE O. FRESCO 'Peterson stapt als een magiër door de ideeëngeschiedenis van het Westen, en hij maakt alles urgent, en stralend. Ja, er zijn regels voor het leven, met moeite gedistilleerd in de wildernis van het bestaan, gevoed met klassieke waarden en inzichten die de tand des tijds doorstaan, als wij volharden. Peterson is momenteel de belangrijkste "praktische" intellectueel.' - LEON DE WINTER 'Peterson is een genie op vele vlakken. 12 regels voor het leven is een groot, controversieel, ontvullend boek.' - THE TIMES 'Peterson is geen gebrek aan empathie te verwijten. Hij is als een vaderfiguur.' - TROUW *Antiquities of the Jews [books 17-20] ; The life of Flavius Josephus ; The Jewish war, or, The history of the destruction of Jerusalem ; Against Apion ; An extract out of Josephus's discourse to the Greeks concerning Hades ; Dissertation I. Almost Nothing: The 20th-Century Art and Life of Józef Czapski Apr 26 2022 A compelling biography of the Polish painter and writer Józef Czapski that takes readers to Paris in the Roaring Twenties, to the front lines during WWII, and into the late 20th-century art world. Józef Czapski (1896-1993) lived many lives during his ninety-six years. He was a

student in Saint Petersburg during the Russian Revolution and a painter in Paris in the roaring twenties. As a Polish reserve officer fighting against the invading Nazis in the opening weeks of the Second World War, he was taken prisoner by the Soviets. For reasons unknown to this day, he was one of the very few excluded from Stalin's sanctioned massacres of Polish officers. He never returned to Poland after the war, but worked tirelessly in Paris to keep alive awareness of the plight of his homeland, overrun by totalitarian powers. Czapski was a towering public figure, but painting gave meaning to his life. Eric Karpeles, also a painter, reveals Czapski's full complexity, pulling together all the threads of this remarkable life.

Het 80/20-principe Jun 24 2019 Nieuwe editie van 'Het 80/20-principe', de klassieker van Richard Koch waar wereldwijd meer dan een miljoen exemplaren van verkocht zijn. Het 80/20-principe klinkt als een aardige vuistregel, maar het is meer dan dat: het is een wetenschappelijk bewezen principe. Richard Koch toont in dit boek aan dat het 80/20-principe voor organisaties te gebruiken is als analyse-instrument (met welke producten behalen we de hoogste winst?), en op persoonlijk vlak als denkmethode (op welke thema's moet ik focussen, wat zijn de beste oplossingen?). In beide gevallen is het resultaat: betere beslissingen, minder gedoe, meer effectiviteit. Op strategisch niveau, maar ook in je dagelijkse werk. Iedereen, van de CEO tot de professional, kan met dit boek zijn voordeel doen. Het helpt je te kiezen, te beslissen en sneller vooruit te komen. De jubileumeditie van dit standaardwerk is aangevuld met nieuwe hoofdstukken over de werking van het principe in (online) netwerken.

Media Space 20+ Years of Mediated Life Dec 11 2020 Media Space: 20+ Years of Mediated Life is loosely divided into three different, but interconnected, approaches to media space research. Each part opens with an introduction that lays out how readers can best approach the book, and provides a basic guide to the theory and research literature, technological developments and other notable events to help contextualize the book. The 'social' approach uses the rhetoric and methods familiar to a CSCW audience, but moves into actual situations that involve close working bonds, broken trust, shared joy, community building, interpersonal tension, anxiety etc. The section on 'spatial' approaches guides the reader through an intellectual landscape of spatiality, the 'communications' part is a field guide to sense-making in the as-lived mediated condition, demonstrating that media space sense-making combines an understanding of in-the-moment alongside sense made of existence in the world and reflecting upon it.

20 Years to Life... a Memoir Oct 01 2022 I was born on Flag Day, 1935, the same year Social Security was enacted. Consequently, I have always felt a tug of birthday patriotism and as a child I secretly hoped the flags might be flying for my benefit. Growing up with the SS system has been a comfort, as well. I didn't mind contributing to the pot all during my working years and I certainly appreciate the pay out during retirement. Graduating from journalism school and working for ten years as a newspaper reporter and magazine editor gave me a chance to write about and promote what's right with America. My generation saw dramatic changes throughout the 30s, 40s and 50s, which paralleled my coming of age over a 20 year span. Recounting some of these events and how they impacted me as an only child with a bit of an attitude, is the theme of the memoir.
