How to Be Bored Mar 02 2020 In the latest installment of the acclaimed School of Life series, learn how to make peace with your down time—and even benefit from it. Lethargic inactivity can be debilitating and depressing, but in the modern world the pendulum has swung far in the other direction. We live in a hyperactive, over-stimulated age. Uninterrupted activity can seem exciting, but it can also leave us emotionally disorientated and mentally depleted. How can we recover a sense of balance and a richness in our lives? In How to Be Bored, Eva Hoffman argues for the need to cultivate curiosity and self-knowledge and to relish moments of unplugged idleness and non-virtual contact with others. Drawing on psychoanalysis, neuroscience, and a wide range of literature, she emphasizes the need to understand our own preferences and purposes and to replenish our inner resources. This book aims to make readers more vigorously engaged in their lives and to restore a sense of depth and meaning to their experiences.

Ave Eva: Ave Eva Sep 07 2020 AVE EVA is a life story where love plays a very important role. This novel is the first published by Costa Rican author Mariana Castillo. Women play a very important role in this story. Eva is considered a visible symbol between the constant struggle of feelings and marked moments that will prove her inner strength and her will. Life surprises us in different ways; it becomes whimsical and uncertain with our destiny. This story's protagonist is a simple woman that, with the passage of time, becomes involved in a world different from the one she has been used to. She changes her image, her values. She is dazzled by words and material things that end up temporarily stealing that part of her being. However, and deep inside herself, she is still the same woman she has always been; simple, hopeful, with hope. A woman who has hit rock bottom, but her will and the support of the people who love her, pull her out of the darkness she faces. Many people are part of this path. In this novel the protagonist searches for happiness and love. She believes that this is found in other people and faces circumstances that make her doubt whether she should continue living or whether it is better to end this life of pain. Eva manages to understand that both feelings are within ourselves and that only when we decide to move forward and put an end to what makes us wrong, we can move forward and make love, life and everything around us truly have a great value. What is a heart made of? How many times can one recover from pain.? There must be something else! We cannot expect only sex, passion, lust. Love is much more. Life is much more. The word AVE exalts the name of the protagonist; it offers a greeting and pays homage to her. Mariana Castillo has decided that this woman has a before and after in this debate of feelings. A "why?" Her life changes and it does so in such a way that love is also part of the pain. AVE EVA seeks to teach us that in life, many people appear and disappear to teach us to learn and unlearn through their deeds. No one passes through our history without having a true meaning. Life is full of ups and downs. Love becomes part of this path from the romantic point of view to the sincerest capacity to love oneself and others in a selfless way. AVE[1] EVA is undoubtedly a book that will make you passionate from the first moment, teaching you that life is simple, but according to our decisions, life becomes a mountain with trials that will make you strong or destroy you forever. Mariana Castillo enjoys telling through this story real life events where women live romantic and clandestine experiences, struggle to survive, pain, abandonment, hope, desire, and many others that are part of the daily life of many real people. Eva is without doubt a woman in the fullest sense of the word. Love, betrayal, friendship, sensuality, life, and death intertwine in an attempt to confront her. From the moment the reader finds the AVE EVA book, they will feel great interest in its cover. Mariana Castillo, author of this book, has taken care of all the details to make this novel an opportunity to identify feelings through images and words. Eva's love for the men who pass through her life is genuine. She is a woman who wants to love and be loved. To give and receive love. To live. The image of Eva on the cover is intended to identify the place in which she is bodily enclosed. However, this representation is fictitious, since her real confinement is in her mind. HAIL EVA! This is the highest and only salute with which you can pay tribute to the character when you reach the end of the story.

Shattered Applause Jun 16 2021 This comprehensive biography of the actress film critic Rex Reed called "a national treasure" draws on Robert A. Schanke's interviews and correspondence not only with Eva Le Gallienne but also with more than one hundred of her colleagues and friends, including Glenda Jackson, Burgess Meredith, Eli Wallach, Peter Falk, Ellen Burstyn, Anne Jackson, Farley Granger, Jane Alexander, Uta Hagen, and Rosemary Harris. Forty-two illustrations offer highlights of Le Gallienne's many notable performances in such plays as Hedda Gabler, Liliom, The Cherry Orchard, Peter Pan, Camille, Mary Stuart, The Royal Family, and The Dream Watcher. Behind her public role as a famous actress and as the founding and maintaining force of the first civic repertory theatre in the United States, Eva Le Gallienne led a private life complicated by her identity as a lesbian. Schanke considers Le Gallienne's sexuality and how it played a role in the struggles, defeats, and triumphs that combined to inspire her greatness. Shattered Applause, a finalist for the Lambda Literary Award for Lesbian Nonfiction, tells a fascinating story that also serves as a barometer of the changing values, tastes, and attitudes of American society.

The Secret Life of Eva Hathaway Oct 09 2020 A chick lit classic first published in 1985, The Secret Life of Eva Hathaway returns, hilarious and wicked as ever, for a new generation of fans. "I love my husband. The man married me when he didn't even have to. Then he set me up in a huge house to domesticate the kinks out of my system while he ran his computer company." So begins the saga of Eva Hathaway, the randy heroine who leaves a raft of heartbroken suitors when she elopes with entrepreneur Martin Weaver and moves from New York to Boston. Martin's frequent road trips provide Eva with the calm necessary to pursue her stellar career as Fanny May Tingle, award winning composer of hymns. Despite the lingering disapproval of her blueblood mother-in-law Ruth, who would love a grandchild, Eva's marriage to Martin succeeds for four placid years. She assuages her homesickness for Manhattan with visits to Richard Weintraub, who designs artwork for her hymns, and Lionel Boyd, a high school confidante now a gay Broadway costume designer. As Martin's absences become prolonged and a void grows inside, Eva manages to stay on the straight and narrow by composing nonstop, working out, and parrying the ravings of her alcoholic mother Chuck. Eva's formula seems to work until, one snowy afternoon, she goes to the Y for a course in self-defense. Instructor Paul Fox, a moonlighting tenor, at once identifies his new pupil as half insane, half genius, and 200% nymphomaniac. After several false starts that would make The Taming of the Shrew look like a

christening, Fox and Eva connect...to put it mildly. Conscience, lust, guilt, and that odd duck, joy, clash in a bawdy and hilarious comedy, a moving love story, and a social satire that continues to reverberate with today's reader.

Eva Palmer Sikelianos Sep 19 2021 This is the first biography to tell the fascinating story of Eva Palmer Sikelianos (1874-1952), an American actor, director, composer, and weaver best known for reviving the Delphic Festivals. Yet, as Artemis Leontis reveals, Palmer's most spectacular performance was her daily revival of ancient Greek life. For almost half a century, dressed in handmade Greek tunics and sandals, she sought to make modern life freer and more beautiful through a creative engagement with the ancients. Along the way, she crossed paths with other seminal modern artists such as Natalie Clifford Barney, Renée Vivien, Isadora Duncan, Susan Glaspell, George Cram Cook, Richard Strauss, Dimitri Mitropoulos, Nikos Kazantzakis, George Seferis, Henry Miller, Paul Robeson, and Ted Shawn. Brilliant and gorgeous, with floor-length auburn hair, Palmer was a wealthy New York debutante who studied Greek at Bryn Mawr College before turning her back on conventional society to live a lesbian life in Paris. She later followed Raymond Duncan (brother of Isadora) and his wife to Greece and married the Greek poet Angelos Sikelianos in 1907. With single-minded purpose, Palmer re-created ancient art forms, staging Greek tragedy with her own choreography, costumes, and even music. Having exhausted her inheritance, she returned to the United States in 1933, was blacklisted for criticizing American imperialism during the Cold War, and was barred from returning to Greece until just before her death. Drawing on hundreds of newly discovered letters and featuring many previously unpublished photographs, this biography vividly re-creates the unforgettable story of a remarkable nonconformist whom one contemporary described as "the only ancient Greek I ever knew."

How to Save a Life Jun 28 2022 A love story for fans of One Day by David Nicholls or Kate Eberlen's Miss You

My Life with Eva May 28 2022 A dying woman lies in a hospital bed and appropriates another patient's identity to acquire her coveted blackcurrant cordial...and her visitor. A man adopts the role of detective to satisfy - with disastrous consequences - his curiosity about his wife's friend. A monkey is given a computer and uses it to update a Shakespearian Tragedy. People begin journeys and never end them, or live through lifetimes in the space of a single dream. This collection brings together prize-winning and critically acclaimed stories: encompassing both the poignant realism of bereavement or childhood night terrors, and the fantastical realms of an alternative Garden of Eden. Ranging across the globe, from the Welsh coast to Genoa, and from Kansas to Khartoum, the thread that binds these stories is one of dislocation and deception, the insidious power of memory, and of those seemingly un-momentous decisions that, once made, can change the course of a life.

The Beautiful Life of Eva Todd Burch (Mrs. J.D. Burch) Sep 27 2019

The Lost Life of Eva Braun Jul 30 2022 Eva Braun is one of history's most famous nonentities. She has been dismissed as a racist, feathered-headed shop girl, yet sixty-two years after her death her name is still instantly recognizable. She left her convent school at the age of seventeen and met Hitler a few months later. She became his mistress before she was twenty. How did unsophisticated little Fraulein Braun, twenty-three years his junior, hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide? Were they really lovers, and what were the background influences and psychological tensions of the middle-class Catholic girl from Munich who shared his intimate life? How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved? She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler, far from being a luxurious sinecure, caused her emotional torture. His chauffeur called her "the unhappiest woman in Germany." The Führer humiliated her in public while the top Nazis' wives, living in his privileged enclave on a Bavarian mountainside, despised her. Yet Albert Speer said: "She has been much maligned. She was very shy, modest. A man's woman: gay, gentle, and kind; incredibly undemanding . . . a restful sort of

girl. And her love for Hitler---as she proved in the end---was beyond question." Eva loved the Führer, not for his power, nor because, thanks to him, she lived in luxury. His material gifts were nothing compared with the one thing she really wanted: his child. She remained invisible and unknown, a nonperson. They were never seen in public together and she never saw him alone except in the bedroom, yet their long relationship was a sort of marriage. Angela Lambert reveals a woman the world never knew until the last twenty-four hours of her life. In the small hours of April 29, 1945, as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding, Eva Braun finally achieved her life's ambition by becoming Hitler's wife. Next day they both swallowed cyanide and died instantly. She was young, healthy, and thirty-three years old. Based on detailed new research, this is an authoritative biography, only the second life of Eva written in English.

Dealing with Life's Changes Jan 12 2021 "Using real-life stories, current research and inspiring quotes, Eva manages to convince you, that thinking positively and balancing your life, will achieve abundance, be it your health, relationships or finances. As you read this book, you will be inspired to take action NOW. I loved reading this book from start to finish." -A. O'Neill, International Speaker, Author, HR Specialist, Qld.

Her posthumously released albums, Imagine, Songbird, Simply Eva and Somewhere included three UK number ones have sold more than ten million copies. Interviewing Eva's friends, colleagues and family in Washington D.C. and Maryland, Johan Bakker traces her short life, her idealism and her disillusionment with the business side of her trade.

183 Times a Year Dec 31 2019 "A candid account of family life that we can all relate to . . . An absolutely astonishing, thought provoking, hilarious and life affirming debut novel." "The Book Magnet Meet Lizzie, the exasperated mother of Cassie, Connor, and stepdaughter Maisy. She gets by with good friends, cheap wine and talking to herself. Teenager Cassie, the Facebook-tweeting, selfie-taking, music and mobile phone-obsessed daughter, hates everything about her life. She longs for a different existence and wishes her parents had never divorced. However, the discovery of a terrible betrayal, and a brutal attack, throws the whole household into disarray. Lizzie and Cassie are forced to reassess the important things in life as they embark upon separate journeys of self-discovery . . . Although tragic at times this is a delightfully funny exploration of domestic love, hate, strength and ultimately friendship. A poignant, heartfelt look at that complex and diverse relationship between a mother and daughter set amongst the thorny realities of today's divided and extended families. Mothers and daughters alike will never look at each other in quite the same way after reading this book—a brilliantly funny observation of contemporary family life. "An emotional roller-coaster of a ride that details family life . . . [a] beautifully written debut novel from Eva Jordan that should appeal to men not just women. There are some very emotive comments contained within the story many will ring true for every reader. A highly enjoyable read." "The Last Word Book Review Don't miss books two and three in the trilogy: All the Colours in Between and Time Will Tell

The Forgotten Life of Eva Gordon Apr 26 2022 "[A] touching debut. . . . MacKillop takes the pain of aging and regret and infuses it with soul and a touch of humor. This auspicious first outing tugs at the heartstrings."--Publishers Weekly Eva wants to run away from her life--if only she could remember how.

Failing memory has forced Eva Gordon to move in with her granddaughter, Breezy. But Eva hates the bustle of Boston. All she wants to do is move back to her quiet, cozy Cape Cod home and be left alone. Then Breezy announces she's getting married, and they'll be moving to her new husband's rundown family farm, where he lives with an elderly uncle. They'll be one big family--but only Breezy and Brent think it'll be a happy one. It's all too much for Eva. Too much change, too much togetherness, too much of an over-crowded life she never wanted. But as her desire for privacy collides with her worsening memory, Eva may find herself in a pickle she can't get out of. "A big-hearted family saga, suffused with grace and kindness, featuring a cast of appealing characters who would be right at home in Jon Hassler's Staggerford or Richard Russo's Empire Falls."--Adrienne Harun, author of *A Man Came Out of a Door in the Mountain* "On par with Olive Kitteridge! But where Olive woos, Eva Gordon captures. . . .A poignant, utterly beautiful story of perspective and hope."--Cheryl Grey Bostrom, author of *Sugar Birds* "A novel full of life and transformation, as charming as a New England cottage by the sea. You can't help but fall in love with spunky, hard-edged Eva Gordon and the others connected to Try Again Farm."--Christine Kindberg, author of *The Means That Make Us Strangers*

[A Lublin Survivor](#) Aug 07 2020 ""To this day I am unable to understand how I managed to survive against all odds." So relates the memoir of a young woman, Eva Szek (later Eisenkeit), who survived the Nazi onslaught against Jews in her beloved city of Lublin in Poland, an important centre of Jewish religion and culture. Eva recounts with compelling testimony her fearless fight not to fall into German hands and to save her family. Her experiences under German occupation, her struggle to survive and her subsequent liberation is an historical account of the tragedy of a Jewish community destroyed. The memoir describes Jewish Lublin life before the war, its religious institutions and charities; Polish-Jewish relations; the German bombing and invasion; the Russian escape options; the German occupation and registration of Jews; Eva's escape from the ghetto and two labour camps; her hiding in villages and farms, and complex wartime relations with Poles; her negotiated freedom with Mr. X (a Polish man who hid Jews for money, and cannot be considered a "Righteous"); life in liberated Lublin, including the first Passover celebration; meeting other survivors and trying to make a living; and Eva's postwar move to Lodz and marriage, and then to a Displaced Persons (DP) camp in Germany. As her eighty-fifth birthday approached, Eva asked her daughter Esther to take down her life story "so the whole world will know what the Germans did." *A Lublin Survivor: Life is Like a Dream* not only provides an extraordinarily complete and descriptive picture of life in pre-war and liberated Lublin but a first-hand account of the obliteration of its Jewish community and one individual's indomitable determination to survive against all odds"--

[Eva Braun](#) Jan 24 2022 In this groundbreaking biography of Eva Braun, German historian Heike B. Görtemaker delves into the startlingly neglected historical truth about Adolf Hitler's mistress. More than just the vapid blonde of popular cliché, Eva Braun was a capricious but uncompromising, fiercely loyal companion to Hitler; theirs was a relationship that flew in the face of the Führer's proclamations that Germany was his only bride. Görtemaker paints a portrait of Hitler and Braun's life together with unnerving quotidian detail—Braun chose the movies screened at their mountaintop retreat (propaganda, of course); he dreamed of retiring with her to Linz one day after relinquishing his leadership to a younger man—while weaving their personal relationship throughout the fabric of one of history's most devastating regimes. Though Braun gradually gained an unrivaled power within Hitler's inner circle, her identity was kept a secret during the Third Reich, until the final days of the war. Faithful to the end, Braun committed suicide with Hitler in 1945, two days after their marriage. Through exhaustive research, newly discovered documentation, and anecdotal accounts, Görtemaker has meticulously built a surprising portrait of Hitler's bourgeois existence outside of the public eye. Though Eva Braun had no role in Hitler's policies, she was never as banal as she was previously painted; she was privy to his thoughts, ruled life within his entourage, and held his trust. As horrifying as it is astonishing, Eva Braun will undoubtedly be referenced in all future accounts of this period.

[The Untold Story of Eva Braun](#) Nov 09 2020 This is the most authoritative biography of Eva Braun ever written. The author, who holds doctorates from UC Berkeley and the University of Bonn, began

researching the life and times of Eva Braun in 1997, when he became the first American to be appointed to a professorship in law at a German university. The author's ability to conduct research and to interview witnesses in both English and German enabled him to discover astonishing new facts about Eva Braun, including her personal involvement in anti-Semitic pogroms and the startling revelation that Eva Braun suffered from Mayer Rokitansky Syndrome or "MRKH," the congenital absence of a functioning vagina and uterus. Written with a popular audience in mind, the present biography omits citations to authority in order to keep the book under 400 pages in length. Those who want a full academic treatment will be pleased to learn that the author's 600-page biography, replete with over 2,000 footnotes, will be published in early 2012. The author is also planning to publish an abridged version of "The Untold Story of Eva Braun" which omits much of the background information on politics and the war.

Hoeveel invloed had hij en hoe werd hij gezien door het volk? Op basis van nieuw en grondig onderzoek presenteert Clark een frisse interpretatie van deze controversiële figuur, met de nadruk op zijn dertigjarige bewind (1888-1918), het door oorlog getroffen Duitsland en zijn periode als balling in Nederland.

Evita Jan 30 2020 *Includes pictures. *Comprehensively covers Evita's life and legacy, including the ways she has been depicted in media over the last 60 years. *Includes a Bibliography for further reading. Maria Eva Duarte de Peron, known to the world as Evita, stands with Jesus Christ as a highly influential historical figure who lived only 33 years. The similarities do not end there: as Argentine novelist Tomas Eloy Martinez has observed, Evita came to "symbolize certain naive, but effective, beliefs: the hope for a better world; a life sacrificed on the altar of the disinherited, the humiliated, the poor of the earth . . . myths which somehow reproduce the image of Christ." During her life she was

elevated to the status of "spiritual leader" of her country, Argentina, and after death she was regarded there as a martyr and a saint by her many followers. A visit to the museum dedicated to Evita's legacy in the Botanico neighborhood of Buenos Aires reveals the spirit of quasi-religious devotion that surrounds her: more than simply a collection of historical displays, the museum stands as a shrine to her legacy and intends to imbue its viewers with the spirit and beliefs of the deceased First Lady. In one of the rooms, the visitor stands in the presence of one of her most famous dresses in a centrally placed glass case, with the scent of roses artificially pumped into the air. Like many of the other objects, the dress is presented much as were the relics of medieval saint. Evita's tomb in the same city's Recoleta cemetery, constantly garlanded with fresh bouquets and notes of gratitude from pilgrims who have come to pay their respects, provides further evidence of her revered presence in Argentine culture. At the same time, the presence of the major artifacts of Evita's person in these particular locations is also ironic and revealing of the great social divisions over which she presided. Botanico is a prestigious and wealthy neighborhood, and the Recoleta is the burial place of Argentina's oligarchy; Eva Peron prided herself on having antagonized and earned the hatred of precisely these social classes. Over 50 years after her death, Peronism, the political philosophy devised by her and her husband Juan Domingo Peron, remains a potent force in Argentine politics (the current president identifies herself closely with the Perons and their legacy), but it also continues to inspire deep enmity. While a large portion of the country sees Evita as a symbol of national pride, there is also a significant sector that sees her as an impostor and a demagogue whose brilliant but irresponsible manipulation of mass politics helped sink the country into chaos. Whereas some controversial political figures tend to become more broadly and neutrally admired as the distance from their lifespan grows, within her own country Evita remains as much a lightning rod as ever. Since her death, the mythology and legend of Evita have grown monumentally. Though millions worshipped Eva, who nearly became the Vice-President of Argentina before her premature death, opinions of her still vary between two extremes. While some think of her as an angelic woman who sought to uplift women and the poor, others view her as a self-serving, egotistical, and embittered woman who used sex to rise up Argentina's social and political ladder and seek vengeance on the upper classes. Evita: The Life of Eva Peron humanizes the youngest of 5 siblings who once had more modest ambitions as Eva Duarte, and it explores the mythology and legacy that have grown around Evita, examining her representations in literature, film, and theatre to uncover the truth behind her enigmatic existence.
