Phonics Oct 16 2021 The finely levelled Progress Books provide focused practice of reading sounds and words, including nonsense words, matched to a child's reading level. They provide a great way of allowing children celebrate their day-by-day success and for you to track their progress. The nonsense words prepare the child to read longer words that contain syllables that are in fact nonsense words, e.g. fan tas tic. Asking a child to read nonsense words also ensures that they are not guessing words and will build their confidence in their wider reading and in the Phonics Screening Check. Progress Book 1 covers: Speed Sounds Set 1, sound blending and the Ditties. Progress Book 2 covers: Speed Sounds Set 2, Green and Purple Storybooks. Progress Book 3 covers: Speed Sounds Set 3, Pink, Orange and Yellow Storybooks. Progress Book 4 covers: Blue and Grey Storybooks. The Progress Books are part of the One-to-one Phonics Tutoring Kit which is part of the wider Read Write Inc. Phonics programme, developed by Ruth Miskin. The programme is designed to create fluent readers, confident speakers and willing writers. It includes Handbooks, Sounds Cards, Word Cards, Storybooks, Non-fiction, Writing books and an Online resource. Read Write Inc. is fully supported by comprehensive professional development from Ruth Miskin Training.

Beating Bureaucracy in Special Educational Needs Sep 15 2021 Are you overwhelmed by the amount of paperwork that SEN generates in your school? Would you like to spend more time actually improving the quality of teaching and learning for pupils with SEN or disabilities? If so, this is an essential book for you. Containing practical strategies for reducing the number of individual education plans and review meetings, 'Beating Bureaucracy' will help you to use existing systems for target setting, recording and planning - personalised systems that are used for all children as part of everyday teaching practices. The book showcases the work of four schools that have successfully developed ways of planning provision, working with parents, and supporting staff development. Ready-to-use proforma in the book are also available online, and include: a model policy to give to Ofsted to explain why the school does not use IEPs an information sheet for parents curriculum planning formats strategy sheets that can be highlighted and given to class and subject teachers proformas for commonly used interventions that describe the intervention, its target group, its entry and exit criteria, a monitoring and evaluation arrangements. This invaluable resource will help you (in the words of one SENCO) 'get your life back'. Adopting the new and more effective ways of working presented here will reduce the bureaucratic burden on your school - whilst at the same time improving the impact of your SEN provision on children's learning and well-being.

RWI Level in Schools: Although these books have been created for the home market, they have been written to Purple Level of the RWI school books. The creator of Read Write Inc., Ruth Miskin, is currently involved in a series of nationwide training programmes for primary schools, commissioned by the UK government's Department for Education and Skills.

Teaching Systematic Synthetic Phonics in Primary Schools Sep 03 2020 The government prioritizes systematic synthetic phonics as a key strategy in the teaching of reading. This core text is your guide to teaching systematic synthetic phonics in primary schools. The book's balance of research and practice and its focused approach enables you to develop an in-depth understanding of what works in phonics teaching, and why. It begins with the systematic knowledge that underpins effective teaching and goes on to explore pedagogy from the early years to Key Stage 2. It includes guidance on systematic progression, intervention and multi-sensory and interactive methods. This 4th edition includes a new section 'Challenges in learning and teaching phonics' supporting you to meet the individual needs of children.

Portrait Photography Oct 24 2019 In Portrait Photography: From Snapshots to Great Shots, author and photographer Erik Valind shows you how to get the best shots of your subjects—whether you're in a studio or outdoors, at a family get-together, or at a formal event. Starting with the fundamentals of portrait photography, including how to select the right camera settings and lenses and how to compose your shots, Erik covers building a rapport with your subject, and offers suggestions for poses that flatter your subject to achieve great shots. He then addresses the problems and opportunities of both natural and indoor light, offering ways to resolve lighting challenges of both, showing when and how to use a flash and how to add and modify light to improve the quality of your images. Finally, he walks through several portrait scenarios, including creating single-person shots such as headshots and environmental shots, and group shots such as family and wedding photos. Follow along with Erik and you will: Learn the basics of capturing great portraits, such as focusing on the eyes, stepping back and zooming in, and turning your subject into the light Evaluate focal length, compression, and working distance to select the best lens for any given shoot Establish trust with your subject and provide helpful direction and feedback so they feel at ease and look their best Address challenges associated with natural light such as shade and direct light—and tame or redirect the light for improved photographs Improve the light with modifiers and other helpful tools such as strobes, umbrellas, and reflectors Go "behind the scenes" and walk through the process of creating great portraits with two chapters of start-to-finish examples Beautifully illustrated with large, vibrant photos, this book teaches you how to take control of your photography to get the portraits you want every time you pick up your camera.
