True Blue Sep 16 2021 True Blue is a beauty, a dappled gray, and when Abby gets to take him to her family's ranch, she can hardly believe her luck. The horse needs a home: his owner—a woman brand new to the riding stable—was tragically killed in a car crash and no one has claimed him. Daddy is wary, as always. But Abby is smitten. True Blue is a sweetheart, and whenever Abby calls out, "Blue, Blue, how are you?" he whinnies back. But sometimes True Blue seems . . . spooked. He paces, and always seems to be looking for something. Or someone. Filled with riding scenes and horse details, this newest middle-grade novel from a Pulitzer Prize winner offers a mysterious and suspenseful almost-ghost story.

Hen's Teeth and Horse's Toes: Further Reflections in Natural History Sep 23 2019 "Lively and fascinating. . . . [Gould] writes beautifully about science and the wonders of nature."—Tracy Kidder Over a century after Darwin published the *Origin of Species*, Darwinian theory is in a "vibrantly healthy state," writes Stephen Jay Gould, its most engaging and illuminating exponent. Exploring the "peculiar and mysterious particulars of nature," Gould introduces the reader to some of the many and wonderful manifestations of evolutionary biology.

[Horses That Saved Lives](#) Dec 19 2021 There is no denying that the emotional bond between horses and the humans who love them can reach mystical proportions, and nowhere is that relationship more evident than in these twenty-four true-life accounts of horses rescuing people. Many of the stories recount incidents where death or physical injury was imminent and only because a horse intervened are the narrators alive to tell the tale. Other chapters describe that other plane of salvation where contact with a horse through ownership, employment, or a variety of therapeutic programs has restored mental health, peace of mind, and self-esteem. Narrators include a seventeen-year-old Apache youth whom a horse-rescue project retrieved from drug abuse; a mother

whose young son was about to be dragged to his death before the horse recognized the child's plight; a Vietnam veteran with post-traumatic stress disorder whose work with horses keeps him on an even keel; and the owner of a Miniature Horse that serves as a "seeing eye" guide animal. As varied as the stories are, all share the same conclusion: "My horse saved my life."

The Little Horse True Story Jan 20 2022 The writer tells through the book how fundamental is the relationship between horse and the person who cares for it, empathetic, deep, joyful, ethological.... He describes with his heart the true story of his four horses, telling a tragic real event full of despair and anguish. On that tragic day, August 16, 2020, we found our beloved horse, agonizing and cut deeply in his limbs, lying in his paddock. His friend was beside him in despair. Who made him like that? I'll wait for you....

Homesick Horse Jun 20 2019 In *Homesick Horse*, Winnie's Aunt Betty comes to stay, bringing her barn sour horse. Buck is too anxious to spend much time outside the barn, always running for home at the first chance. Winnie takes on the challenge of helping Buck acclimate to being outdoors. But Winnie herself is anxious about leaving home to go to Tamson's sleepover, while Aunt Betty misses her home in California. Winnie and Aunt Betty both learn that they are at home with Jesus, wherever they are. Winnie: The Early Years is a prequel series to the popular Winnie the Horse Gentler series by the same author. Winnie: The Early Years takes place on the same ranch and even includes Winnie's mother (who passed away in the original series). The hope is that young readers will enjoy Winnie's early adventures and as they grow up, they'll advance to reading the original series.

Horse Mar 22 2022 "Brooks' chronological and cross-disciplinary leaps are thrilling." —The New York Times Book Review "Horse isn't just an animal story—it's a moving narrative about race and art." —TIME A discarded painting in a junk pile, a skeleton in an attic, and the greatest racehorse in American history: from these strands, a Pulitzer Prize winner braids a sweeping story of spirit, obsession, and injustice across American history Kentucky, 1850. An enslaved groom named Jarret and a bay foal forge a bond of understanding that will carry the horse to record-setting victories across the South. When the nation erupts in civil war, an itinerant young artist who has made his name on paintings of the racehorse takes up arms for the Union. On a perilous night, he reunites with the stallion and his groom, very far from the glamor of any racetrack. New York City, 1954. Martha Jackson, a gallery owner celebrated for taking risks on edgy contemporary painters, becomes obsessed with a nineteenth-century equestrian oil painting of mysterious provenance. Washington, DC, 2019. Jess, a Smithsonian scientist from Australia, and Theo, a Nigerian-American art historian, find themselves unexpectedly connected through their shared interest in the horse—one studying the stallion's bones for clues to his power and endurance, the other uncovering the lost history of the unsung Black horsemen who were critical to his racing success. Based on the remarkable true story of the record-breaking thoroughbred Lexington, *Horse* is a novel of art and science, love and obsession, and our unfinished reckoning with racism.

Bloodlines Jul 02 2020 The riveting and suspenseful account of two young FBI agents in a pursuit of a drug cartel's most fearsome leader, Miguel Treviño Drugs, money, cartels: this is what FBI rookie Scott Lawson expected when he was sent to the border town of Laredo, but instead he's deskbound writing intelligence reports about the drug war. Then, one day, Lawson is asked to check out an anonymous tip: a horse was sold at an Oklahoma auction house for a record-topping price, and the buyer was Miguel Treviño, one of the leaders of the Zetas, Mexico's most brutal drug cartel. The source suggested that Treviño was laundering money through American quarter horse racing. If this was true, it offered a rookie like Lawson the perfect opportunity to infiltrate the cartel. Lawson teams up with a more experienced agent, Alma Perez, and, taking on impossible odds, sets out to take down one of the world's most fearsome drug lords. In Bloodlines, Emmy and National Magazine Award-winning journalist Melissa del Bosque follows Lawson and Perez's harrowing attempt to dismantle a cartel leader's American racing dynasty built on extortion and blood money. With extensive access to investigative evidence and in-depth interviews with key players, del Bosque

Children are entertained with the coolness factor of the discovery book plus they learn some new and a little bit harder to retain facts simultaneously with the cool stuff and this is how the child is going to retain all of the information.

Rough Magic Oct 17 2021 "Think the next *Educated* or *Wild*. Palmer's memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale." —Entertainment Weekly At the age of nineteen, Lara Prior-Palmer discovered a website devoted to "the world's longest, toughest horse race"—an annual competition of endurance and skill that involves dozens of riders racing a series of twenty-five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re-creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior-Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, *Rough Magic* captures the extraordinary story of one young woman who forged ahead, against all odds, to become the first female winner of this breathtaking race. "Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior-Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides." —Estelle Tang, *Elle*

Seabiscuit Nov 06 2020 From the author of 'Unbroken' - a major motion picture releasing in 2015 - this is the bestselling true story of three men and their dreams for a racehorse, Seabiscuit. In 1938 one figure received more press coverage than Mussolini, Hitler or Roosevelt. He was a cultural icon and a world-class athlete - and an undersized, crooked-legged racehorse by the name of Seabiscuit. Misunderstood and mishandled, Seabiscuit had spent seasons floundering in the lowest ranks of

racing until a chance meeting of three men. Together, they created a champion. This is a story which topped the bestseller charts for over two years; a riveting tale of grit, grace, luck and an underdog's stubborn determination to win against all odds. Made into a major motion picture starring Toby Maguire and Jeff Daniels.

Our American Horse Jun 13 2021 Accurate drawings illustrate this engaging history, which ranges from prehistoric to modern times. Profiles include farm and carriage horses, thoroughbreds, ponies, mules, and trained horses in the army, circus, and elsewhere.

Molly the Pony Mar 10 2021 True story of a pony, rescued from a hurricane, who was fitted with an artificial limb after losing a leg as the result of a dog bite.

True Horsemanship Through Feel Sep 04 2020 A refreshingly straightforward and commonsense approach to better communication with your horse--and therefore, better horsemanship.

Our American Horse Feb 21 2022 "Accurate drawings illustrate this engaging history of American horses from prehistoric to modern times. In simple language, the book recounts the animal's New World origins and extinction as well as its return with the conquistadors. Profiles include farm and carriage horses, thoroughbreds, ponies, mules, and trained horses in the army, circus, and elsewhere"--

For the Love of a Horse Dec 27 2019 Favorite horse stories from one of the West's favorite writers.

The Improved Practical System of Educating the Horse May 12 2021

Miskeen Oct 29 2022 In a narrative style, tells how the circus horse Miskeen overcame the abuse of having his teeth pulled out as punishment for his mauling of a child in self-defense.

ABC - The Three-Legged Racehorse Jun 25 2022 My name is ABC, and I am a horse. When I was still very young, I approached one of the big horses to say hi, and to my surprise, he attacked me! I tried to defend myself, but he broke my leg and I could not walk. The farmer needed help, so he brought me to a nearby village. That was how I met Mr. Bert and my kids. Mr. Bert was a kind man who knew all about the proper care of animals. He and his kids brought me home, and Mr. Bert helped me get better. Eventually, I could stand and walk on all four legs. But I was not a pet. Every horse in Mr. Bert's stable had a job to do--either as a racehorse or a workhorse. To my dismay, I became a workhorse and had to carry things for the stable. This was not what I wanted. My kids had always treated me like a beautiful racehorse and would race me around the yard. I wanted to be a racehorse! One day my impossible dream came true. It was a national holiday, celebrated with dancing, delicious food, and horse racing. That year there was a shortage of racehorses, so my kids had a great idea. "Let's enter ABC!" I will never forget that day. I was so excited. And I was very proud because the children believed in me. I decided I must win the race for my kids. But could I do it? ABC's story stands as a reminder that dreams really can come true. A perfect read-along book for parents, teachers, and caregivers to show children of all ages with dreams they think cannot come true that if you work hard, and with the help of others, you can achieve most goals you set for yourself.

Horse Heroes Feb 27 2020 Tells seven stories of heroic and amazing horses.

The Brook Hill Horses Apr 11 2021 A heart warming retelling of a true story about an injured race horse and the love and hard work of a little girl that produced a triumphant team. This is one of countless success stories from Brook Hill Farm which is dedicated to the rescue, rehabilitation and adoption of horses.

Our Bonus Horse Aug 03 2020 After the loss of Race, her beloved Quarter Horse gelding, Susan, as well as her sweet mare, Baile, found comfort and healing from an unlikely therapist. He came to them in the extraordinary form of a tall, lanky, bright-eyed, dark chestnut thoroughbred named White's Bonus Time; he had more energy and personality than either of them knew what to do with. Through his endless play, extreme challenges, and kind and loving spirit, he mended their broken hearts and showed them that they could, indeed, love again. His name was providence...in this life, he is their Bonus Horse.

Words of Truth and Horses May 24 2022 Michael Bevilacqua, author of 'Beyond the Dream Horse: A

Revealing Perspective on Attaining a True Relationship' presents a compilation of articles from the first series written in 2011. Insights, facts, science about yourself and your horse. Individual, diverse articles and photos relating to real life experiences and the realisation of the beauty and mystery that have been before us all along. Do you question why some things with your horses seem not quite right? Feel like something more is out there than conventional "training" methods? Understand why in these personal and informative articles.

The Official Horse Breeds Standards Guide Jan 28 2020 This is the only guidebook collecting the official North America breed associations' standards and conformations, making it a much-needed, handy, and comprehensive reference. Like the American Kennel Club's The Complete Dog Book (now in its 20th printing), this is the book for horse breeds. For each of 118 North American breeds--from ponies and small horses to pleasure horses, draft horses, and thoroughbred racers--the massive 200,000-word guide provides an official history, detailed conformation ideals, descriptions of gait and distinctive traits, temperament, colors, and variations. Fine color photographs complete the detailed picture each entry presents. This guide is destined to become the bible of the horse world.

Horses with a Mission Aug 15 2021 With twenty-one dramatic true stories of courageous, loyal, and loving horses who found their life's purpose, this book reveals the wonders possible when both humans and horses are encouraged and allowed to follow their best instincts. The heroic equines you will meet include: Molly, a pony who survived Hurricane Katrina and the loss of a leg, who spreads her message of hope to disabled children. Her story went viral with coverage on the Internet, in the New York Times, and on the CBS Evening News. Sankofa, an Arabian stallion, who made it possible for social studies teacher Miles J. Dean to complete a cross-country journey in tribute to African American ancestors. Millions of adults and schoolchildren followed their odyssey as Miles and Sankofa made history come alive. Diana, a wild horse of the rare Gila herd, who proved to be a proud and resourceful lead mare who protected her herd and taught the great lesson of forgiveness. Butch, a retired gelding, who showed such an unswerving belief in a profoundly mentally retarded girl that he restored a mother's hopes for her child's future.

The Horse of My Heart Nov 18 2021 Few of God's creatures are as noble and soul-stirring as the horse. Even those of us who don't have horses of our own love to read inspiring stories of these beautiful, regal beasts. With contributions from well-known authors such as Lauraine Snelling, Susy Flory, Rebecca E. Ondov, Wanda Dyson, and Sarah Parshall Perry, these true stories of horses and the people who love them are sometimes touching, sometimes humorous, and sometimes miraculous. As she did in her dog and cat story collections, Callie Grant Smith has compiled another perfect read for animal lovers--time with horses as the subject.

My Blue-Ribbon Horse Jan 08 2021 #1 NEW YORK TIMES BESTSELLER November 1958: the National Horse Show at Madison Square Garden in New York City. Into the rarefied atmosphere of wealth and tradition comes the most unlikely of horses—a drab white former plow horse named Snowman—and his rider, Harry de Leyer. They were the longest of all longshots—and their win was the stuff of legend. Harry de Leyer first saw the horse he would name Snowman on a bleak winter afternoon between the slats of a rickety truck bound for the slaughterhouse. He recognized the spark in the eye of the beaten-up horse and bought him for eighty dollars. On Harry's modest farm on Long Island, the horse thrived. But the recent Dutch immigrant and his growing family needed money, and Harry was always on the lookout for the perfect thoroughbred to train for the show-jumping circuit—so he reluctantly sold Snowman to a farm a few miles down the road. But Snowman had other ideas about what Harry needed. When he turned up back at Harry's barn, dragging an old tire and a broken fence board, Harry knew that he had misjudged the horse. And so he set about teaching this shaggy, easygoing horse how to fly. One show at a time, against extraordinary odds and some of the most expensive thoroughbreds alive, the pair climbed to the very top of the sport of show jumping. Here is the dramatic and inspiring rise to stardom of an unlikely duo, based on the insight and recollections of "the Flying Dutchman" himself. Their story captured the heart of Cold War-era America—a story of unstoppable hope, inconceivable dreams, and the chance to have it all. Elizabeth Letts's message is simple: Never give up, even when the obstacles seem sky-high. There is

something extraordinary in all of us.

The Breath of Horse Crazy Apr 30 2020 Horses make Dreams. Come. True.Horses live, move, and think at the speed of trust, and unlike some people, horses can't be bought. The end of the rainbow for horse-crazy ladies is transformation; becoming more than they were alone. Horses tell you things about yourself you don't already know. Horses are as true to their nature as you are, never believing things about themselves that aren't real. "I slept on that horse, and ate breakfast, lunch, and dinner on the toy Wonder pony. When I woke out of a dead sleep I cried, because I wasn't done riding my Wonder horse. From that moment, the breath of horse-crazy was instilled in me." - Jessica Shively Until I was thirty-three years old, I kept the dream of horses alive in my heart, doing everything possible to ride, pet, talk to, or simply be near one. This book is for my sisters in the Realm of Horses, those living the dream and those still clinging to the hope that one day hers will come true. My years as an equine entrepreneur taught me lessons I couldn't learn anywhere else because each one either blessed my heart or broke it. Horse-crazy isn't a fad. It's true love. I'm so grateful to my Sisters of the Realm, generous women who share their memories and hearts with readers. Even if youth is a memory and you aren't living your horse dream yet, don't let it fade. For some the dream takes wings as a little girl and for others it arrives with wrinkles and grandchildren. Girls and horses go together like moss on a north-facing rock. Some of my sisters in the Realm of Horses come late to the party but have just as much fun. Why do women love horses? Husband, fathers, and sons try to understand us but often give up, accepting that the woman in his life was born that way and it's better to accept than resist. If you're in the sisterhood of horsewomen, I invite you to share the dream.

Horse Sense Feb 09 2021 Horse Sense provides an in-depth guide to horse care under conditions unique to Australia and New Zealand. It is written in an easy-to-read style to appeal to novices as well as experienced owners and covers all aspects of horse care and management. This new edition provides the latest information on new feeds and supplements, new techniques for gently breaking in young horses, handling difficult horses, safe riding, and treating injuries, diseases, worms and other pests. The book also incorporates the latest standards and guidelines for the welfare of horses. Features Illustrated with colour, black & white photographs and line drawings Covers all aspects of horse care and handling Includes advice on buying, selling and leasing horses Gives expert guidance on first aid, health and nutrition Discusses facilities for large and small properties Provides guidelines on transportation and welfare Looks at employment prospects and training in the horse industry

Two-Bits Dec 07 2020 They said he was not worth two-bits, a mere quarter of a dollar, but to those who came to know him he proved that he was worth far more.The Story - The life of a cavalry horse was not an easy one. Two-Bits and other horses like him shared hard service and danger with the soldiers who rode them. Those men fortunate enough to ride Two-Bits soon became aware that he was a different kind of horse, a special horse, a horse they could trust with their lives. His courage and loyalty saved his riders more than once. Soldiers of all ranks came to rely on him in times of danger. He never failed them. They never forgot him.The History - Two-Bits was a real cavalry horse. During his career he served with the Regiment of Mounted Riflemen, the Third United States Cavalry Regiment, the First Regiment of New Mexico Cavalry, and lastly as an officer's mount in the Fifth United States Infantry. With the exception of a few horses of famous generals, the service of the millions of other horses was seldom recorded unless they performed an outstanding feat. Two-Bits was an exception because he demonstrated remarkable qualities and performed amazing exploits throughout his service. His last owner, Lieutenant Charles Albert Curtis, recognized Two-Bits's special qualities and recorded his story. Few others can match it.Book Extra - Includes the original November 1889 St. Nicholas Children's Magazine Article by Captain Curtis that inspired this book.

Crazy Good Apr 23 2022 A hundred years ago, the most famous athlete in America was a horse. But Dan Patch was more than a sports star; he was a cultural icon in the days before the automobile. Born crippled and unable to stand, he was nearly euthanized. For a while, he pulled the grocer's

wagon in his hometown of Oxford, Indiana. But when he was entered in a race at the county fair, he won -- and he kept on winning. Harness racing was the top sport in America at the time, and Dan, a pacer, set the world record for the mile. He eventually lowered the mark by four seconds, an unheard-of achievement that would not be surpassed for decades. America loved Dan Patch, who, though kind and gentle, seemed to understand that he was a superstar: he acknowledged applause from the grandstands with a nod or two of his majestic head and stopped as if to pose when he saw a camera. He became the first celebrity sports endorser; his name appeared on breakfast cereals, washing machines, cigars, razors, and sleds. At a time when the highest-paid baseball player, Ty Cobb, was making \$12,000 a year, Dan Patch was earning over a million dollars. But even then horse racing attracted hustlers, cheats, and touts. Drivers and owners bet heavily on races, which were often fixed; horses were drugged with whiskey or cocaine, or switched off with "ringers." Although Dan never lost a race, some of his races were rigged so that large sums of money could change hands. Dan's original owner was intimidated into selling him, and America's favorite horse spent the second half of his career touring the country in a plush private railroad car and putting on speed shows for crowds that sometimes exceeded 100,000 people. But the automobile cooled America's romance with the horse, and by the time he died in 1916, Dan was all but forgotten. His last owner, a Minnesota entrepreneur gone bankrupt, buried him in an unmarked grave. His achievements have faded, but throughout the years, a faithful few kept alive the legend of Dan Patch, and in *Crazy Good*, Charles Leerhsen travels through their world to bring back to life this fascinating story of triumph and treachery in small-town America and big-city racetracks.

The Horse of My Dreams Jul 26 2022 Where do we turn when work is draining, a friend lets us down, or we can't take any more news stories or political controversies? We turn to animals. We watch and share heartwarming videos of animals and the people who love them. For over a decade, Callie Smith Grant has been helping people celebrate our animal friends with her delightful collections of stories, and she's back with more true stories for horse lovers. With contributions from both well-known and up-and-coming writers, this heartwarming collection is the perfect way for animal lovers to decompress and remember God's good gift to us in the majestic, calming, inspiring, and even silly horses he created. Horse owners, horse lovers, and horse dreamers will adore these uplifting true stories.
