Pure Gold Jul 30 2022 Excerpt from Pure Gold: A Choice of Lyrics and Sonnets, With an

Introduction Though but few can define the word poetry, there are even fewer who do not recognise what the word describes. A great critic has described absolute poetry as "the concrete and artistic expression of the human mind in emotional and rhythmical language." This is a true definition in an age when it is increasingly rare to find any real definition, its place being taken by descriptions of effects or causes. The words are necessary; for we cannot discard "concrete," "artistic," "emotional" or "rhythmical," concreteness, art, emotion and rhythm being notes of true poetry. Concreteness is, perhaps, the note which is least commonly realised as among the essentials of poetry, while on reflection, of course, it is clear that abstractions have no place, as such, in the poet's repertoire. With our great wealth of English poetry most of us know as much of each of the two great divisions of poetic art, the dramatic and the lyrical. Shakespeare, though he is to all ages and nations one of the greatest dramatic poets, is represented in this volume by examples of lyrical imagination. In the dramatic forms of poetry the poet does not appear; the movement unfolds itself as it were from its own inertia, inevitably. In lyrical poetry, though the matter may be objective, the method, mould, and motive are personal. Pure lyric poetry, as the name implies, has the element of music in it, the essence of song: and, in fact, it ranges the gamut of song, in its broadest sense, from the paean (the ode) to the plaint (the elegy) and the pastoral (the idyll). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Complete Lyrics of Alan Jay Lerner Mar 14 2021 Alan Jay Lerner wrote the lyrics for some of the most beloved musicals in Broadway and Hollywood history. Most notably, with composer Frederick Loewe he created enduring hits such as *My Fair Lady*, *Gigi*, *Camelot*, and *Brigadoon*. In *The Complete Lyrics of Alan Jay Lerner*, editors and annotators Dominic McHugh and Amy Asch bring all of Lerner's lyrics together for the first time, including numerous draft or alternate versions and songs cut from the shows. Compiled from dozens of archival collections, this invaluable resource and authoritative reference includes both Lerner's classic works and numerous discoveries, including his unproduced MGM movie *Huckleberry Finn*, selections from his college musicals, and lyrics from three different versions of *Paint Your Wagon*. This collection also includes extensive material from Lerner's two most ambitious musicals: *Love Life*, to music by Kurt Weill, and *1600 Pennsylvania Avenue*, which Lerner wrote with Leonard Bernstein.

Victorian Decorated Trade Bindings, 1830-1880 Nov 09 2020 This ground-breaking study deals with the creative explosions of book cover designs in Victorian Britain from 1830 to 1880. Due to new technical developments many practitioners such as Owen Jones, Walter Crane and John Leighton broke new ground in artistic styling. Edmund King, Head of the Newspaper Archives at the British Library, describes and indexes over 750 books with great detail. Many covers are beautifully illustrated in full color or b&w. This volume is an essential reference work for students of Victorian art and well as 19th-century

publishing as binding practices. Co-published with The British Library. An example of a Victorian decorated trade binding Beautifully illustrated with over 200 color & b/w book cover illustrations

The Annotated Ring Cycle Aug 26 2019 A dazzling, new translation and notes by Frederick Paul Walter spotlight the libretto, lyrics, and stage directions of Wagner's beloved The Rhine Gold, getting the most basic ingredient right: the actual story! It contains newly created graphic-novel style illustrations and full-color, classic artwork by Rackham and others.

You can change tempo and keys easily and quickly, create your own orchestration and mix, and improvise your own solos. Each pack contains 12 songs and includes complete music, lyrics, simple instructions, and performance suggestions. For use with all General MIDI keyboards and soundcards.

Patti Smith May 16 2021 In Patti Smith: America's Punk Rock Rhapsodist, musician and historian Eric Wendell delves into the volatile mix of religious upbringing and musical and literary influences that gave shape to Smith's lyrics, music, and artistic output. Wendell explores how Smith's androgynous stage presence pulled the various societal triggers, adding a new layer of meaning to popular music performance. Songwriter and singer, performance artist and poet, Smith created work that drew together biography, history, and music into a powerful collage of an artist who shaped a generation of musicians.

Culture from the Slums Apr 26 2022 Culture from the Slums explores the history of punk rock in East and West Germany during the 1970s and 1980s. These decades witnessed an

explosion of alternative culture across divided Germany, and punk was a critical constituent of this movement. For young Germans at the time, punk appealed to those gravitating towards cultural experimentation rooted in notions of authenticity—endeavors considered to be more 'real' and 'genuine.' Adopting musical subculture from abroad and rearticulating the genre locally, punk gave individuals uncomfortable with their societies the opportunity to create alternative worlds. Examining how youths mobilized music to build alternative communities and identities during the Cold War, *Culture from the Slums* details how punk became the site of historical change during this era: in the West, concerning national identity, commercialism, and politicization; while in the East, over repression, resistance, and collaboration. But on either side of the Iron Curtain, punks' struggles for individuality and independence forced their societies to come to terms with their political, social, and aesthetic challenges, confrontations which pluralized both states, a surprising similarity connecting democratic, capitalist West Germany with socialist, authoritarian East Germany. In this manner, *Culture from the Slums* suggests that the ideas, practices, and communities which youths called into being transformed both German societies along more diverse and ultimately democratic lines. Using a wealth of previously untapped archival documentation, this study reorients German and European history during this period by integrating alternative culture and music subculture into broader narratives of postwar inquiry and explains how punk rock shaped divided Germany in the 1970s and 1980s.

The Sounds of Commerce Nov 29 2019 A detailed historical analysis of popular music in American film, from the era of sheet music sales, to that of orchestrated pop records by Henry Mancini and Ennio Morricone in the 1960s, to the MTV-ready pop songs that occupy soundtrack CDs of today..

The Sound of Broadway Music Mar 26 2022 *The Sound of Broadway Music* is the first book ever written about the unsung stars of the Broadway musical whose work is so vital to each show's success. The book examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit.

Hong Kong Cantopop Jun 24 2019 Cantopop was once the leading pop genre of pan-Chinese popular music around the world. In this pioneering study of Cantopop in English, Yiu-Wai Chu shows how the rise of Cantopop is related to the emergence of a Hong Kong identity and consciousness. Chu charts the fortune of this important genre of twentieth-century Chinese music from its humble, lower-class origins in the 1950s to its rise to a multimillion-dollar business in the mid-1990s. As the voice of Hong Kong, Cantopop has given generations of people born in the city a sense of belonging. It was only in the late 1990s, when transformations in the music industry, and more importantly, changes in the geopolitical situation of Hong Kong, that Cantopop showed signs of decline. As such, *Hong Kong Cantopop: A Concise History* is not only a brief history of Cantonese pop songs, but also of Hong Kong culture. The book concludes with a chapter on the eclipse of Cantopop by Mandapop (Mandarin popular music), and an analysis of the relevance of Cantopop to Hong Kong people in the age of a dominant China. Drawing extensively from Chinese-language sources, this work is a most informative introduction to Hong Kong popular music studies. "Few scholars I know of have as thorough a knowledge of Cantopop as Yiu-Wai Chu. The account he provides here—of pop music as a nexus of creative talent, commoditized culture, and geopolitical change—is not only a story about postwar Hong

Kong; it is also a resource for understanding the term ‘localism’ in the era of globalization.” —Rey Chow, Duke University “Yiu-Wai Chu’s book presents a remarkable accomplishment: it is not only the first history of Cantopop published in English; it also manages to interweave the sound of Cantopop with the geopolitical changes taking place in East Asia. Combining a lucid theoretical approach with rich empirical insights, this book will be a milestone in the study of East Asian popular cultures.” —Jeroen de Kloet, University of Amsterdam

The Complete Book of 1930s Broadway Musicals Dec 11 2020 Despite the stock market crash of October 1929, thousands of theatregoers still flocked to the Great White Way throughout the country’s darkest years. In keeping with the Depression and the events leading up to World War II, 1930s Broadway was distinguished by numerous political revues and musicals, including three by George Gershwin (*Strike Up the Band*, *Of Thee I Sing*, and *Let ’Em Eat Cake*). The decade also saw the last musicals by Gershwin, Jerome Kern, and Vincent Youmans; found Richard Rodgers and Lorenz Hart in full flower; and introduced both Kurt Weill and Harold Arlen’s music to Broadway. In *The Complete Book of 1930s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939. This book discusses the era’s major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. It includes such shows as *Anything Goes*, *As Thousands Cheer*, *Babes in Arms*, *The Boys from Syracuse*, *The Cradle Will Rock*, *The Green Pastures*, *Hellzapoppin*, *Hot Mikado*, *Porgy and Bess*, *Roberta*, and various editions of *Ziegfeld Follies*. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and list of published scripts, as well as lists of black-themed and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1930s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

Lyrics and Ballads of Childhood May 04 2020

Body as Landscape, Love as Intoxication Apr 02 2020 Explore metaphors in the exquisite and enigmatic poetry of *Song of Songs* One of the chief difficulties in interpreting the *Song's* lyrics is the unusual imagery used to depict the lovers' bodies. Why is the maiden's hair compared to a flock of goats (4:1), the man’s cheeks likened to garden beds of spice (5:13), and the eyes of both lovers described as doves (4:1; 5:12)? While scholars speculate on the significance of these images, a systematic inquiry into the *Song's* body metaphors is

curiously absent. Based on insights from cognitive linguistics, this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean (and beyond) that shares a similar form (poetry) and theme (love). Gault presents an interpretation of the Song's body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures. Features Exploration of the Song's use of universal themes and culturally specific variations Discussion of the Song's literary structure and unity

Odes, Lyrics and Sonnets from the Poetic Works of James Russell Lowell Mar 02 2020

Lady Gaga and Popular Music Nov 21 2021 This book is a multi-faceted, interdisciplinary examination of the music and figure of Lady Gaga, combining approaches from scholars in cultural studies, art, fashion, and music. It represents one of the first scholarly volumes devoted to Lady Gaga, who has become, over a few short years, central to both popular (and, indeed, populist) as well as more scholarly thought in these areas and who, the contributors argue, is helping to shape—directly and indirectly—thought and culture both in the fields of the "scholarly" and the "everyday." Lady Gaga's output is firmly embedded in a self-consciously intellectual pop culture tradition, and her music videos are intertextually linked to icons of pop culture intelligentsia like Alfred Hitchcock and open to multiple interpretations. In examining her music and figure, this volume contributes both to debates on the status of intertextuality, held in tension with originality, and to debates on the figuring of the sexualized female body, and representations of disability. There is interest in these issues from a wide range of disciplines: popular musicology, film studies, queer studies, women's studies, gender studies, disability studies, popular culture studies, and the burgeoning sub-discipline of aesthetics and philosophy of fashion.

Aphoristic Modernity Feb 22 2022 The collected essays of *Aphoristic Modernity: 1880 to the Present* showcase aphoristic and epigrammatic writing as both a reflection of, and influence upon, the fragmented culture of modernity from the late nineteenth- to the twenty-first century.
