The Million Dollar Duchesses Aug 18 2021 On 6 November 1895 Consuelo Vanderbilt married Charles Spencer-Churchill, 9th Duke of Marlborough. Though the preceding months had included spurned loves, unexpected deaths, scandal and illicit affairs, the wedding was the crowning moment for the unofficial marriage brokers, Lady Minnie Paget and Consuelo Yzanga, Dowager Duchess of Manchester, the original buccaners who had instructed, cajoled and manipulated wealthy young heiresses into making the perfect match. Fame, money, power, prestige, perhaps even love – these were some of the reasons for the marriages that took place between wealthy American heiresses and the English aristocracy in 1895. For a few, the marriages were happy but for many others, the matches brought loneliness, infidelity, bankruptcy and divorce. Focusing on a single year, The Transatlantic Marriage Bureau tells the story of a group of wealthy American heiresses seeking to marry into the English aristocracy. From the beautiful and eligible debutante Consuelo Vanderbilt, in love with a dashing older man but thwarted by her controlling mother, Washington society heiress Mary Leiter who married the pompous Lord Curzon and became the Vicereine of India, Maud Burke, vivacious San Francisco belle with a questionable background, this book uncovers their stories. Also revealed is the hidden role played Lady Minnie Paget and Consuelo Yzanga, Dowager Duchess of Manchester, two unofficial marriage brokers who taught the heiresses how to use every social trick in the book to land their dream husband. The Transatlantic Marriage Bureau dashes through the year to uncover the seasons, the parties, the money, the glamour, the gossip, the scandal and the titles, always with one eye on the two women who made it all possible.

Train Your Brain Jul 05 2020 "Using Train Your Brain, in two years, I've gone from zero to a million dollars a year in my business and paid off \$30,000 in debt!" – Sarah Thomas, Basehor, KS When Dana Wilde began her direct-sales business, she realized that education for entrepreneurs typically consisted of endless "how-to" explanations: how to market, how to pick up the phone, how to manage your time, how to increase bookings or sales. There always seemed to be a new system to learn, a new surefire method or cutting-edge technique for entrepreneurs to master. In an effort to teach her team members a better and easier way, Dana Wilde created Train Your Brain, a tested and proven system combining elements of both mindset and action ... or as Dana likes to call it, Intentional Action. What Dana discovered by using Train Your Brain is that mindset can be "taught" and that learning simple mindset strategies not only allows you to understand how the brain works but also shows you how easy it is to change your thinking and, as a result, change your outcomes. In Train Your Brain, Dana breaks down the Cycle of Perpetual Sameness—the number one reason why most people only experience incremental change in their lives. More importantly, she also provides the much-needed blueprint to help you get off this counterproductive cycle quickly. Train Your Brain, with its twenty easy-to-implement "Mindware Experiments," gives you all the necessary tools needed to get off ... and stay off ... the Cycle of Perpetual Sameness, so you can transform your life and grow your business in record time!
