**Sensate Focus in Sex Therapy** 28 2022 Sensate Focus in Sex Therapy: The Illustrated Manual is an illustrated manual that provides health professionals with specific information on the use of the structured touching opportunity by sexologists to address their clients' sexual difficulties (Sensate Focus 1) and enhance intimate relationships (Sensate Focus 2). This book is the only one to vividly describe and illustrate the specific steps of activities involved in Sensate Focus; emphasize the purpose of Sensate Focus as a mindfulness-based practice; and distinguish between the purposes of Sensate Focus 1 and Sensate Focus 2. Through the use of artful drawings and photographs, a manual engages mental health and medical professionals and their clients by appealing to both the visual and the analytical. It discusses how modifications to Sensate Focus can be applied to diverse populations, such as LGBTQ+ individuals, disabled, trauma survivors, and those with challenges such as Autism Spectrum, anxiety, and depression. The book also offers suggestions for dealing with common client difficulties such as avoidance, confusion, and goal direction. A comprehensive approach to Sensate Focus will remind readers of the beauty and power of touch while offering suggestions for moving from avoidance to sensory transcendence.
