Me, Myself, Christine Sep 20 2021 Andrew Stephens takes us on the journey of his life from confused childhood to traumatic teens and on to the years of adulthood - all of them while wanting to wear diapers and to be a baby girl. We join with him as he discovers his inner infant, his inner girl and his inner identity, as he struggles to make life work for him, while his turmoil within causes tension and frustration. We also meet Emily, the sissy baby just like him as they share part of the journey together. It is the story of many of us who have lived with this unusual desire and need on the journey towards happiness and satisfaction - a journey of many ups and downs and more than a few mistakes. Andrew's wonderful take on the ABDL Journey of Life will resonate with many. NOTE: This is the original 'nappy version' and is also available in a 'diaper version' - [Discovering Baby Christine](#)

I Hated Diapers Sep 28 2019 Forced to wear a diaper due to an infection, Peter decides he needs to continue to wear them after the all clear from the doctor. He joins a chat line for diaper wearers to find a girlfriend who will not worry about him wearing a diaper and meets Debbie. They become an item and eventually have 4 children. Debbie likes to put Peter under hypnosis and give him baby time to relax him after a heavy day working as an apprentice electrician. Peter loves his baby time, especially as his children grow up and he plays with them as their equal. They have two male friends; David and Jason who also are diaper wearers, but after being attacked, Jason develops serious problems and David becomes his carer. Jason does not like having to be cared for and loops an hypnotic tape to make him an adult baby 100% of the time. David tries to reverse the hypnosis but Jason becomes dangerous and violent, and David has no choice but to commit him to a mental hospital. The story is about the life of Peter as a diaper wearer and Debbie and their 4 children. It is also about Jason and David and the problems of taking hypnosis too far.

The Age Play and Diaper Fetish Handbook Aug 20 2021 Penny Barber has put her years of experience as a diaper fetish model, AB/DL switch, and professional Mommy into *The Age Play and Diaper Fetish Handbook: The Ultimate Guide to the World of AB/DL*. It is the first complete resource for anyone who wants to know about the world of age players and diaper lovers. Perfect for professional players, the partners of AB/DLs, and AB/DLs themselves, The Handbook is packed with practical tips on everything from choosing the perfect diaper to administering AB/DL punishments to the best regression methods.

Caillou, No More Diapers (Board Book Edition) Apr 27 2022 New board book format! Caillou no longer wants to wear diapers - even at night. Caillou knows now when he has to use the potty. Very soon, he hopes to use the big toilet and to no longer wear diapers at night. A parent's wish to have their child totally potty trained is not necessarily in line with the physiological capacities of their child. This book helps to understand that it is not

parents who potty train their child but rather the child who does it on their own.

I Left My Prostate in San Francisco—Where's Yours? Dec 12 2020 Rick and Brenda's lives were changed forever when Rick went to the doctor to get a prescription refill. The doctor unexpectedly decided to perform a prostate exam. When he did, he felt a suspicious lump. Weeks later, a biopsy confirmed that Rick had prostate cancer. As a couple, they found their lives changed in unexpected ways following robotic surgery. They decided to share an intimate glimpse into their lives after surgery so other couples would be more prepared than they were. If you are thinking about surgery, or if you just had surgery, you will want to read about their experiences and the life lessons they learned along the way.

Pirates Don't Change Diapers Dec 24 2021 Braid Beard and his pirate crew return to retrieve the treasure they buried in Jeremy Jacob's backyard, but first they must help calm his baby sister, Bonney Anne, whom they awoke from her nap. By the creators of *How I Became a Pirate*. 150,000 first printing.

A Holiday in Diapers (ABDL, Age Play, Diapers, Forced, Humiliation, Regression, Spanking) Jan 31 2020 Baby toys, bottles, bibs. Even nice thick diapers. It's all under the Christmas tree and waiting to be opened. But the presents aren't for a tiny toddler this year. They're for Jessica, a college co-ed with a secret she never thought her fiancé Nick would discover. Her secret is out, and as soon as the presents are opened, Nick plans to put his lover back into diapers. He'll treat her like the baby girl she secretly wants to be. In a onesie and a diaper, he'll make Jessica crawl around the house. He'll feed her like a baby. He'll change her when she's wet, and he'll even punish her when she needs it. Now Nick is enjoying Jessica's little secret too. And by the end of it all, his new little girl might find herself in diapers for more than just the Holidays!

Living Happily As An Adult Baby Jan 01 2020 Understanding. Knowledge. Insight. It is the goal of most people and humanity in general to understand and to gain knowledge. To understand our natural world. To understand space. To understand those things so tiny we can never see them. We want to understand what other people are saying, insight into what they are feeling and what makes them tick. For most people, it is natural to want to understand more about a wide variety of topics and disciplines. Perhaps the most important understanding of them all is the knowledge of self. Adult babies have traditionally not fared well in the area of understanding of ourselves. The few professional attempts to explain ABDL behaviour and thinking have been less than helpful and often insulting and deeply offensive. Being described as a paraphilia alongside and adjacent to paedophilia and other serious disorders has been the nightmare that has haunted the community for a generation. Slowly however, the light has been dawning on the extraordinary world of the adult baby. The first step was the recognition that being an adult baby is no mere affectation, fetish or odd choice of behaviour. It was the understanding that the baby self is a genuine and subjectively real identity. Not a thing, not a concept or a feeling, but an identity. A few professionals have belatedly drifted onto the scene and made a few inroads, but they have been well behind the small group of hard-working ABDLs themselves who have sought to build a body of understanding on who we are. Knowing who we are is the key to success, happiness and the ability to move forward. The works of B. Terrance Grey, Rosalie and Michael Bent led the way to building an intellectual basis of understanding of who Adult babies are. Then came Dylan Lewis, whose canon of work in this area has no peer. This new book - *Living Happily as an Adult Baby* - makes a promise in its title that is almost obscene in its arrogance. Adult Babies have often struggled with the power of their baby identity and happiness - especially long-term happiness - has often eluded them. This work is commended to all adult babies, their family and friends as it seeks to further humanity's understanding of this most complex identity structure. *The Adult Baby*.

Ultimate Blogs Jan 13 2021 "What are you working on?" "An anthology of blogs." "I didn't know you had a blog." "I don't. It's an anthology of other people's blogs." "How do you find good blogs?" "I read. I surf. I look at blog contests. I follow links. I ask people about the blogs they like." "Is a good blog hard to find?" "Yes. Very." *A Book of Blogs? WTF!!* Sarah Boxer, a former New York Times reporter and critic, travels through the blogosphere (more than 80 million blogs — and counting) and finds some masterpieces along the way. Among the bloggers in the anthology are: two fashion critics mocking the inexplicable "fugliness" of celebrities a Marine Corps lieutenant stationed in Fallujah in 2006 a 19-year old student in Singapore cheerfully pining for her ex an illustrator's tiny saga of a rodent and his ball of crap Odysseus's sidekick telling his side of the Iliad and Odyssey Revealing and deceptive, grand and niggling, worldly and parochial, these blogs comprise a snapshot of life on the wild, wild Web.

The Panty Princess May 17 2021 *The Panty Princess* is a humorous, light-hearted story about a young princess who, from the moment she is born, loves to wear diapers. Eventually, though, after noticing that none of her peers are wearing diapers anymore and after receiving a pretty panty present from the Queen, the Princess begins her own royal diaper-to-panty transition. With its fusion of reality and fanciful imagination, *The Panty Princess* will not only entertain children but will also motivate and inspire them, especially all those little girls who love princesses and pretty panties, to make their own diaper-to-underwear transition smooth, fun, and timely!

Monkeys Don't Wear Diapers Oct 10 2020 Polly Schultz tells the stories of a special group of monkeys who have come to OPR Coastal Primate Sanctuary.

Do You Wear Diapers? Jun 29 2022 Various animals answer the question, "Do you wear diapers?" by telling where they "poop."

The Epitome of Love Jul 27 2019 Two Boys. One Innocent Secret. An Amazing Friendship. Robin Bailey appeared to be a regular high school Senior. He had amazing grades, he was well liked among his teachers, and he loved to hang out with his friends, specially his best friend Carter. But Robin had a secret that made him feel like an outsider sometimes: He was an Adult Baby. He liked to wear diapers and pretend he was a one year old baby. He carried that shame for his entire life, never telling anyone who he really is. Carter Blake was popular and part of the school's swim team, but he never cared for popularity a lot. All he knew was he had a best friend, Robin, who he loved like no one in the world. However, Carter can't keep pretending he doesn't

notice how his best friend acts weird, detached and sad in the most unexpected moments. He knows Robin is keeping a secret, but he doesn't know what it is. The Bailey family was very close to one another. However, Robin could never tell his parents or sister about his desires of being a baby and wear diapers. He thought they would disown him. It is until one little slip up reveals an adult diaper to Robin's sister in his room that the life of Robin, Carter, and the Bailey family changes forever...

From Boy to Sissy Baby Aug 08 2020 The Sissy Baby is an incredibly important and common aspect of ABDL life. These four novels are not books that are a full-on sissy extravaganza from the first word until the last. They are - like in real life - a step-by-step journey that follows the story of a young man who finds femininity erupting in his life, just as infancy is also developing. The twin aspect merge and a sissy baby is formed. And in every case, the sissy baby needs to find a life where they are able to live, develop, grow and be part of a relationship that works and matters. I hope you enjoy these four novels as much as the authors enjoyed writing them and it is worth remembering that while they are fiction, they do represent part of the canvas of real life and some scenes are based in part on actual events. Enjoy your travels through the world of the sissy adult baby.

Coffee with Rosie Nov 03 2022 Discovering that your partner likes to wear diapers or even to dress-up and play as a baby can be a very difficult issue to deal with. Both partners come from opposite sides of the debate and finding compromise or even just understanding, can be very problematic. Some relationships have even foundered because of it. To most people, it is incomprehensible and foolish! Rosalie Bent's latest book - Coffee with Rosie - is a conversational style discussion about the issues YOU face and how to help you deal with them. Written by a woman whose own husband is a diaper-wearing Adult Baby, she has the skills and the experience to guide you through this very private and frustrating problem. Come and share seven 'Coffees with Rosie' as she explains her journey and gives you the clues to navigate your own.

Diapers Are Not Forever Jun 17 2021 Explains in simple text and illustrations why and how to use a potty, and that diapers are not forever. On board pages.

The ABC of Baby Women Apr 15 2021 Ben and Melinda are a happily married couple who have a secret they wish to share. Melinda is a baby. In this book they share their own story of how they came to be not just husband and wife but also daddy and infant daughter. Understanding that baby girls and baby boys are very different and that the adult version is even more so, the book offers suggestions and a pathway to a satisfying relationship as both adults and as a baby. Coming from a history of bedwetting, Ben was very familiar with diapers, but had to learn a lot about a woman who was also familiar with them, but for a very different reason. Share their journey, learn from their expertise and perhaps replicate it in your own relationship. A truly wonderful and inspiring book.

Caillou Feb 23 2022 Caillou decides he is too old to wear diapers, so he learns how to use the potty like a big boy.

When Husbands and Wives Become Parent and Child - North American Diaper Edition Feb 11 2021 Maggie Joyce, author of 'The Fulltime, Permanent, Adult Infant' writes of relationships where the adult relationship is partly or significantly replaced by a parent/child one. That 'child' could be an older preschooler or a toddler or even a baby right down to almost newborn. For most adult babies, their regression is limited and more under control, but for some, it is so significant and long-lasting that it creates a permanent change in the relationship paradigm. This book has case studies on other couples that have embraced - willingly or not - varying aspects of the parent/child relationship. She then gives some clues and advice on taking some of the angst out of relationships where one is an adult baby and the other is struggling to handle it.

There's Still A Baby In My Bed! May 05 2020 "There's still a baby in my bed!" is the second, expanded, and updated edition of the ground-breaking 114,000 word book designed to help couples find a way to integrate the Regressive Adult Baby into their relationship. It is the ideal companion volume to the Discovery Sessions available also on this site. Is your partner an Adult baby? Do you find diapers hidden in odd places and don't know why? Does your spouse want to play with children's toys or dress in baby clothes? These and other such questions are all answered in the second edition and expanded version of Rosalie Bent's breakthrough book: *There's a baby in my bed!* For everyone concerned, either being an adult baby or living with one can be exceedingly difficult. There are multiple pitfalls and difficulties, all of which are compounded by the virtual absence of any factual experienced information on the topic. This second edition adds nearly 100 new pages and the wisdom and knowledge of the world's leading researchers into Adult Baby issues - Rosalie and Michael Bent. Offering more than facts and figures, this book lays out a pathway for developing the most unique relationship that any couple can have - the 'Parent/Child Relationship'. Come on the journey of a lifetime and discover how to handle the baby that is still in your bed!

Potty Training for #NewBorn Superheroes Nov 30 2019 Are you sick and tired of changing diapers all day? Do you find yourself longing for the days that you no longer have to cart around the hefty, overstuffed diaper bag and the bag of wipes that always seems to be on the verge of running out? If you are the parent of a NewBorn Superhero that is still in diapers and you are ready for the freedom that potty training can offer you, then this is the book for you! Why? Because this book goes beyond the typical potty training guides available in that in addition to the step-by-step guide, that will walk you through the process of potty training in less than 72 hours. It also includes crucial information and insight into the physiological and psychological processes that our children are going through as they make the leap out of their diapers and on to the toilet! Toddlers are wired differently than adults and tapping into this toddler psychology will give you the advantage as you enter into this process with your little one. You will see how much simpler and stress-free this experience can be when you and your child work together as a team! Potty training shouldn't be a battle! With the information found in this book, your experience will be less fight and more teamwork as you carefully follow the steps outlined in this easy to understand and follow guide. If you want to learn the best way to Potty Train your little genius... Scroll up the page, Click the Buy Now button to Grab Your Copy Now and the results will leave all your friends asking you, "How do you make it look so easy?"

Coffee With Rosie: Why Does My Partner Want to Wear Diapers Oct 02 2022

Samantha's New Brother Mar 15 2021 Edward's world has fallen apart. Marriage failed. House lost. Career in deep trouble. Now he has to find a place to live while rebuilding his shattered life. That is when he rents a room in the household of the old-fashioned Mrs King. Mrs King has a daughter - Samantha - with some deep developmental issues who at age 21, still lives in the world of a five year old. Can Edward be of any help and if so, how? Would becoming her younger brother, wearing diapers and plastic pants and drinking from a bottle help? This wonderful AB/DL story is full of fun and enjoyment as Edward discovers who he really is inside as he becomes a 'Samantha's New Brother'.

Being an Adult Baby Jun 05 2020 Being an Adult Baby can be both a wonderful experience and deeply frustrating one. We want what we cannot have and we often find controlling this drive a difficulty. This book is a collection of 31 essays, articles and stories from a handful of ABDL authors whose knowledge and experience helps us all. If you wear nappies/diapers a little, a lot or constantly, this book can be a guide. If you want to be a baby a little, a lot or constantly, it can help you understand more about it. And for all of us, this book offers not just understanding, but some practical tips and helps on living life as an Adult Baby. We all know it can be a hard deal at times, but at others, we are blessed we reliving infancy while the rest of the world is blissfully ignorant of the wonders of babyhood. We are very special and we are very different and so, we need our own guide books to help us on the way. This is one such book.

The Story of Sakura Mar 27 2022 Kita Sparkles brings us the complete four-novel story of Sakura and her friends. Sakura is a young Japanese-American girl who has always wanted to remain as a baby in diapers, sleeping in a crib and using a pacifier. This book is the story of her life from a young girl through school and into College. Along the way she meets friends who are either like her or accept her as a 'still-baby' along with adults who accept her and help her live her life to the full. It is a wonderful book that many of us can relate to and most would wish our families had been as accepting of the deep desire to be a baby again.

Ducklings don't have to wear diapers Sep 01 2022 Every young child is eager to grow! This charming book nicely presents a little girl showing others how proud she is of growing up as she goes through her daily routines, waking, dressing, eating, etc. all by herself. It's a book about growing independence, self-esteem and self-confidence. The book's colorful illustrations are a joy to behold, and the text has a rhythm and rhyme that makes it easy for early learners to follow along. Visit www.languages4kidz.com for FREE Online Interactive activities for this book.

A Mother's Guide To Diapered Teens May 29 2022 A Book about Discovering that your teenager is wearing diapers; "When my six-year-old son came to me and asked if he could wear diapers again I smiled, said no, and life went on. When my ten-year-old son once again asked if he could wear diapers despite the fact he hadn't wet his bed since he was 4, I again said no and moved on, thinking nothing about it. When I found wet diapers in my thirteen-year-old son's bedroom, I realized there was a problem to deal with. My first decision was to panic. My second was to seek a therapist. When that was useless, I decided to seek real information - and I found it. This book is part our journey and part guidebook for other mothers (and fathers) who may be facing a similar situation. I hope it helps."

Fear and Joy: Nov 10 2020 We all have a tale to tell about how we started wearing nappies (or diapers!) and each tale is different. There are varying themes, but there is the one consistent one that nappies 'called to us' when we were young and that attraction grew to become a 'siren call'. We were helpless in the embrace of that cloth nappy or plastic disposable that for reasons we didn't understand - and maybe never did - drew us to wear and wet them. For some, it was part of wanting to be a baby again and for others, a response to extended bedwetting. For others still, it was just the nappy; just the feel of its comfort and security. As children, these feelings are tough to handle, never-mind understand. Adults don't understand and most react badly... or worse. This 60,000 word, illustrated book is the story of one UK boy growing up in the 70s and 80s as a late bedwetter whose attraction to nappies has remained to him up until this day.

Advances in Human Aspects of Transportation: Part III Oct 29 2019 Human Factors and Ergonomics have made a considerable contribution to the research, design, development, operation and analysis of transportation systems which includes road and rail vehicles and their complementary infrastructure, aviation and maritime transportation. This book presents recent advances in the Human Factors aspects of Transportation. These advances include accident analysis, automation of vehicles, comfort, distraction of drivers (understanding of distraction and how to avoid it), environmental concerns, in-vehicle systems design, intelligent transport systems, methodological developments, new systems and technology, observational and case studies, safety, situation awareness, skill development and training, warnings and workload. This book brings together the most recent human factors work in the transportation domain, including empirical research, human performance and other types of modeling, analysis, and development. The issues facing engineers, scientists, and other practitioners of human factors in transportation research are becoming more challenging and more critical. The common theme across these sections is that they deal with the intersection of the human and the system. Moreover, many of the chapter topics cross section boundaries, for instance by focusing on function allocation in NextGen or on the safety benefits of a tower controller tool. This is in

keeping with the systemic nature of the problems facing human factors experts in rail and road, aviation and maritime research- it is becoming increasingly important to view problems not as isolated issues that can be extracted from the system environment, but as embedded issues that can only be understood as a part of an overall system.

Rosalie krijgt een mooi broekje / druk 1 Jul 31 2022

A Wet Ride in Diapers (ABDL, Age Play, Diapers, Forced, Humiliation, Regression, Spanking) Jul 19 2021 Alex and Anne have a secret they've been keeping from everyone. When the couple are alone, they like to role play. Alex becomes the Man of the House while Anne turns into Annabelle, his sweet little girl. It's naughty, dirty, exciting. And they both love it when Alex diapers Annabelle up for a day of secret fun. But when Alex wants to take their play further by getting Anne to be Annabelle outside where the whole world would see her, she doesn't know what to do. He's offering to take her on vacation, but only if she obeys his every command. And that vacation starts with a long car ride in very wet diapers if she agrees. But what she doesn't know is that Alex has more planned for his cute little girlfriend than just wearing a thick, crunchy diaper under her clothes. He has pacifiers, bottles, and even a car seat waiting for his little girl. Now all she has to do is behave, but for a naughty little girl like Annabelle, that might be the hardest thing of all on her long, wet ride in diapers...

Diaper Free Jun 25 2019 Most new parents think of diapers as a smelly, expensive, and unavoidable necessity. The good news is that it's possible—even practical—to raise your kids without diapers. In *Diaper Free!*, Ingrid Bauer shows how you can: * Save thousands of dollars * Reduce landfill waste (single-use disposable diapers are responsible for one third of the non-biodegradable waste in landfills) * Avoid diaper rash * Use the "Four Tools for Diaper Freedom" to enhance your relationship with your baby and deepen communication. Based on extensive research, case studies, and the author's own experience, *Diaper Free!* is a warm and helpful companion at every stage, from the first magical days of your baby's life, to complete toilet independence. **BACKCOVER:** "The true solution to the diaper dilemma. . . . Packed with information, examples, and support. A valuable addition to the library of any pregnant or new mother." —Teresa Pitman, La Leche League International

Babyhood Mar 03 2020

***The Adult Baby Identity - Coming Out As an Adult Baby* Jul 07 2020** Who we are and who we understand ourselves to be is of immense importance to us and yet, as Adult Babies, we are often flummoxed by that question. Why do we have these babyish feelings? Why do we wear diapers and can still access our toddler feelings and emotions? This new book by Dylan Lewis explores the psyche of the Adult Baby and how it functions and through various stages of development. If you are an Adult Baby, this book is recommended to help you understand not just who you are, but also your value and place as an AB in the world. You are not common, but you are normal. You are poorly understood by the world, but you don't need to be poorly understood by yourself.

***Cloth Diapers* Oct 22 2021**

One Week In Diapers Aug 27 2019 New author - Max Harper - brings us his superb first ABDL novel - *One Week In Diapers*. Brad and Laura's marriage is in trouble. As part of proving his obedience and commitment to his wife, Brad agrees to spending a week in diapers. As an occasional AB/DL it sounds like not that big an ask, but there is more in store for Brad than he knows. Secrets are revealed and life turns upside down as Brad spends... **ONE WEEK IN DIAPERS**

***Can You Put Diapers on a Goose ?* Jan 25 2022** While walking down the street one day, a little girl and her dad step on lots of goose poop. The girl asks her father if geese can wear diapers in order to keep the streets and grass clean. The next few questions ask if other animals, such as a dog, fish, elephant, can wear diapers too. The colorful illustrations are perfect for young minds. The words are all in rhyming patterns which add to the story. This book is a great book for early readers. The idea for the book came from the author's 3 year old grand daughter when they were walking around goose poop in the California desert. He asked this little girl if she could put diapers on these geese and the story line was born. The illustrations are very colorful and the words are presented in a rhyming pattern. This book is a great early reader book. "Can you put diapers on a fish and watch him swim around in a dish?" Seeing a fish swim with a diaper on is funny for all to see, which you do in this book. Other animals are wearing diapers as well. Children love the colorful illustrations and rhyming patterns of the book.

Slow and Steady Parenting Apr 03 2020 This groundbreaking work shows parents that following the quick fix solutions in other books may not be the way to raise well-adjusted kids. Dr. Catherine A. Sanderson explains that the road to successful parenting is slow and steady. Filled with important lessons and helpful advice in everyday situations, this book demonstrates how to: -Decrease parent-child struggles -Enhance a child's psychological and physical well-being Centered on the principle that "slow and steady wins the race," this is the perfect manual for raising children in today's world of immediate gratification.

***The Adult Baby's Guidebook* Nov 22 2021** Face it. Being an Adult Baby is tough. Even being the parent or partner to an AB is tough. People don't understand Adult Babies. What are we to do? Let this book guide you through the difficulties Adult Babies, and those who love them, face in life. Online, and even on Amazon, there is no shortage of exotic material, pictures of beautiful people in diapers, and sexy stories of age-play relationships. Yet, being an AB is difficult, strange, and confusing, and nobody ever addresses these important topics... until now. Does your child or spouse want to wear diapers? Are you having difficulty understanding your own desires to be babied? Are you curious about the AB/DL lifestyle, and want to know more? Do you have trouble "fitting in"? If you've answered "yes" to any of these questions, this is the book for you. Any Adult Baby struggling to find his or her path in life must read this book. This book will help ABs find their way in a non-AB world. This book will help parents, friends, lovers, and spouses of ABs handle the weird situation they've found themselves in. This book will enlighten the world to what it's like to be an Adult Baby, to grow up wearing diapers, and the diversity we all face in life. This is the book that I wish I, and every other AB in the world, had

at age 15, when we were just discovering who we were on the inside. The wisdom within these pages will act as a Guidebook to help us all learn the Adult Baby's worth in a world that doesn't appear to be made for us.
