Get a Life Oct 12 2020 This autobiography of John L. Bates depicts his life experiences from the 1930s to the early twenty-first century. It is intended primarily for his descendants who may be interested in the trials, failures, aspirations, and successes of their ancestor. It may also be of interest to those who recognise that reward is not a right, but the result of dedication and effort. It will describe the foundation and subsequent personal development that his life at sea, family responsibilities and struggles in political manoeuvring to reach business recognition and success all led to the creation and development of his own successful corporate identity.

Incompetence Jun 19 2021 Bad is the new good. In the not too distant future the European Union enacts its most far reaching human rights legislation ever. The incompetent have been persecuted for too long. After all it's not their fault they can't do it right, is it? So it is made illegal to sack or otherwise discriminate against anyone for being incompetent. And now a murder has been committed and our possibly incompetent detective must find out who the murderer is. As long as he can find directions to get him through the mean streets.

The Man the Martians Maddan 15 2021 No mortal had ever seen the Martians, but they had heard their whisperings - without knowing the terrible secret they kept hidden. A fantastically futuristic science fiction tale written by one of the masterminds of the genre, Frank Long!

[There's a Stinky Monster Inside My Shoes](#) Nov 24 2021 Motivated by her autistic son, Curtis, who was diagnosed with Autism at the age of four, inspired her to create this entertaining story that young readers will enjoy. Hudson believes that autistic children do have imaginations but are unable to show or talk about them. "A child with Autism has unique ways of learning and exploring the world. They have imaginations, fears, and creativity that many may not understand." The story follows the life of a young autistic boy who prefers to walk barefoot because he fears a stinky monster hides inside his shoes.

In My Shoes Aug 02 2022 What happens when adults ask teenagers what is going on in their lives and then really listen to the answers? Once the teens trust that the adults are sincere and accepting, this book is what can happen. Written by two classes of seniors at Omaha South High Magnet School with the support of 29 volunteer writing mentors, this collection of personal essays reveals some of the issues American teens face every day but often keep to themselves. These insightful students share experiences of survival, the reasons for their dreams and their secret hopes for their lives.

Take a Walk in My Shoes Jul 01 2022 Once a taboo subject, victims of rape and molestation were left without a voice with nowhere to turn and no one to help them. In Take a Walk in My Shoes, author B. J. Parker shares her personal story of being raped and molested by her stepfather at a young age. She exposes the controversial topic of molestation, its long-term adverse effects on interpersonal relationships, its role in promoting self-destructive behaviors, and the need to find control. In this inspirational memoir, Parker, now fifty-three years old, comes to terms with her early abuse and tells about taking the crucial steps needed to find her way back. Take a Walk in My Shoes narrates Parkers story and how she adopted a life of alcohol and drugs to ease the constant emotional pain and how she chose to be homeless rather than live in a dwelling that had everything, including her abuser. Her story follows her journey through childhood and as a runaway teenager, a high school dropout, and a single mother. Take a Walk in My Shoes tells how she overcame the stigma of abuse by sharing the message that successes are possible for each and every victim. Parker explains how to embrace life, believe in yourself, dig deep within your soul, and hold tight to your dreams.

When Jesus Walked a Mile in My Shoes Mar 29 2022 This is a semibiographical story of events in my life where Jesus intervened to save me from injury and death.

Death in the Polka Dot Shoes Nov 12 2020 In the small fishing village of Parkers, Maryland, on the Chesapeake Bay, there is no more independent soul than the lone oysterman or crabber who sets out every morning in pre-dawn hours to search for oyster beds or empty his crab pots. It's a harsh life. When Jimmy Shannon, a Chesapeake waterman, dies during a holiday fishing trip for Blue Fin Tuna, it's almost unbelievable. Stranger still, is his last will and testament that requires his brother Ned Shannon to give up his law practice in Washington, D.C. and return to his family's traditional life on the Bay. Neddie accepts the challenge, takes over his brother's crab boat, practices a little law on the side, and encounters the strangest string of characters in the community. The cultural changes are dramatic, especially after it's discovered that Jimmy's death was no accident. He was murdered during his encounter with the giant tuna. Neddie is forced to balance the life of a crab fisherman with a small town law practice, while aiding in the investigation of his brother's death. The murder goes from sublime to bizarre when Jimmy's body washes ashore on a Cape Hatteras beach. At the same time, Neddie discovers the passions and values his family has known for generations, and the small town relationships that give meaning to the joys of friendship. When the watermen of the community marshal their workboats to rescue Neddie, the murder mystery unravels and the heartwarming nature of the community is revealed.

My Shoes Are Killing Me Apr 29 2022 Winner of the 2015 Governor General's Award for Poetry Winner of the 2015 Canadian Jewish Literary Award for Poetry In My Shoes are Killing Me, poet Robyn Sarah reflects on the passing of time, the fleetingness of dreams, and the bittersweet pleasure of thinking on the "hazardous . . . treasurehouse" that is the past. Natural, musical, meditative, warm, and unexpectedly funny, this is a restorative and moving collection from one of Canada's most well-regarded poets. Robyn Sarah is the author of nine previous collections. Ten of her poems have appeared on The Writer's Almanac, and her work has been anthologized in Garrison Keillor's Good Poems for Hard Times (2005), The Norton Anthology of Poetry (2005), and The Bedford Introduction to Literature (2001).

From the Ashes Sep 10 2020 This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is "an illuminating, inside account of homelessness, a study

of survival and freedom" (Amanda Lindhout, bestselling coauthor of *A House in the Sky*). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse's drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and "a story of courage and resilience certain to strike a chord with readers from many backgrounds" (Library Journal).

[Where Are My Shoes?](#) Dec 26 2021 When I was in second grade, my grades were not very good. My mother told me if I got my grades up I could pick a prize, any prize I wanted. She did not know I had read a book about a furry orange tom kitten named Puff. She thought I was going to ask for a bike. She even tried to talk me out of my kitten. That started my journey with a furry family member named Tiger Puff. I played with him as if he were my doll. I would dress him up and put him in my doll carriage. I loved him and he loved me. THANK YOU, MOM! This book is about two of my furry family members, Oliver and Maggie. Maggie prances around the house. I think she knows this book is about her. Oliver crossed over the rainbow bridge and is with our Lord now. Jessica needs to find her shoes and takes Maggie and Oliver on an adventure outside and they meet new friends along the way

[In My Shoes](#) Oct 04 2022 When people hear a diagnosis of multiple sclerosis, their reactions range from denial to confusion to all-out panic. Mary Monaghan Sypawka was diagnosed with MS in 1993, when no medications were available. Due to the lack of information about fighting the disease, Sypawka went on a personal journey to find out as much as she could. In *In My Shoes*, she graciously and realistically shares what she has learned. There are many elements of MS that people "don't talk about." Sypawka tackles those aspects with grace and humor. She openly discusses her medicine injections, difficulties with public places, and her relationship with her husband. She lays it all out in the hopes of helping others get and stay smart about MS. Packed with information about medications, resources, doctor visits, and adapting home and work environments to fit MS needs, this simple, uplifting guide does away with clinical, complex jargon and explains MS in a way everyone can understand. Whether you have been diagnosed or you know someone who has MS, *In My Shoes* is a must-have aid to understanding, treating, and coping with the disease.

[Take Off Your Shoes](#) Sep 22 2021 A success-driven CEO goes on a year-long journey of self-discovery in Bali in this memoir about rediscovering what's truly important. A hard-charging CEO of a large enterprise, Ben Feder discovers that he is losing the very things that sustained him over his years of business success. Unsettled by his insight, he becomes determined to rebuild family relationships and rejuvenate his sense of purpose. Risking his career, Feder left New York with his wife and children and set off on a self-prescribed sabbatical year. That experience transforms them all. As Feder navigates the thrills and pitfalls of his time away, he draws readers into remarkable examinations of modern values and modern life. *Take Off Your Shoes* is Feder's candid and personable account of a journey across the world, and within himself.

[The Scheme of Things](#) Oct 31 2019 *The Scheme of Things*, a coming-of-age story with a thriller twist, poses the question: Have you ever had a secret? For young Henry Dodge, every day is an exercise in keeping his. Whether it's his sketchbook falling into the hands of his older brother, John, or saying the wrong thing to his parents Big Ed and Kate, which may tip them off to the fact that he knows he is different. He would rather spend his afternoons with his friend Kelley, perfecting their disco moves than join in with the neighborhood boys and their sporting ways. When Danny Woodson moves into the neighborhood and becomes his brother's best friend, Henry's world is turned upside down, as his attraction to him is electrifying. In an effort to find a place to hide, Henry turns to TV, movies and music that provide him a great escape, a solace, which he can't get from the world-at-large. Unfortunately, the nighttime soap operas of the 80's plant the seeds of a scheme that involves running away to find Danny in Los Angeles. But the City of Angels holds only devils in disguise, backstabbing and heartache, as Henry thinks he has found shelter in The Palace of King George and his court of supporting players. In a tale that is equal parts comedy and heartbreak, Henry struggles to find acceptance and eventually going against the grain to find his place in the scheme of things.

[Spirituality Uncut](#) Mar 17 2021 *Spirituality Uncut* is a unique poetry book that takes a strong look into the Christian lifestyle as well as show how Jesus is needed in this world. This astounding array of poetry goes into areas that many people refuse to look into. The love of Jesus is a blanket in good times and in bad and most of these poems reflect both. In this poetry book, Brian Apollo tackles a variety of controversial topics such as abuse, neglect, abandonment, relationships, sex, and opens the eyes of the reader within each poem. This is the digital edition of the original poetry book. *Spirituality Uncut* is definitely a powerful piece of work!

[Godfat's Door](#) Aug 29 2019 Humankind is faced with a sudden new problem: When people fall asleep, they die. If you want to live, you need to stay awake. With sleep bringing death, the world descends into chaos outside of Godfat's apartment door. His two neighbors convince Godfat that they should gather together in his apartment and keep one another awake. While humanity takes a collective dirt-nap, strange happenings occur inside and outside Godfat's door that cannot be explained. The longer the three neighbors stay conscious, the more they come to realize that they might be the only people in the world left awake.

[No More Holes in My Shoes](#) Oct 24 2021 Anne Pascale Amodeo had every reason to succumb to the despair caused by the emotional suffering of her circumstances. Born in a small town in upstate New York, Anne was the youngest child of first-generation Italian immigrants. Life was simple and good in the beginning. The young Pascale family lived a peaceful, hard-working life on their fruit farm in the beautiful New York countryside. Even so, tragedy wasn't as far away as it seemed. Anne was very lucky to survive the fire that claimed her family's home shortly after her birth, but this was only the first of a series of the many heartbreaks to come. Through her unwavering faith in God, Anne found the strength to love. In her love for those around her family and friends Anne was able to avoid despair and take control of her life, never losing sight of the happiness she knew God wanted for her. Now she shares the story of a challenging life saved by love and the sacred grace of God.

[A Jewish Refugee in New York](#) Feb 13 2021 "This novel invites the reader inside the mind of a Polish Jewish woman who has recently arrived in New York just after WWII began in Europe." —Jeffrey Shandler, author of *Anne Frank Unbound* Rivke Zilberg, a twenty-year-old Jewish woman, arrives in New York shortly after the Nazi invasion of Poland, her home country. Struggling to learn a new language and cope with a different way of life in the United States, Rivke finds herself keeping a journal about the challenges and opportunities of this new land. In her attempt to find a new life as a Jewish immigrant in the United States, Rivke shares the stories of losing her mother to a bombing in Lublin, jilting a fiancé who has made his way to Palestine, and a flirtatious relationship with an American "allrightnik." In this fictionalized journal originally published in Yiddish, author Kadya Molodovsky provides keen insight into the day-to-day activities of the large immigrant Jewish community of New York. By depicting one woman's struggles as a Jewish refugee in the United States during WWII, Molodovsky points readers to the social, political, and cultural tensions of that time and place.

[Walk in My Shoes](#) Nov 05 2022 A top aide to Martin Luther King, Jr., Andrew Young has been a witness to history and has made his own. During the civil rights movement, he worked tirelessly as a strategist and negotiator during the campaigns that resulted in the passage of the Civil Rights Act and Voting Rights Act, and was at Martin Luther King, Jr.'s side when he was assassinated. For years, in correspondence and conversation, he has been mentoring his godson, Kabir Sehgal. In this entertaining and provocative discourse, Young shares his thoughts and meditations on such important topics as race, civil rights, faith, and leadership. Young offers his wisdom on these subjects to a new generation of young men and women in hopes that his battle-tested voice will inspire and encourage those in whose hands the world will soon rest.

Last in My Class Apr 05 2020 My father decided to teach me how I could tell if I was drunk. "See those two guys over there? When they become four, you're drunk!" But Dad, there's only one guy over there!" LAST IN MY CLASS is a story of the trauma of growing up with an alcoholic father who was First in his Class. The author believes that the family members are all in the same class. "We are the walking wounded who go through most of our lives looking good and feeling awful. We are the ones who are in responsible positions, working every day and keeping things together. We are the invisible injured. Who speaks for us?" This book does. ALCOHOLISM REMAINS THE # 1 HEALTH PROBLEM IN AMERICA. Millions want to know how to live with a problem drinker. This story helps answer that question. This inspirational and painful growing up saga chronicles how humor, sports, recreation and a serious quest for answers helped this author recover from an emotional shutdown and to enjoy peace within.

The Barefoot Book Jul 21 2021 Americans are chronic shoe-wearers. We buy shoes for infants who can't yet walk. We wear shoes almost constantly, certainly in public spaces, and often within the comfortable walls of our own homes. If we'd like, we can purchase shoes for just about any occasion or purpose imaginable, in a vast array of styles, colors, materials, and prices. Well, of course. We need shoes. We need them for warmth and for protection. We wear shoes to be fashionable and because it's expected. It's just what we do. And what's wrong with that? The Barefoot Book explores this question and provides a surprising answer. What's wrong is that chronic shoe wearing is negatively affecting our health and especially the health of our feet. Most of us have experienced pain and blisters caused by wearing an ill-fitting shoe. In some cases, it's only a matter of minutes before we realize the damage our shoes are causing to our feet. The long-term consequences of chronic shoe wearing are more difficult to connect but are abundant nonetheless. According to author L. Daniel Howell, the warm, moist environment of a shoe-clad foot makes a perfect condition for fungus and bacteria to grow. Poorly fitting shoes cause or exacerbate a host of foot issues from hammer-toes, bunions, and ingrown toenails to fallen arches and Hallux valgus. And high heeled shoes are the worst culprits of all with chronic use damaging the knees, spine, and posture. In fact, continuous wearing of shoes - any shoes - is a problem. Howell explains how shoes redistribute weight, alter joints, weaken foot muscles, decrease foot flexibility, and eliminate sensory feedback from the sole and shock absorption of the arch. This leaves feet weak, fragile, and even more dependent on shoes. Although shoes are meant to protect our feet, they can sometimes cause more problems than they prevent. This is especially true for women, who tend to wear the most unnatural types of shoes, such as high heels. In fact, high heels are likely to blame for the fact that women outnumber men in rates of foot problems by four to one. If shoes are causing such problems, the solution is obvious: take them off. (Or at least, take them off more often.) Ease out of shoes while sitting at the desk at work. Take the dog on a barefoot walk. Declare the house a barefoot-only zone. Spend an entire weekend without shoes. If we dare, commit to a fully barefoot lifestyle. Simply let our feet breathe. A startling idea at first glance, the barefoot lifestyle is one that increasingly makes sense in the context of foot health and culture. Americans might love their shoes, but the citizens of many other countries successfully and comfortably go barefoot. In fact, significant differences arise between the typical American foot, which is constantly shod, and that of the typical barefooter. Hint: barefooters are the ones reaping the benefits. In The Barefoot Book, Howell describes the best and healthiest kinds of shoes to wear for the times we must wear shoes. For the rest of the time, he suggests we go barefoot, and gives tips for getting started on a more barefoot lifestyle. He suggests ways to ease into going barefoot more often, defines the best conditions and situations for going barefoot, identifies the risks, and provides ways to explain to people why you're going barefoot - particularly if you venture into public areas where shoes are expected. To help readers on the journey to a more barefoot lifestyle, Howell dispels some of the myths about going barefoot. Thus, readers can rest assured that the health department does not require shoes in public places, it's not illegal to drive barefoot, and in most circumstances, going barefoot is not dangerous. Howell admits it isn't practical for all of us to embrace a barefoot lifestyle all of the time; that isn't the goal of The Barefoot Book. What he would like to see is more people going barefoot in more places, more often. He'd like us to experience healthier feet and fewer trips to the podiatrist's office, to develop feet that are strong, flexible, and comfortable. After learning about the dangers of chronic shoe wearing and the health benefits of going barefoot (or after a long day in uncomfortable shoes), readers will likely agree.

By the Light of the Coal Oil Lamp May 07 2020 The book begins with our little girl, Ruth, just learning that she can open the lock that is keeping her from leaving the front porch and going down to the street. Her baby brother is born, and her family moves to a small Saskatchewan town where she rides her tricycle in the parade at the end of World War Two. Then they move to the town of Garrick where her Daddy runs a store, her baby sister is born and she watches the men in town put out a scary big fire that is burning down a house. She starts grade one with her two good friends Faye and Elaine. She goes to Yorkton and to Strongfield to visit her grandparents for summer holidays. We learn that there is no electricity in Garrick, lighting in homes and stores is provided by coal-oil lamps. It is not a wealthy town, the people are not all the same, some are kind, some disagree with each other, but they work hard and they build a town where our little girl can have a happy childhood.
