A History of American Sports in 100 Objects Jun 22 2022 Beautifully designed and carefully curated, a fascinating collection of the things that shaped the way we live and play in America What artifact best captures the spirit of American sports? The bat Babe Ruth used to hit his allegedly called shot, or the ball on which Pete Rose wrote, "I'm sorry I bet on baseball"? Could it be Lance Armstrong's red-white-and-blue bike, now tarnished by doping and hubris? Or perhaps its ancestor, the nineteenth-century safety bicycle that opened an avenue of previously unknown freedom to women? The jerseys of rivals Larry Bird and Magic Johnson? Or the handball that Abraham Lincoln threw against a wall as he waited for news of his presidential nomination? From nearly forgotten heroes like Tad Lucas (rodeo) and Tommy Kono (weightlifting) to celebrities like Amelia Earhart, Muhammad Ali, and Michael Phelps, Cait Murphy tells the stories of the people, events, and things that have forged the epic of American sports, in both its splendor and its squalor. Stories of heroism and triumph rub up against tales of discrimination and cheating. These objects tell much more than just stories about great games—they tell the story of the nation. Eye-opening and exuberant, *A History of American Sports in 100 Objects* shows how the games Americans play are woven into the gloriously infuriating fabric of America itself.

Chasing Greatness Dec 04 2020 The unforgettable story of the 1973 U.S. Open—and the unknown young golfer who astonished the world... In 1973, a Who's Who of golf's greats gathered at the Oakmont Country Club for the U.S. Open. Among those favored to win were Jack Nicklaus and Arnold Palmer. Instead, Johnny Miller—a 26-year-old onetime phenom from San Francisco—astonished the golfing world by edging out the legends and crafting a record-setting 63 to win by a single stroke. Featuring extensive archival and video research and candid interviews with leading golfers of the era, *Chasing Greatness* beautifully captures one of the unlikeliest victories and dramatic sports triumphs of the past half century. Authors Adam Lazarus and Steve Schlossman also chronicle the careers and the lives of six extraordinary figures during golf's modern-day golden era: Miller, Palmer, Nicklaus, Lee Trevino, Tom Weiskopf, and John Schlee.

Draw in the Dunes Jun 29 2020 In 1969, the 42-year history of biennial golf matches between the United States and Great Britain reached its climax. The U.S., led by Jack Nicklaus, had dominated competitive golf for years; Great Britain, led by Tony Jacklin, was the undisputed underdog. But in spite of having lost 14 of 17 Ryder Cups in the past, the British entered the 1969 Ryder Cup as determined as the Americans were dominant. What followed was the most compelling, controversial, and contentious Ryder Cup the sport had ever seen. *Draw in the Dunes* is a story of personal and professional conflict, from the nervousness displayed at the very beginning of the Ryder Cup matches—when one man could not tee his golf ball—to the nerve displayed by Nicklaus and Jacklin, who battled each other all the way to the final moment of the final match. Throughout the Cup, 17 of the 32 matches were not decided until the final hole. Most electrifying was Nicklaus and Jacklin's contest, which decided the fate of the Ryder Cup. At the last putt, Nicklaus conceded to Jacklin, keeping the cup for the Americans while letting the British walk away with their most successful Ryder Cup result in years. From this event, which came to be known as "The Concession," Nicklaus and Jacklin forged a lifelong friendship and ushered in a new era of golf. From the author of the critically acclaimed golf history *The Longest Shot*, *Draw in the Dunes* is the gripping account of a legendary Cup competition, and the story of golf's greatest act of sportsmanship.

Learning From the Links Dec 24 2019 For the first time, a seasoned business executive and avid golfer combines these two passions to explore what makes for top performance in each field. Management consultant David K. Hurst explores compelling links relating the two activities to explain clearly what every manager who plays golf may feel only intuitively: that there is a deep systemic connection between them. For on the tee, as in the boardroom, a player can't just hit and hope -- he or she must continually think ahead, contemplate multiple scenarios, and consider the downside of every decision. And then everything depends on execution. In *Learning from the Links*, Hurst clarifies muddled thinking in both management and golf: he deals squarely with the challenge of implementing a game plan and seeing it through. Hurst takes to task the current "head-down" instructional model used to teach golf and management. He addresses the huge gulf between knowing what to do in a given situation and knowing how to do it. This chasm is an ever-present hazard both on the course and in an organization: it keeps people from solving their problems and achieving their goals. By examining golfers' and managers' struggles for improvement, Hurst shows us why complex systems are so hard to change and how to set about changing them -- systematically. Using the latest thinking from fields as diverse as neuroscience, artificial intelligence, art, and anthropology, Hurst's primary purpose is to help his readers make sense of their own experience -- to help them learn more effectively. His practical advice is profusely illustrated with examples from both golf and management, allowing the reader to move back and forth between his or her experiences in both activities. Part business management book, part strategy guide, these are more than just lessons for one's game or one's office: these are lessons for life.

The Irish Majors: The Story Behind the Victories of Ireland's Top Golfers - Rory McIlroy, Graeme McDowell, Darren Clarke and Pádraig Harrington Jul 23 2022 When Pádraig Harrington won the Open Championship in 2007, he became only the second Irish golfer ever to win a Major, ending a drought which dated back to Fred Daly's victory of 1947. But Harrington's great achievement was more than the breaking of a hoodoo: it was the start of the most glorious period in the history of Irish golf. Harrington retained the coveted Claret Jug in 2008 and added the US PGA championship that same year. In 2010, Graeme McDowell had a breakthrough Major win in the US Open and was succeeded as champion in 2011 by the phenomenally talented Rory McIlroy. The remarkable run of Major champions from Ireland was continued that season when Darren Clarke claimed an emotional victory in the British Open to add his name to the list of great champions on the Claret Jug, and most recently by Rory McIlroy who in 2012 also struck gold in the US PGA. From Carnoustie to Royal Birkdale, Oakland Hills to Pebble Beach, and Congressional to Sandwich and Kiawah Island, *The Irish Majors* is the story of these great victories and of the background to Ireland's golden generation of golfers. Philip Reid has the inside track on these wonderful Irish triumphs and he brings it all home in this celebratory book.

The Story of American Golf Sep 20 2019 The classic history of golf in America beginning with the first clubs to arrive on the coast—from "golf's most respected and authoritative writer" (Golf magazine). Widely regarded as the definitive account of America's love affair with the world's greatest game, this magisterial volume is Herbert Warren Wind's masterpiece. From John Reid, the expatriate Scotsman who imported a set of clubs and balls from St. Andrews in 1888 and built a three-hole course on a cow pasture in Yonkers, New York, to Alan Shepard's six-iron shot on the surface of the moon, *The Story of American Golf* documents the iconic moments in the sport's first century in the United States. Wind captures legendary players, including C. B. Macdonald, Bobby Jones, Byron Nelson, Babe Didrikson Zaharias, Ben Hogan, and Jack Nicklaus, in all their glory, and expertly analyzes the developments in style, equipment, and technique that created the modern game. Encyclopedic in scope and intimate in detail, *The Story of American Golf* is both a fitting tribute to the beautiful and fickle game that inspired a national obsession and a testament to Herbert Warren Wind's incomparable talents as a journalist and historian.

The Secret of Golf Jan 17 2022 From "one of the best sportswriters in America" (The Washington Times)—the New York Times bestselling story of the friendship and rivalry between golf legends Tom Watson and Jack Nicklaus, whose sparring matches defined the sport for more than a decade. The first time they met, at an exhibition match in 1967, Tom Watson was a seventeen-year-old high school student and Jack Nicklaus, at twenty-seven, was already the greatest golfer in the world. Though they shared some similarities—they were both Midwestern boys who had learned how to play golf at their fathers' country clubs—they differed in many ways. Nicklaus played a game of consummate control and precision. Watson hit the ball all over the place. Nicklaus lacked charm and theatrics, and he was thoroughly despised by most golf fans because he had displaced Arnold Palmer as king of the golf world. Watson was one of those Arnold Palmer fans. Yet over the next twenty years their seemingly divergent paths collided as they battled against each other again and again for a place at the top of the sport and drove each other to ever-soaring heights of accomplishment. Spanning from that first match through the "Duel in the Sun" at Turnberry in 1977 to Watson's miraculous near-victory at Turnberry as he approached sixty, and informed by interviews with both players over many years, *The Secret of Golf* is Joe Posnanski's intimate account of the most remarkable rivalry and (eventual) friendship in modern golf.
