Adult Coloring Book with Color by Number Or Not - Mandalas Nov 09 2020 When it is time to relax and unwind from the activities of the day, there is simply nothing better than a cup of hot cocoa and your favorite coloring pencils and books. With the explosion of interest in adult coloring books, adults of all ages have been able to rediscover the joys of exploring their creative minds. However, some of us never really mastered the art of choosing the right colors. We are more than just color-blind; we are color-challenged. In this unique twist on the coloring books for adults genre, C.R. Gilbert has added an extra element to her coloring book designs. From the mind of the artist, you will find two copies of each design -- one with numbers and one without numbers. You will also find a key that describes the recommended color combinations, and you will find two practice templates to help you to explore new color combinations before diving into coloring the actual design. There is actually no better method available to help you learn how to combine the colors of the rainbow into any design you attempt. When you begin this journey, you will see designs that will use just three colors. By the time you reach the end of the book, the more complex designs will include up to six individual colors. If you have ever struggled with picking the best colors for the illustrations you tackle, you will surely find this must-have coloring-guide to be helpful and very educational. By the time you have completed this remarkable coloring book for adults, you will have a lot more confidence in your ability to combine a variety of colors in a really beautiful way.

**Misschien moet je eens met iemand praten?** Apr 02 2020 Eén op de drie Nederlanders zit wel eens op de bank bij een psycholoog – en sommige van deze patiënten zijn zelf therapeut, zoals Lori Gottlieb. In *Misschien moet je eens met iemand praten?* beschrijft ze sessies in haar spreekkamer met uiteenlopende patiënten als een pasgetrouwd stel dat moet omgaan met een dodelijke ziekte, een man met zelfmoordneigingen en een vrouw die telkens relaties begint met verkeerde mannen – maar ook de therapie die ze zelf volgt. Want naast psycholoog is Gottlieb allereerst mens, die worstelt met relatieproblemen en het opvoeden van haar zoon. Met humor, wijsheid en empathie gaat ze in op essentiële levensvragen over verlangens en behoeften, leegtes en betekenis, schuldgevoelens en opluchting, eenzaamheid en liefde. 'Ik werd meteen verliefd op dit boek. Gottlieb neemt ons mee naar het hart van haar therapeutische sessies met patiënten, én die van haarzelf. Als je ook maar een beetje geïnteresseerd bent in het therapeutische proces, of in het mens-zijn, móet je dit boek lezen. Het is wijs, warm, slim en grappig.' – Susan Cain 'Lori Gottlieb neemt ons mee in de intiemste confrontaties en laat ons achter met een verrassend frisse blik op onszelf, de ander, en de menselijke aard. Het boek is grappig, hoopgevend, wijs en fascinerend – en dat alles tegelijkertijd.' – Arianna Huffington

**Wolf Coloring Book** Jun 24 2019 Get Hyper Realistic Results with this Advanced Adult Coloring Book! These 40 highly detailed sketch style wolf coloring pages will transform the way you shade! Please Note: This coloring book is VERY advanced and is NOT for beginners. This book is aimed at those who have some degree of artistic skill or budding artists that are looking for a challenge in order to improve their shading skill and color theory in an enjoyable way. Features of this Wolf Coloring Book for Adults: Single sided coloring pages allow for the pages to be removed Suitable for markers, felt tips, gel pens, coloring pencils and more due to single sided pages No solid black outlines allowing for hyper realistic shading Challenging images will require more focus and help to reduce stress levels Tips for Coloring this Book: This book is best used with reference. You don't need to have a reference image that looks exactly like the one you are coloring, just something similar. When you are coloring, look at your reference image and really study the colors. If you are coloring grass then notice how it's not just green. It may have areas of yellow highlights, brown and orange blemishes and even blues in the shadows. If you are coloring the bark of a tree, notice that it's not just brown. It may also have areas of green moss, orange hues, reddish areas and even purple areas in the shadows. Don't be afraid to experiment and use colors in areas that you would not expect them to be. Often, this is how the most striking and realistic results are achieved! Description: This adult coloring book of wolves is perfect for those of you who are looking for a real coloring challenge. This advanced coloring book is not for the faint-hearted, it will challenge you and require a lot of effort to achieve high quality results. Once these results are achieved however, you will have finished coloring pages that you can be more proud of than ever before. This book has been designed specifically to help people unwind through coloring but at the same time develop fine artistic skill. Many adult coloring books just require you to block in small sections with color, this book however, will actually make you use your artistic brain and develop new skills. So if you think you, or someone you know who may like this book as a gift, are up to the challenge, then get started today and begin to hone in on your hyper realistic shading techniques!
