The Law of Debtors and Creditors Jun 19 2021 One of the leading casebooks in the field, *The Law of Debtors and Creditors* features 39 problem sets with realistic questions a lawyer considers in managing a bankruptcy case. It also challenges the students with the major policy and theoretical questions in the field. The text features a functional organization as a bankruptcy case would unfold. The focus is on teaching through the realistic problems, complete with ethical difficulties embedded into the fact patterns. The presentation is lively and colloquial. Explanatory text throughout makes bankruptcy law accessible to students and easier to teach. Because it divides the subject between consumer and business bankruptcy, professors can select the depth of coverage for each subject in designing a two-, three-, or four-credit class. The authors—Senator Elizabeth Warren, Congresswoman Katie Porter, and Professors Pottow (Michigan) and Westbrook (Texas)—are among the most prominent in the field. Uniquely comprehensive *Teacher's Manual*—chock full of material on how to design class around the problem sets, citations to new cases and literature, and suggestions for steering class discussion. New to the Eighth Edition: The emergence of a whole new form of chapter 11 bankruptcy, the Small Business Reorganization Act in subchapter V, just as the Covid19 crisis exploded The impact of recent Supreme Court decisions, including *Jevic*, *Merit Management*, *Midland Funding*, and *Wellness* New cases and issues since the Seventh Edition Updated materials on § 363 sales Incorporation of discussion of ABI Commission on Consumer Bankruptcy Reform A number of interesting new problems Professors and students will benefit from: Separation of consumer bankruptcy from business bankruptcy—professors can select the depth of coverage for each subject Lively explanatory text—makes bankruptcy law accessible to students and easier to teach Engagement of current events and economic trends Discussion of many recent cases 39 problem sets—featuring the realistic questions a lawyer considers in applying the statutory provisions in a bankruptcy case Substantial discussion of the ethical questions that arise in bankruptcy practice, and including ethical issues in the problems students must solve Functional organization—as a bankruptcy case would unfold rather than using some artificial paradigm Chapters specifically devoted to bankruptcy theory (consumer and business), to international insolvencies, and to important ethics issue in the consumer and business contexts Problem sets designed to combine doctrinal, transactional, and theoretical issues

[Show Me the Money](#) Sep 03 2022 *Show Me the Money* is the definitive business journalism textbook that offers hands-on advice and insights into the job of a business journalist.

Chris Roush draws on his experience as both a business journalist and educator to explain how to cover businesses, industry and the economy, as well as where to find sources of information for stories and how to take financial information and make it work for a story. Updates to the third edition include: Inclusion of timely issues related to real estate; Additional examples from websites and other nontraditional business media such as BuzzFeed and Quartz; Tips from professional business journalists including Andrew Ross Sorkin of *The New York Times* and Jennifer Forsyth of *The Wall Street Journal*. Essential for both undergraduate and graduate courses in business journalism and professional business journalism newsrooms, *Show Me the Money* is a must-read for reporters, editors and students who want to learn the ins and outs of how to cover public and private companies. Additional materials, including a sample syllabus and additional links and tips for students can be found at <https://www.routledge.com/products/9781138188389>

Cases on Information Technology and Business Process Reengineering Feb 13 2021 "This book presents a wide range of issues and challenges related to business process reengineering technologies and systems through the use of case studies".--Provided by publisher.

Law and Ethics in Global Business Aug 10 2020 This book provides comprehensive and, above all, business focused guidance on the fundamentals of business law and how they should be integrated into ethical and effective business decisions. It concentrates on legal principles and thereby is able to articulate the impact of global business law and its international applications providing a comprehensive overview of the legal and ethical principles which both facilitate and regulate corporate business. This is an ambitious undertaking, yet arguably no more ambitious than the projects undertaken by global business leaders making business decisions around the world. The author combines the expertise of a long-term blue chip law background with the insights of an experienced business educator. *Law and Ethics in Global Business* is both a comprehensive course book for MBA study and an invaluable business reference source for any executive involved in global business.

Classified Index of Decisions of the Regional Directors of the National Labor Relations Board in Representation Proceedings Jul 09 2020

Mid-course Correction Mar 29 2022 Of value to business people, environmentalists, and educators alike, *Mid-Course Correction* is a business book about the environment that's written from a personal perspective. With passion and pride, Ray Anderson, Founder, Chairman, and CEO of one of the world's largest interior furnishings companies, recounts his awakening to the importance of environmental issues and outlines the steps his petroleum-dependent company, Atlanta-based Interface, Inc., is taking in its quest to become a sustainable enterprise - one that will never have to take another drop of oil from the earth.
