Power Mentoring Jun 10 2021 Written to reflect the realities of today's business environment, Power Mentoring is a nuts-and-bolts guide for anyone who wants to create a connection with a protégé or mentor, or to improve a current mentoring relationship. Filled with illustrative examples and candid insights from fifty of America's most successful mentors and protégés, Power Mentoring unlocks the secrets of great mentoring relationships and shows how anyone (including those who are well established in their careers, or those who are just starting out) can become a successful mentor or protégé. Based on compelling interviews from Ellen Ensher and Susan Murphy's own research, this important resource explains what it takes to develop a "power mentoring" network consisting of a variety of mentors across a range of organizations and industries. The authors provide strategies for establishing such power mentoring relationships, outline the best practices, and offer insights from mentors and protégés in a variety of fields including technology, politics, and the media.

Microbial Pest Control Nov 22 2019 A complete overview of the technologies and products for microbial-based pest control. It documents the use of genetically altered Bt and transgenic crops, microbial formulations, and synergistic interactions of microbials with synthetic chemicals, as well as the management of Bt foliar applications and Bt genes in transgenic crops. The book includes

Plunkett's Entertainment & Media Industry Almanac Mar 27 2020 The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources.

You'll get in-depth profiles of the "Entertainment & Media 400," our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the 400 largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax, competitive advantage and much more. This innovative book offers 545 pages of unique information, all indexed and cross-

indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.
