La Charrette Oct 31 2019 La Charrette provides a first-ever historical look at America's westernmost frontier settlement, which-over a mere thirty-year existence-managed to leave behind a rich, vibrant legacy that is firmly rooted in local, state, and national history. Located sixty miles beyond St. Louis on the banks of the Missouri River, La Charrette Village began as an eighteenth-century French fur-trading outpost. The citizens of La Charrette-one of America's earliest melting-pot communities of Native Americans; African descendants; and French, Spanish, and German immigrants-played a vital role in shaping the American West. Its people

were the first to be granted Indian trade rights and to map the Santa Fe Trail, and La Charrette was the last outpost of civilization along the monumental trek toward westward expansion. A virtual Who's Who of the American frontier, La Charrette documents the life and times of the families who lived in this influential riverbank village. It also chronicles many legendary heroes who passed through, including Lewis and Clark, Daniel Boone, Captain Pike, 'Indian' Phillips, John Colter, Flanders Callaway, Syndic Chartran, and others who helped to shape history and forever change the face of our nation. "Schake's book documents the intimate life and history of a village that helped serve as a launching point into the territory and its role in American frontier life." -Brad Urban, St. Louis Post-Dispatch Suburban Journals

Life of Daniel Boone, the Great Western Hunter and Pioneer Feb 02 2020

The 1854 Oregon Trail Diary of Winfield Scott Ebey Jan 03 2020 Diary of 1854 trip to Washington.

From Cochise to Geronimo May 19 2021 In the decade after the death of their revered chief Cochise in 1874, the Chiricahua Apaches struggled to survive as a people and their relations with the U.S. government further deteriorated. In From Cochise to Geronimo, Edwin R. Sweeney builds on his previous biographies of Chiricahua leaders Cochise and Mangas Coloradas to offer a definitive history of the turbulent period between Cochise's death and Geronimo's surrender in 1886. Sweeney shows that the cataclysmic events of the 1870s and 1880s stemmed in part from seeds of distrust sown by the American military in 1861 and 1863. In 1876 and 1877, the U.S. government proposed moving the Chiricahuas from their ancestral homelands in New Mexico and Arizona to the San Carlos Reservation. Some made the move, but most refused to go or soon fled the reviled new reservation, viewing the government's concentration policy as continued U.S. perfidy. Bands under the leadership of Victorio and Geronimo went south into the Sierra Madre of Mexico, a redoubt from which they conducted bloody raids on American soil. Sweeney draws on American and Mexican archives, some only recently opened, to offer a balanced account of life on and off the reservation in the 1870s and 1880s. From Cochise to Geronimo details the Chiricahuas' ordeal in maintaining their identity despite forced relocations, disease epidemics, sustained warfare, and confinement. Resigned to accommodation with Americans but intent on preserving their culture, they were determined to survive as a people.

A Traveler's Guide to Tracking Dinosaurs in the Western United States Jul 29 2019 The Rocky Mountains and surrounding areas contain some of the biggest and best preserved dinosaur remains on earth. This book describes the types that have been found, where they were located, and the museums that display them.

In Search of Western Movie Sites Aug 10 2020 In Search of Western Movie Sites is a compilation of 64 articles written for the bi-monthly newsletter Western Clippings by Carlo Gaberscek and Kenny Stier. They are profoundly convinced of the fundamental importance of landscapes and natural exteriors in westerns. These articles are listed regionally, starting with the Southwestern states (Arizona, New Mexico, Colorado, Utah, and Nevada), progressing to California, the Northwest, Midwest, and Southern states, followed by Canada, and finishing with Mexico. They focus on the making of both A and B-westerns in a single state or a specific area of a state, and contain selected filmographies and detailed information on the locations. They envision a vast atlas of western cinema, a map of both real and imagined places constructed by Hollywood. This book, which includes over 200 stills and photos taken on location, is a guide to thousands of western film locations.

The Baptist Heritage Jan 27 2022 The Baptist Heritage: Four Century of Baptist Witness H. Leon McBeth's 'The Baptist heritage' is a definitive, fresh interpretation of Baptist history. Based on primary source research, the book combines the best features of chronological and topical history to bring alive the story of Baptists around the world.

Mountains for Mortals: New England Oct 24 2021 Although New England contains three of the four most densely populated states in the country, there are still numerous natural sites to be explored in this beautiful area, and this detailed guide catalogs the most unique and scenic mountains. From Mount Katahdin in Maine to the peaks above the coastline, the finest hikes are included here, along with beautiful photographs of the land and precise directions and descriptions.

Bulletin of the United States Geological Survey Jan 15 2021

Down By the Los Angeles River May 07 2020 In the last decade millions of dollars have been spent on restoring and revitalizing the Los Angeles River and its surroundings. Dozens of parks, miles of bike trails, public art installations and hundreds of trees and plants follow the river as it winds 51 miles through more than 100 communities. *Down by the Los Angeles River* is the first on-the-ground guide to checking out sites new and old, and getting to know the historic river that runs through greater L.A. The book includes striking original illustrations as well as maps. Twenty-seven walks and twelve bike rides along the Los Angeles and its tributaries, each with directions to the starting point and descriptions of natural, historic, and artistic features along the way. The river paths are already popular for walkers and joggers, bicyclists, dog-walkers, historians and bird-watchers—a readymade audience for this one-of-a-kind book.

Cultural Landscape Report for the Sandy Hook Coastal Defense Batteries, Gateway National Recreation Area, Fort Hancock, New Jersey Jul 21 2021

Army Regulars on the Western Frontier, 1848-1861 Oct 12 2020 Unlike previous histories, this book argues that the politics of slavery profoundly influenced the western mission of the regular army - affecting the hearts and minds of officers and enlisted men both as the nation plummeted toward civil war."--BOOK JACKET.

The American Western A Complete Film Guide Apr 05 2020 A comprehensive film guide featuring films and television shows of the great American western. The stories of the men and women who tamed the old West. Also featuring actors and directors who made these films possible.

Hiking California's Golden Trout Wilderness Mar 29 2022 *Hiking California's Golden Trout Wilderness* will help outdoor enthusiasts choose and plan a day hike or backpacking trip in the Golden Trout Wilderness or South Sierra Wilderness best suited to their time, energy, experience, and personal preferences. It offers a preview of what they are likely to see and experience along their chosen route: geological features, historical sites, trees, birds, flowers, and mammals. It helps readers anticipate places where the trail is faint, where it is clear, where and when rivers and streams are special sources of delight, or where there may be obstacles to travel. There are 43 specially selected backcountry adventures meticulously prepared by backcountry guide Suzanne Swedo. Inside readers will find: detailed maps, accurate route profiles showing the ups and downs of each hike, tips on equipment, trip planning, hiking with dogs and children, accurate directions, difficulty ratings, trail contacts, and more.

Bulletin of the United States Geological Survey Feb 13 2021

Five-Star Trails: Flagstaff and Sedona Sep 30 2019 Each hike features an individual trail map, elevation profile, and at-a-glance information, helping readers quickly find the perfect trip. Sized to fit in a pocket, the book's detailed trail descriptions will help readers find their way on and off the trail. Driving directions and GPS trailhead coordinates will help with navigating the myriad of unnamed roads. The trails covered range from those best suited to the novice, families, experienced hikers, or backpackers.

Expedition to the Southwest Jun 27 2019 Lt. Abert of the United States Army Topographical Engineers set out from Bent's Fort to conduct a detailed reconnaissance of the Canadian River region of the southern plains. Possessing a great eye for detail, Lt. Abert provided clear, graphic descriptions of birds, plants, animals, and the countryside, as well as details about the Comanches and the Kiowa. Lt. Abert's journal is one of the concluding records of the Anglo-American exploration of the American West begun in 1804 by Lewis and Clark.

The American Film Institute Catalog of Motion Pictures Produced in the United States Jun 19 2021

Colorado's Fourteeners Apr 29 2022 Standard, alternate, and technical routes for all 58 Colorado Fourteener peaks A classic guidebook known for its accuracy and comprehensiveness, *Colorado's Fourteeners* has been updated for this thirtieth anniversary edition to include GPS coordinates, revised topographic maps, expanded route details, and new descriptions reflecting alterations to trail access. Gregory Peck Nov 12 2020 Within a year after arriving in Hollywood, Gregory Peck became a star. He won an Academy Award for his second film, and he has continued to earn critical acclaim from the 1940s to the

present day. This book provides a brief biography of Peck, along with detailed information about all his performances in film, television, radio, and on the stage. Entries for individual productions include cast and credit information, plot synopses, and insightful commentary.

On the Western Trails Jul 01 2022 A cooper and farmer from Ontario, Canada, Washington Peck (1801–89) spent decades traveling across the western frontier before finally settling in Washington Territory. Peck's chronicle of his itinerant life offers fresh insight into some of the less traveled emigrant routes across the nineteenth-century West. Peck left two wagon-train diaries—published here for the first time—that log western routes not often recorded: an 1850–51 trip to the California gold fields via the Platte River Road–Mormon Trail, the Salt Lake–Los Angeles southern route, and the California coastline; and a journey over the Santa Fe Trail in 1858, continuing on the Beale Wagon Road along the 35th parallel. In the course of their journeys, Peck and his wife Mercy witnessed many important nineteenth-century events, including the Gold Rush, the Mormon building of Salt Lake City, the Underground Railroad in Illinois, the buildup in New Mexico to the Civil War, and the admission to the Union of Washington State. Through biographical commentary and explanatory annotation, editor Susan M. Erb enriches our understanding of the diary entries. Featuring numerous illustrations and maps, this book is must reading for trail enthusiasts and provides valuable new perspectives for western historians.

Mansion on the Hill Sep 10 2020 The call to the New World in the sixteenth century reaches all countries and every station of the peoples of Europe. The poor and the rich, the adventurous and the desperate, the honorable and the thief make a shared way across the sea. Life is renewed and hope is restored to all who arrive in the colonies. Dangers and struggles of the frontier force the common and the privileged to join. Love is the absolute power that will unite souls that would otherwise be forbidden to meet. Here the princess and the pauper are called forth from unequal societies to unite in lasting romance. Separated by trials, assailed by villains, and abandoned by circumstance to ready temptation the two survive in America by their love and desire to with each other. Hearts will be uplifted. Optimism shall be restored. Youth shall be regained. These are promised.

Scenic Routes & Byways Montana Mar 05 2020 Scenic Routes & Byways Montana features nearly twenty-five separate drives through the Treasure State, from the breathtaking Beartooth Highway to the rugged rangelands and red-tinted badlands of eastern Montana. An indispensable highway companion, Scenic Routes & Byways Montana includes route maps and in-depth descriptions of attractions.

The Alcalde Sep 22 2021 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

Sequoia National Forest (N.F.), Sequoia National Forest (N.F.) Trail System Plan May 31 2022

The Peck Clan In America -- Volume One Dec 02 2019 Hans Jacob Beck, a.k.a. Jacob Peck, son of Hans Jacob Beck and Anna Maria Hummel, was born in 1723 in Ebingen, Germany. He married Lydia Borden, daughter of Benjamin Borden, in 1743 in Virginia.

Westerns and the Trail of Tradition Aug 29 2019 Over the past century, the western has fluctuated in popularity. By 2010 it has come to stand, to the dismay of many, at one of its lowest points. Beginning with 1929 and the advent of talkies (In Old Arizona), the author discusses the cultural and industry trends, the directors, producers, studios and especially the stars, and looks at the ways in which their personalities (and financial ups and downs) affected the way westerns were shot. The improvements in technology through the years, the trick horses, the fistfight choreography, the evolution of plotlines—these are fascinating indicators of the way Americans themselves were changing.

Scenic Driving Montana Jun 07 2020 Pack up the car and enjoy twenty-four of the most memorable drives in the Treasure State. Offering over 2,250 miles of riding pleasure, this indispensable highway companion maps out unforgettable trips for exploring the region. Discover classic areas of the state that many visitors miss, from Glacier National Park's magnificent Going-to-the-Sun Road in the northwest to the rugged rangelands and

red-tinted badlands of eastern Montana. Along the way you'll discover ghost towns, glaciers, hot springs, and great hiking and wildlife-viewing opportunities—a mere taste of what the Big Sky Country has to offer.

Peck's Trail Mix Mix-Up Sep 03 2022 Discovering that his trail mix is slowly disappearing throughout the day, Peck embarks on a daring quest to catch a trail mix thief.
