Sex After Fascism Jan 02 2020 What is the relationship between sexual and other kinds of politics? Few societies have posed this puzzle as urgently, or as disturbingly, as Nazi Germany. What exactly were Nazism's sexual politics? Were they repressive for everyone, or were some individuals and groups given sexual license while others were persecuted, tormented, and killed? How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics? What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was "sex-hostile"? In response to these and other questions, *Sex after Fascism* fundamentally reconceives central topics in twentieth-century German history. Among other things, it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism, the role of Christianity in the consolidation of postfascist conservatism in the West, the countercultural rebellions of the 1960s-1970s, as well as the negotiations between government and citizenry under East German communism. Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse, *Sex after Fascism* examines the intimately intertwined histories of capitalism and communism, pleasure and state policies, religious renewal and secularizing trends. A history of sexual attitudes and practices in twentieth-century Germany, investigating such issues as contraception, pornography, and theories of sexual orientation, *Sex after Fascism* also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust.

Teaching Sex Oct 11 2020 *Teaching Sex* travels back over the past century to trace the emergence of the "sexual adolescent" in America and the evolution of the schools' efforts to teach sex to this captive pupil. Jeffrey Moran takes us on a fascinating ride through America's sexual mores. We see how the political and moral anxieties of each era found their way into sex education curricula, reflecting the priorities of the elders more than the concerns of the young.

Sex and Sexuality in Modern Screen Remakes Jun 18 2021 *Sex and Sexuality in Modern Screen Remakes* examines how sexiness, sexuality and revisited sexual politics are used to modernize film and TV remakes. This exploration provides insight into the ever-evolving—and ever-contested—role of sex in society, and scrutinizes the politics and economics underpinning modern media reproduction. More nudity, kinky sex, and queer content are increasingly deployed in remakes to attract, and to titillate, a new generation of viewers. While sex in this book refers to increased erotic content, this discussion also incorporates an investigation of other uses of sex and gender to help a remake appear woke and abreast of the zeitgeist including feminist reimaginations and 'girl power' make-overs, updated gender roles, female cast-swaps, queer retellings, and repositioned gazes. Though increased sex is often considered a sign of modernity, gratuitous displays of female nudity can sometimes be interpreted as sexist and anachronistic, in turn highlighting that progressiveness around sexuality in contemporary media is not a linear story. Also examined therefore, are remakes that reduce the sexual content to appear cutting-edge and cognizant of the demands of today's audiences.

Free Women, Free Men May 30 2022 Ever since the release of her seminal first book, *Sexual Personae*, Camille Paglia has remained one of feminism's most outspoken, independent, and searingly intelligent voices. Now, for the first time, her best essays on the subject are gathered together in one concise volume. Whether she's calling for equal opportunity for American women (years before the founding of the National Organization for Women), championing a more discerning standard of beauty that goes beyond plastic surgery's quest for eternal youth, lauding the liberating force of rock and roll, or demanding free and unfettered speech on university campuses and beyond, Paglia can always be counted on to get to the heart of matters large and small. At once illuminating, witty, and inspiring, these essays are essential reading that affirm the power of men and women and what we can accomplish together.

How to Have Feminist Sex Oct 30 2019 'Funny, kind, generous and smart - I could have done with the wisdom of Flo Perry far sooner' Dolly Alderton We talk about feminism in the workplace and we talk about dating after #MeToo, but women's own patriarchal conditioning can be the hardest enemy to defeat. When it comes to our sex lives, few of us are free of niggling fears and body image insecurities. Rather than enjoying and exploring our bodies uninhibited, we worry about our bikini lines, bulging tummies and whether we're doing it 'right'. Flo broaches everything from faking it to consent, stress to kink, and how losing your virginity isn't so different to eating your first chocolate croissant. Her mission is to get more people talking openly about what they do and don't want from every romantic encounter.

The Sex of Things Dec 25 2021 "A rare pleasure. Rooting gender and consumption in the actions of people making their own history, these brilliant essays move from nineteenth-century pinups to the formation of gendered modernity. Once you've savored this volume, you'll never think of modern life in the same way again."--Temma Kaplan, author of *Red City, Blue Period*

Sex and Death in Eighteenth-Century Literature Apr 04 2020 This book discusses sex and death in the eighteenth-century, an era that among other forms produced the Gothic novel, commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined. By bringing together various viewpoints and historical relations, the volume contributes to

an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality. It not only provides part of the needed discussion of the relationship between sex, death, history, and eighteenth-century culture, but is a forum in which the ideas of several well-respected critics converge, producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen. As the contributors demonstrate, eighteenth-century anxieties over mortality, the body, the soul, and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works. By depicting the necrophilic tendencies of libertines and rapacious villains, the fetishizing of death and mourning by virtuous heroines, or the fantasy of preserving the body, these authors demonstrate not only the tragic results of sexual play, but the persistent fantasy of necro-erotica. This book shows that within the eighteenth-century culture of profound modern change, underworkings of death and mourning are often eroticized; that sex is often equated with death (as punishment, or loss of the self); and that the sex-death dialectic lies at the discursive center of normative conceptions of gender, desire, and social power.

Sex and Death Mar 04 2020 How we come in, and how we go out, sex and death: these are the governing drives, our two greatest themes. In this provocative and haunting collection of short stories, acclaimed writers probe the nature of, and connection between two of the most powerful, exhilarating and terrifying forces that define and shape the human experience: sex and death.

Sex/Life Mar 28 2022 'Sex/Life' van BB Easton is een hilarisch memoir over een man, een vrouw en een dagboek. 'Sex/Life' is de inspiratie voor de gelijknamige Netflix-serie. De getrouwde psychologe BB zit vast in een saai huwelijk met accountant Ken. Ze probeert al jaren hun seksleven te verbeteren, maar dat wil nog niet echt lukken. BB besluit een dagboek bij te houden en daarin komen ook haar vorige passionele relatie en haar ex-vriendjes aan bod: een stoere tatoeëerder die bij een motorclub zit, een knappe maar foute rocker en een zachtaardige heavy-metal bassist. Ze lijken precies op de mannen uit haar favoriete romanceboeken en in de verste verte niet op Ken, maar zo heeft BB toch weer wat passie in haar leven, ook al blijft het een geheim. Of dat dacht ze tenminste. Want dan vindt Ken het dagboek, en hij leest het niet alleen, hij leert er ook iets van... 'Sex/Life' van BB Easton is een steamy, hilarische en unieke roman, vanaf juni 2021 ook te zien als Netflix-serie!

Sex, Time, and Power Nov 04 2022 As in the bestselling *The Alphabet Versus the Goddess*, Leonard Shlain's provocative new book promises to change the way readers view themselves and where they came from. *Sex, Time, and Power* offers a tantalizing answer to an age-old question: Why did big-brained Homo sapiens suddenly emerge some 150,000 years ago? The key, according to Shlain, is female sexuality. Drawing on an awesome breadth of research, he shows how, long ago, the narrowness of the newly bipedal human female's pelvis and the increasing size of infants' heads precipitated a crisis for the species. Natural selection allowed for the adaptation of the human female to this environmental stress by reconfiguring her hormonal cycles, entraining them with the periodicity of the moon. The results, however, did much more than ensure our existence; they imbued women with the concept of time, and gave them control over sex—a power that males sought to reclaim. And the possibility of achieving immortality through heirs drove men to construct patriarchal cultures that went on to dominate so much of human history. From the nature of courtship to the evolution of language, Shlain's brilliant and wide-ranging exploration stimulates new thinking about very old matters.

The Language of Sex Study Guide May 06 2020 In *The Language of Sex Study Guide* and *The Language of Sex DVD*, Gary Smalley and Ted Cunningham go beyond the book and take a deeper, biblical look at the topic of sex in the marriage relationship. What does the Bible say about great sex? Does Scripture tackle gender differences, emotions, creativity, romance, and creating security and intimacy in our marriages? This Bible study and companion DVD are a fantastic resource for couples to do together, and it is equally useful for individuals, small groups, pastors, and leaders.

Dr. C.M. Tinklebottom's Great Big Book of Sex Dec 01 2019 What is sex? The answer is that no one really knows. Otherwise, people all over the world would stop buying books about sex, and they would start having it instead. Become a sexpert—of sorts—with the hilarious new guide, *Dr. C.M. Tinklebottom's Great Big Book of Sex*. Sex researcher Dr. Clarence Tinklebottom is busy giving his latest lecture on premature ejaculation in Paraguayan tree sloths at the Fifty-Seventh Annual Sex Researcher Symposium in Oslo (Kentucky, that is). But he can't help thinking that his research, fascinating though it is, doesn't have a whole lot to do with the real world of sex. Inspired to make a difference, Tinklebottom plunges headfirst into the kind of down and dirty sex research that will make the bedroom loads more fun for the average Jane and Joe. The result is the definitive *Dr. C.M. Tinklebottom's Great Big Book of Sex*, where readers will be riveted as they explore such meaningful chapters as, "Surgery During Foreplay: The Cutting Edge of Arousal," and "The Checkbook Method," a secret sexual technique that Tinklebottom promises will result in multiple orgasms while safeguarding against accidental overdrafts. So pick up a copy today—your partner will thank you!

Rereading Sex Apr 16 2021 A lively historical study of nineteenth-century attitudes toward human sexuality examines the various viewpoints that shaped American attitudes toward the human body, love, intercourse, masturbation, contraception, abortion, free love, and erotica. Reprint. 10,000 first printing.

Philosophy and Sex Jun 30 2022 This classic sourcebook, which has for two decades helped thousands rethink their views of ethics and human sexuality, is all new and totally revised for the challenges of a new century. Featuring essays on adultery, monogamy, perversion, homosexuality, pederasty, sex without love, sexual equality and more, *Philosophy and Sex* retains its uniqueness and accessibility without compromising quality and versatility. Though the book is completely reconceptualized, the editors have retained the best of the existing volume (essays by Shulamith Firestone, Judith Jarvis Thomson, and others) while offering many new selections, including Michel Foucault, postmodern feminists, recent work on same-sex marriage, nonconsensual sex (date rape), and much more.

Sex and Sex Education Oct 03 2022 What are children being taught about sex? What are they learning from peers, television, movies, magazines, computer games, pop music, popular culture? Most parents are rightly alarmed by the increasingly controversial nature of the information being fed to children and how age-appropriate it actually is. This publication makes it easy for parents to understand and broach the sensitive topic of sex education. Originally forming chapter thirteen of *Parent-Child Relations: A Guide to Raising Children*, it charts a way forward, helping parents to educate their children in a manner they feel appropriate and which maintains a sense of the sacred. The authors use a holistic approach to include what morality requires of humanity in this regard, and also focus on the issues of healthy relationships, responsibility, emotional wellbeing, and good physical health. The publication is intended to give parents practical advice, using clear and precise information, to address some of the most common issues parents are likely to encounter and questions they are likely to face.

Sex before Sex May 18 2021 What is sex exactly? Does everyone agree on a definition? And does that definition hold when considering literary production in other times and places? *Sex before Sex* makes clear that we cannot simply transfer our contemporary notions of what constitutes a sex act into the past and expect them to be true for the people who were then reading literature and watching plays. The contributors confront how

our current critical assumptions about definitions of sex restrict our understanding of representations of sexuality in early modern England. Drawing attention to overlooked forms of sexual activity in early modern culture, from anilingus and interspecies sex to “chin-chucking” and convivial drinking, *Sex before Sex* offers a multifaceted view of what sex looked like before the term entered history. Through incisive interpretations of a wide range of literary texts, including *Romeo and Juliet*, *The Comedy of Errors*, *Paradise Lost*, the figure of Lucretia, and pornographic poetry, this collection queries what might constitute sex in the absence of a widely accepted definition and how a historicized concept of sex affects the kinds of arguments that can be made about early modern sexualities. Contributors: Holly Dugan, George Washington U; Will Fisher, CUNY-Lehman College; Stephen Guy-Bray, U of British Columbia; Melissa J. Jones, Eastern Michigan U; Thomas H. Luxon, Dartmouth College; Nicholas F. Radel, Furman U; Kathryn Schwarz, Vanderbilt U; Christine Varnado, U of Buffalo-SUNY.

Modern Sex Feb 12 2021 Drawn from the *City Journal*, these cogent essays add up to the deepest, most informative appraisal we have of how and why the sexual revolution has failed and how we might begin to reconstruct the relations between the sexes in ways that reconcile freedom with humanity.

Sex Wars Dec 13 2020 *Sex Wars* is a collection of writings by Duggan and Hunter that brings together the best of the important work they have done on sexual politics in America over the past decade. *Sex Wars* traces the development of this politics and its deployment in three different arenas--speech and representation, legal regulation, and scholarship.

Modern Sex Magick Oct 23 2021 This is one of the first books to clearly reveal the secrets of Western sex magick without relying on Tantric theory. It explores the latest scientific discoveries in the field of human sexuality. 55 line illustrations.

The Sex Sector Jul 20 2021 This book includes case studies from Indonesia, Malaysia, the Philippines, and Thailand, showing prostitution's well organized and highly diversified economic bases, and explaining why it is difficult for policymakers and legislators to define a clear legal stance on adult prostitution, or to implement effective social programs.

Nina Hartley's Guide to Total Sex Jan 14 2021 Legendary porn star Nina Hartley's guide to thrilling, liberating, mind-blowing, soul-fulfilling, and intimacy-building sex! Witty, smart, and frankly provocative, Nina Hartley knows sex. As a sex performer, sexual adventurer, and sex educator, she's done the fieldwork and has taken extensive notes. Now, she's ready to share her research. Let's just say that she's had all the sex-the good, the bad, and the indifferent-so you won't necessarily have to! *Nina Hartley's Guide to Total Sex* is for sexual pioneers and enthusiastic novices. Unabashedly erotic, the book covers a lot of territory, allowing readers to sample the whole smorgasbord or just nibble at what they see as the choicest bits. To start things off, Nina includes explicitly detailed chapters on foreplay, oral sex, masturbation, toys, and games. Sexual adventurers (and voyeurs) will find chapters on swinging, three-ways, anal sex, erotic domination, sensual submission, and much more. Nina is a strong advocate of safe sex, physically and emotionally, and she helps readers establish personal ground rules. But as a sexual liberationist and a feminist, her core belief is that, between consenting adults, all sexual behaviors are a matter of personal choice. Whether you're trying to reignite the passion with a longtime spouse, or explore new terrain with a new lover, Nina offers a variety of ideas to achieve exhilarating, deeply satisfying, intimate, and profoundly liberating sex.

The Second Sex Sep 21 2021 Required reading for anyone who believes in the equality of the sexes. A long awaited, highly acclaimed new translation of Simone De Beauvoir's landmark work.

365 Days of Sensational Sex Jul 08 2020 A guide to sustaining passion in a relationship discusses how to create a sexual atmosphere in a relationship, maintaining an open and curious attitude toward sex, sexual fantasies, and sexual techniques.

The Evolution of Sex Aug 21 2021 The question of why organisms reproduce sexually is still a matter of controversy. In this account, Professor Maynard Smith considers the selective forces responsible for the origin and evolution of sexual reproduction and genetic recombination, using quantitative population genetics arguments to support his ideas. The relative importance of individual and group selection processes are also considered. The aim is to give a clear statement of the theoretical issues, and present enough of the evidence to show what kinds of facts are relevant. It is hoped that where crucial evidence is missing, experimentalists and field workers may be encouraged to collect the relevant data. The author does not claim to solve all the problems he raises, but this clear and well-argued account should provide stimulating reading for advanced undergraduate students and research workers in evolutionary theory.

Sperm Wars Sep 29 2019 Argues that men inately believe their sperm will be competing with that of other men for the opportunity to fertilize an egg, and that women unconsciously promote this competition

Narrating Desire Sep 09 2020 Despite the recent explosion of scholarly interest in the field of ancient sexuality, inquiry into major shifts in erotic consciousness is still in a preliminary stage. The essays in this collection, which focus upon the representation of the desiring subject in prose fiction, advance our understanding considerably as they probe the ambiguities surrounding the ostensible opposition of male and female in such texts. The volume will provide a needed point of departure for subsequent research into modifications to gender frameworks at a time of social transition.

Sex Positive Aug 01 2022 Offering a new take on the psychology of human sexuality, *Sexpositive* integrates modern day themes such as technology and the use of social media with self-help. This is the book that millennial's will turn to in order to rewrite the story of their love lives. THE DIGITAL AGE IS USHERING IN A SEX POSITIVE REVOLUTION Millennial disrupter Dr Kelly Neff believes radical change is underway in our love and sex lives. Fuelled by developing technology and shifting cultural beliefs, the Sex Positive movement is a social, political and philosophical wave that promotes and embraces sexuality and sexual expression, with an emphasis on safety and consent. In this ground-breaking study of modern sexuality, Dr Kelly Neff explores this new cultural movement and examines LGBTQI issues, #MeToo, female orgasm, the rise of non-monogamous relationships and robotic sex partners, among many other contentious topics emerging as part of the ongoing social and political shifts surrounding sex, love and identity. "Redefining sex and love as a constructive, harmonizing experience comprises a crucial part of how we move forward as a human collective... It's not a movement solely for women, but one that can apply to all genders and lifestyles. Being sex positive is inherently inclusive, and this is the tone that I take in this book."

Sex for One Apr 28 2022 The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix's *the goop lab* with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other's sexual responses. *Sex for One* demonstrates that self-loving is not just for times in-between lovers or for social misfits. Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

The Philosophy of Sex Nov 23 2021 Featuring twenty-nine essays, thirteen of which are new to this edition, this best-selling volume examines the nature, morality, and social meanings of contemporary sexual phenomena. Topics include sexual desire, masturbation, sex on the Internet, homosexuality, transgender and transsexual issues, marriage, consent, exploitation, objectification, rape, pornography, promiscuity, and prostitution.

Sex Jun 06 2020 From a Christian perspective, discusses the ethical aspects of such sexual questions as masturbation, pregnancy, premarital sex, and homosexuality.

The Moral Sex Jul 28 2019 How was the nature of women redefined and debated during the French Enlightenment? Instead of treating the Enlightenment in the usual manner, as a challenge to orthodox ideas and

social conventions, Lieselotte Steinbrugge interprets it as a deviation from a position staked out in the seventeenth century, namely, "the mind has no sex."

Brain Sex Nov 11 2020 Why can't a woman be more like a man? What is this thing called "feminine intuition"? Why are men better at reading maps, and women at other people's characters? The answers lie in the basic biological differences between the male and female brain, which, say the authors, make it impossible for the sexes to share equal emotional or intellectual qualities.

Sex on the Brain Aug 09 2020 Go beyond the headlines and the hype to get the newest findings in the burgeoning field of gender studies. Drawing on disciplines that include evolutionary science, anthropology, animal behavior, neuroscience, psychology, and endocrinology, Deborah Blum explores matters ranging from the link between immunology and sex to male/female gossip styles. The results are intriguing, startling, and often very amusing. For instance, did you know that. . . • Male testosterone levels drop in happy marriages; scientists speculate that women may use monogamy to control male behavior • Young female children who are in day-care are apt to be more secure than those kept at home; young male children less so • Anthropologists classify Western societies as "mildly polygamous" The Los Angeles Times has called *Sex on the Brain* "superbly crafted science writing, graced by unusual compassion, wit, and intelligence, that forms an important addition to the literature of gender studies."
