When Max ' s estranged sister goes missing, he must face the man he hurt the most—his ex. Desperate for help, Max drops back into Derek ' s life. Derek wants to refuse...but the stakes are too high. Though their explosive chemistry hasn ' t diminished, life with Max is never simple. His sister ' s disappearance is no exception. Derek ' s brilliant plan? Solve the case quickly, and put Max back where he belongs—in Derek ' s rearview mirror. Except the world has another plan, putting their hearts—and their lives—on the line. Will their forced proximity foster reconciliation, or are their old wounds too deep to heal?

The Magick of Aleister Crowley Mar 03 2020 The 30th Anniversary of the Classic Guide to Thelema, Aleister Crowley ' s Spiritual System of Ritual Magick, with a New Introduction by the Author. This is the perfect introductory text for readers who wonder what the works—rather than the myth—of Aleister Crowley are all about. DuQuette begins by dispatching some of the myths that have surrounded Crowley ' s life and legend. He then explores the practice of rituals themselves, unpacking Crowley ' s often opaque writing and offering his own commentary. Step by step, and in plain English, he presents a course of study with examples of rituals and explanations of their significance. DuQuette also includes a survey of many of Crowley ' s original works with an extensive bibliography and endnotes. Formerly titled The Magick of Thelema, then released in a revised edition published in 2003, this Weiser Classics edition includes a new introduction by the author.

[Developing Strategies For Rangeland Management](#) Sep 28 2019 In a two-year study, the National Academy of Sciences' Committee on Developing Strategies for Rangeland Management examined at length the scientific, political, economic, legal, and social issues arising from the BLM's stewardship role. This book, reporting the findings and recommendations of the NAS committee, contains over eighty professional papers presented at workshops designed to assess forage allocation, inventory of rangeland resources, impact of grazing intensity and specialized grazing systems on the use and value of rangeland, manipulative range improvements, application of socioeconomic techniques to range management decision making, and political and legal aspects of range management.

Rebuilding Milo Feb 23 2022 Every athlete who spends time in the weight room eventually deals with pain/injury that leaves them frustrated and unable to reach their highest potential. Every athlete ought to have the ability to take the first steps at addressing these minor injuries. They shouldn ' t have to wait weeks for a doctor ' s appointment, only to be prescribed pain medications and told to " take two weeks off lifting " or, even worse, to " stop lifting so heavy. " Dr. Aaron Horschig knows your pain and frustration. He ' s been there. For over a decade, Dr. Horschig has been a competitive weightlifter, and he understands how discouraging it is to tweak your back three weeks out from a huge weightlifting competition, to have knee pain limit your ability to squat heavy for weeks, and to suffer from chronic shoulder issues that keep you from reaching your goals. Rebuilding Milo is the culmination of Dr. Horschig ' s life ' s work as a sports physical therapist, certified strength and conditioning specialist, and Olympic weightlifting coach. It contains all of the knowledge he has amassed over the past decade while helping some of the best athletes in the world. Now he wants to share that knowledge with you. This book, designed by a strength athlete for anyone who spends time in the weight room, is the solution to your struggles with injury and pain. It walks you through simple tests and screens to uncover the movement problem at the root of your pain. After discovering the cause of your injury, you ' ll be able to create an individualized rehab program as laid out in this book. Finally, you ' ll be on the right path to eliminate your pain and return to the activities you love.

U.S. Army Human Intelligence Collector Field Manual Sep 01 2022 Among the most crucial roles of the United States military in the global War on Terror is the collection of human intelligence from prisoners of war, unlawful combatants, and others. On the heels of controversy over some of the techniques used to extract information—such as waterboarding—the Department of the Army completely revised its interrogation guidelines. The result is this book, the United States Army ' s human intelligence collection playbook, which gives instructions on the structure, planning and management of human intelligence operations, the debriefing of soldiers, and the analysis of known relationships and map data. The largest and most newsworthy section of the book details procedures for screening and interrogation, which permits a specific number of interrogation techniques, described in Chapter 8 as " approach techniques. " These techniques, described in great detail, carry such names as Emotional Love, Mutt and Jeff, False Flag, and even Separation. A must-read for today ' s military buffs, U.S. Army Human Intelligence Collector Field Manual is also a valuable resource for anyone seeking strategies to employ in the gathering of information.

[Men Who Manage](#) Nov 22 2021 This is a classic study of how managers interpret and engage problems as they are experienced and felt at various points and levels in factories and businesses. Melville Dalton, drawing on ethnographic data, examines both positive and negative interactions among managers, between managers and between workers, and managers and firms. He discusses the consequences for each group that result from their interactions. Where relevance and data allow, Dalton relates his findings to the surrounding community. Dalton argues that the recurring problem areas in management grow out of six main areas: pressures for economy of operation; "cooperation" of officially powerless experts with their administrative superiors; local conflicts between union and management; uncertainty about the route to a place in middle and upper management; the task of recognizing and rewarding differential contributions; and the moral conflicts of the individual executive. Each of these six problem areas is made the subject of a chapter. What emerges is a study of compromises among key individuals and groups in business organizations, and of the strictures on compromise. The book offers insights into how workplace rules, in practice, move from being sacred guides to flexible tools to balance company goals and personal ends. This volume includes a new introduction by David Shulman detailing the importance of this work more than forty years after its original publication. It is part of Transaction's Organization and Business series.

[The King's Daughters](#) Apr 15 2021 Far to the north of the hot desert land of Telfar lies the frozen kingdom of Sorvinka. [Gendering the Recession](#) Jun 29 2022 This timely, necessary collection of essays provides feminist analyses of a recession-era media culture characterized by the reemergence and refashioning of familiar gender tropes, including crisis masculinity, coping women, and postfeminist self-renewal. Interpreting media forms as diverse as reality television, financial journalism, novels, lifestyle blogs, popular cinema, and advertising, the contributors reveal gendered narratives that recur across media forms too often considered in isolation from one another. They also show how, with a few notable exceptions, recession-era popular culture promotes affective normalcy and transformative individual enterprise under duress while avoiding meaningful critique of the privileged white male or the destructive aspects of Western capitalism. By acknowledging the contradictions between political rhetoric and popular culture, and between diverse screen fantasies and lived realities, Gendering the Recession helps to make sense of our postboom cultural moment. Contributors. Sarah Banet-Weiser, Hamilton Carroll, Hannah Hamad, Anik ó Imre, Suzanne Leonard, Isabel Molina-Guzmán, Sin é ad Molony, Elizabeth Nathanson, Diane Negra, Tim Snelson, Yvonne Tasker, Pamela Thoma

[The Island of Lote](#) May 29 2022 Milo Hestler is a lonely, unusual, fourteen-year-old girl. She is constantly moving from home to home with her oblivious parents. The only friend she has is her conscience, whom she has named Bob. Her only comforts are cooking and listening to hip-hop. When her family moves yet again, Milo is bullied mercilessly by her classmates. Such treatment prompts her to travel to Australia for summer camp. During the plane ride, Milo awakens to find the plane deserted and about to crash. After parachuting into the ocean, she discovers she is near an island. Milo passes out, and upon waking, learns she was rescued by a boy named Simon, who is cute, but can't speak English. Not able to understand him, she accidentally says yes when he asks her to marry him. He leads her to a small town on the island, where they locate someone who can translate for them. Milo is outraged to hear that she is engaged to Simon and wants to call it off, but learns that this island has rules that cannot be broken. She must go through with the marriage against her will. After learning about the trick he played on her, Milo hates Simon, though it is obvious that sixteen-year-old Simon really likes her. What will happen next on The Island of Lote?
