Chechnya: The Inside Story Aug 24 2022 In Chechnya: The Inside Story author Mairbek Vachagaev chronicles the dramatic events that took place in Chechnya during the 1990s following the collapse of the Soviet Union. Engaged on one side of the Russian-Chechen conflict, he presents what he witnessed, how he became involved, how the struggle with Russia and the internal Chechen rivalries evolved, and how it impacted his family, his friends, his acquaintances, and the Chechen people.

The Inside Story May 09 2021 This unusual book was written to provide a glimpse into the inner "Rorschach" world of individuals -- psychology students in training -- representing the basic Rorschach subtypes. The Rorschach records of these graduate students in clinical psychology are presented along with their own interpretations and analyses of their records. In short, The Inside Story offers both a new approach to learning projective diagnostic methods such as the Rorschach and a new experience in the adventure of self-understanding.

Swing Kings Feb 06 2021 "The best baseball book I've read in years." -- Sam Walker \* "An exhilarating story of innovation." -- Ben Reiter \* "Swing Kings feels like a spiritual successor to Moneyball." -- Baseball Prospectus From the Wall Street Journal's national baseball writer, the captivating story of the home run boom, following a group of players who rose from obscurity to stardom and the rogue swing coaches who helped them usher the game into a new age. We are in a historic era for the home run. The 2019 season saw the most homers ever, obliterating a record set just two years before. It is a shift that has transformed the way the game is played, contributing to more strikeouts, longer games, and what feels like the logical conclusion of the analytics era. In Swing Kings, Wall Street Journal national baseball writer Jared Diamond reveals that the secret behind this unprecedented shift isn't steroids or the stitching of the baseballs, it's the most elemental explanation of all: the swing. In this lively narrative romp, he tracks a group of baseball's biggest stars--including Aaron Judge, J.D. Martinez, and Justin Turner--who remade their swings under the tutelage of a band of renegade coaches, and remade the game in the process. These coaches, many of them baseball washouts who have reinvented themselves as swing gurus, for years were one of the game's best-kept secrets. Among their ranks are a swimming pool contractor, the owner of a billiards hall, and an ex-hippie whose swing insights draw from surfing and the technique of Japanese samurai. Now, as Diamond artfully charts, this motley cast has moved from the baseball margins to its center of power. They are changing the way hitting is taught to players of all ages, and major league clubs are scrambling for their services, hiring them in record numbers as coaches and consultants. And Diamond himself, whose baseball career ended in high school, enlists the tutelage of each swing coach he profiles, with an aim toward starring in the annual Boston-New York media game at Yankee Stadium. Swing Kings is both a rollicking history of baseball's recent past and a deeply reported, character-driven account of a battle between opponents as old as time: old and new, change and stasis, the establishment and those who break from it. Jared Diamond has written a masterful chronicle of America's pastime at the crossroads.

The Inside Story of the Teacher Revolution in America Jul 19 2019 Cameron (former executive director of the National Education Association) offers a personal account of the teacher revolution of the 1960s, when educators in public school classrooms around the country began to organize. He identifies the conditions that sparked this rebellion and follows its trajectory over a forty-year period. Coverage includes such topics as the challenges of the education reform movement of the 1980s and the failed merger attempt between the NEA and the American Federation of Teachers. Distributed in the U.S. by Rowman & Littlefield. Annotation: 2004 Book News, Inc., Portland, OR (booknews.com).

Power Failure Mar 19 2022 "They're still trying to hide the weenie," thought Sherron Watkins as she read a newspaper clipping about Enron two weeks before Christmas, 2001. . . It quoted [CFO] Jeff McMahan addressing the company's creditors and cautioning them against a rash judgment. "Don't assume that there is a smoking gun." Sherron knew Enron well enough to know that the company was in extreme spin mode. . . Power Failure is the electrifying behind-the-scenes story of the collapse of Enron, the high-flying gas and energy company touted as the poster child of the New Economy that, in its hubris, had aspired to be "The World's Leading Company," and had briefly been the seventh largest corporation in America. Written by prizewinning journalist Mimi Swartz, and substantially based on the never-before-published revelations of former Enron vice-president Sherron Watkins, as well as hundreds of other interviews, Power Failure shows the human face beyond the greed, arrogance, and raw ambition that fueled the company's meteoric rise in the late 1990s. At the dawn of the new century, Ken Lay's and Jeff Skilling's faces graced the covers of business magazines, and Enron's money oiled the political machinery behind George W. Bush's election campaign. But as Wall Street analysts sang Enron's praises, and its stock spiraled dizzily into the stratosphere, the company's leaders were madly scrambling to manufacture illusory profits, hide its ballooning debt, and bully Wall Street into buying its fictional accounting and off-balance-sheet investment vehicles. The story of Enron's fall is a morality tale writ large, performed on a stage with an unforgettable array of props and side plots, from parking lots overflowing with Boxsters and BMWs to hot-

house office affairs and executive tantrums. Among the cast of characters Mimi Swartz and Sherron Watkins observe with shrewd Texas eyes and an insider's perspective are: CEO Ken Lay, Enron's "outside face," who was more interested in playing diplomat and paving the road to a political career than in managing Enron's high-testosterone, anything-goes culture; Jeff Skilling, the mastermind behind Enron's mercenary trading culture, who transformed himself from a nerdy executive into the personification of millennial cool; Rebecca Mark, the savvy and seductive head of Enron's international division, who was Skilling's sole rival to take over the company; and Andy Fastow, whose childish pranks early in his career gave way to something far more destructive. Desperate to be a player in Enron's deal-making, trader-oriented culture, Fastow transformed Enron's finance department into a "profit center," creating a honeycomb of financial entities to bolster Enron's "profits," while diverting tens of millions of dollars into his own pockets An unprecedented chronicle of Enron's shocking collapse, *Power Failure* should take its place alongside the classics of previous decades – *Barbarians at the Gate* and *Liar's Poker* – as one of the cautionary tales of our times.

*Inside Story* Jun 17 2019 The inside scoop on how to write a screenplay with depth, dimension and substance. It offers an easy to follow template for story construction, helping the writer to identify what the story is actually about, the thematic intention, etc.

*The Avengers: The Inside Story* Jun 22 2022 Patrick Macnee tells all! The secrets of the hit TV series *The Avengers* are laid bare by the man who was John Steed. Lavishly illustrated, with many unpublished stills, behind-the-scenes photos, and snaps from Macnee's private collection, this is a very personal portrait of the world's best-loved cult action-adventure series, and its classic sequel, *The New Avengers*. In unflinching detail, Macnee reveals the true story behind the show, including his relationships with all four Avengers girls — Honor Blackman, Diana Rigg, Linda Thorson and Joanna Lumley — on and off the set!

*The Airport* Aug 20 2019 Spend a day at the airport alongside pilots, flight attendants, and baggage handlers in this charming nonfiction story.

*Christian Bale* Sep 13 2021 The darkest Batman is unmasked. During the London press junket for *The Dark Knight* in the summer of 2008, Christian Bale was infamously accused of assaulting his mother and sister at the five-star Dorchester Hotel. Six months later, a recording of Bale's rant on the set of *Terminator Salvation* was leaked, and the star's anger began to define him. But beyond his notorious temper, Bale, an Academy Award-winning actor for his role in *The Fighter*, is known for his ability to physically transform himself for roles in *American Psycho*, *The Machinist*, and as one of Hollywood's most revered and bankable characters—Batman. In *Christian Bale: The Inside Story of the Darkest Batman*, Best Biography winner in the 2013 Indie Excellence Awards and finalist in the 2013 Indie Book Awards, a 2013 Indie Book Awards Finalist for Best Biography, Bale's former publicist and assistant Harrison Cheung—his real-life Alfred—shares an inside look into the little-known personal life of the intensely private and reclusive actor. In the first biography of the Batman star, Cheung, who lived and worked with Christian and his father for 10 years, shares firsthand accounts of the Bales' familial dysfunction, Christian's morbid fascinations and dark humor, and his extreme dedication to his craft. Aware that Bale hated his traditional publicity duties, Cheung launched an extensive Internet marketing campaign for the actor, built the first official actor website for him, and cultivated the *Baleheads*, an online fan community that was used to garner editorial coverage and ultimately help Bale secure the role of the Caped Crusader. Written with veteran Hollywood and entertainment reporter Nicola Pittam, *Christian Bale: The Inside Story of the Darkest Batman* uncovers Bale's transformation from shy, English child actor to Internet sensation to Hollywood bad boy. \*FOR DISTRIBUTION IN THE U.S. AND CANADA ONLY\*

*Speed Duel* Aug 12 2021 Looks at the rivalry between Craig Breedlove and Art Arfons as they aspired to set new land speed records during the 1960s.

*Industry Assistance* Apr 27 2020

*Appointment on the Moon* Apr 08 2021 The collection consists of typed manuscripts for Richard S. Lewis's 1967 book, *Appointment on the Moon* (which was first published in 1968 by Viking Press), and a revised 1969 edition.

*The Inside Story* Jan 17 2022

*Prince Harry* Mar 27 2020 \*\* Now updated to cover Harry and Meghan Markle's engagement. \*\* Prince Henry of Wales has emerged as the unexpected jewel in the crown of the modern British monarchy. Despite his unruly antics, for which he's made headlines all over the world, Harry has won the nation's admiration and respect through his commitment to helping injured servicemen and women with the *Invictus Games* and his spearheading of mental health issues. With updated chapters on Harry's flourishing relationship with American actress Meghan Markle, Duncan Larcombe's insightful and highly entertaining biography is the inside story of how a young prince has grown and matured into a respected soldier, charitable fundraiser and national figurehead who still retains his reputation as a heart-throb and lovable rogue.

*Inside Story* Dec 16 2021 'Utterly compelling' *Guardian* Life...is shapeless, it does not point to and gather round anything, it does not cohere. Artistically, it's dead. Life's dead. So begins a love letter to life, a resuscitation of sorts, encountering vibrant characters from Saul Bellow, to Philip Larkin to Iris Murdoch and Elizabeth Jane Howard, and to the person who captivated Amis' twenties, the alluringly amoral Phoebe Phelps. Amis addresses our burning questions: how to live, how to grieve, and how to die?

*The Inside Stories of Modern Political Scandals* Dec 24 2019 This book examines ten major political scandals involving the White House in the past 50 years, revealing how the investigative reporters behind the stories uncovered the hidden truths.

*Hornet* Dec 04 2020 The fascinating true story of the controversial development and deployment of the supersonic fighter jet that changed aerial warfare forever *The McDonnell Douglas F/A-18 Hornet* was born in 1978, a state-of-the-art supersonic fighter and attack aircraft with a top speed of Mach 1.8, more than one thousand miles per hour. It was versatile, fast, and reliable, and no war machine in the air could match it. The marines adopted it first, followed by the navy, impressed by its incomparable ability to engage in close aerial combat while at the same time efficiently delivering explosive payloads to designated enemy targets. It became the aircraft of choice for the US Navy's famous *Blue Angels* flight demonstration squadron in 1986 and served ably in combat from its first mission—America's launched air strike against Libya that same year—through 1991's *Operation Desert Storm* and well beyond. Yet the *Hornet* has always been shrouded in controversy, and while still in its planning stages, it sparked an unprecedented political battle that nearly doomed the miraculous machine before it could take flight. Orr Kelly, the acclaimed military author who has notably chronicled the remarkable histories of the US Navy SEALs and other branches of America's Special Forces, tells the fascinating true story of the *F/A-18 Hornet*—how it came to be, how it almost wasn't, and how it forever altered the way our nation's wars are fought.

*Presumed Guilty* Sep 20 2019 *New York Times* bestseller *Presumed Guilty* exposes shocking, never-before revealed, exclusive information from the trial of the century and the verdict that shocked the nation. When Caylee Anthony was reported missing in Orlando, Florida, in July 2008, the public spent the next three years following the investigation and the eventual trial of her mother, Casey Anthony. On July 5, 2011, the case that captured headlines worldwide exploded when, against all odds, defense attorney Jose Baez delivered one of the biggest legal upsets in American history: a not-guilty verdict. In this tell-all, Baez shares the defense knew but has not disclosed to anyone until now and frankly reveals his experiences throughout the entire case—discovering the evidence, meeting Casey Anthony for the first time, being with George and Cindy Anthony day after day, leading defense strategy meetings, and spending weeks in the judge's chambers. *Presumed Guilty* shows how Baez, a struggling, high-school dropout, became one of the nation's most high-profile defense attorneys through his tireless efforts to seek justice for one of the country's most vilified murder suspects.

*Arthur Allan Thomas* May 29 2020 Wrongly convicted of double murder in New Zealand's most baffling homicide inquiry, Arthur Allan Thomas spent nine years in prison before his convictions were finally quashed. Now, he's decided to finally reveal the full details of what happened to him inside, and outside, of jail. Award-winning investigative journalist Ian Wishart has hunted down significant new leads, and for the first time Arthur Allan Thomas describes his arrest, his time behind bars, and his life since his release. An incredible, never-before-told story.

*The Other Parent* Jul 23 2022 Examines how we have allowed media to bombard our children's lives and offers practical advice on countering the incessant parade of images that frighten, intrigue, and influence America's kids.

*Twilight Exposed The Inside Story of a Billion Dollar Franchise* Sep 01 2020

*The Endgame* Nov 15 2021 A Wall Street Journal Best Nonfiction Book of 2012 In this follow-up to their national bestseller *Cobra II*, Michael Gordon and General Bernard E. Trainor deftly piece together the story of the most widely reported but least understood war in American history. This stunning account of the political and military struggle between American, Iraqi, and Iranian forces brings together vivid reporting of diplomatic intrigue and gripping accounts of the blow-by-blow fighting that lasted nearly a decade. Informed by brilliant research, classified documents, and extensive interviews with key figures—including everyone from the intelligence community to Sunni and Shi'ite leaders and former insurgents to senior Iraqi military officers—*The Endgame* presents a riveting chronicle of the occupation of Iraq to the withdrawal of American troops that is sure to remain the essential account of the war for years to come.

*India: the Inside Story, Past, Present and Future* Oct 22 2019

*Aquanaut* Jul 31 2020 PRE-ORDER THE ENTHRALLING INSIDE STORY OF THE THAI CAVE RESCUE 'The British divers are all heroes' - Clive Cussler 'A case study in courage' - Ron Howard, Oscar-winning director of *Apollo 13* 'They were utterly alone inside the mountain, isolated from the rest of the world. They might as well have been on another planet. . . ' In July 2018, twelve boys and their football coach disappeared into Tham Luang Cave in Thailand. Trapped miles beneath the surface, not even the Thai Navy SEALs had the skills to bring them to safety. With the floodwater rising rapidly, time was running out . . . Any hope of survival rested on Rick Stanton, a retired Midlands firefighter with a living room full of homemade cave-diving equipment. As unlikely as it seemed, to those in the know, Rick and his partner, John Volanthen, were regarded as the A-team for exactly this kind of mission. The Thai Cave Rescue was the culmination of a lifelong obsession, requiring every ounce of skill and ingenuity accumulated by Rick over a four decade pursuit of the unknown. While the world held its breath, Rick, John and their assembled team raced against time in the face of near impossible odds. There was simply no precedent for what they were attempting to do . . . In *Aquanaut* Rick reveals the real story of the cave rescue for the first time. And of a life lived without compromise in which any mistake could have been his last. It's an edge-of-your-seat story of courage and conviction that will take you deep into the most remote and unforgiving places on the planet, told with humour, unflinching honesty, and a relentless drive for adventure. **THE RESCUE WATCHED BY THE WORLD** 'The Thai cave rescue was phenomenally dangerous, and the work of true heroes' - inews [The rescue] was fantastic, it really was . . . - HRH Prince William 'If it was me stuck anywhere, the one person I would want to come and rescue me is Rick Stanton.' - Alex Daw, Watch Commander, West Midlands Fire Service 'One of the great stories of our time' - Elizabeth Chai Vasarhelyi, Oscar-winning co-director of *Free Solo* 'Rick Stanton is not the most domesticated of men' - Sunday Telegraph

*My Master* Feb 18 2022 Reprint. Originally published: Dallas, Tex.: Manfred, Van Nort & Co., c1940.

*Head Start* Jun 29 2020 Zigler, who has been a consultant to every administration since he helped found Head Start in the sixties, tells the behind-the-scenes story of the program's rocky course, from its beginnings as "Project Rush-Rush" to today.

*Livewired* Oct 02 2020 "Eagleman renders the secrets of the brain's adaptability into a truly compelling page-turner." —Khaled Hosseini, author of *The Kite Runner* "Livewired reads wonderfully like what a book would be if it were written by Oliver Sacks and William Gibson, sitting on Carl Sagan's front lawn." —*The Wall Street Journal* What does drug withdrawal have in common with a broken heart? Why is the enemy of memory not time but other memories? How can a blind person learn to see with her tongue, or a deaf person learn to hear with his skin? Why did many people in the 1980s mistakenly perceive book pages to be slightly red in color? Why is the world's best archer armless? Might we someday control a robot with our thoughts, just as we do our fingers and toes? Why do we dream at night, and what does that have to do with the rotation of the Earth? The answers to these questions are right behind our eyes. The greatest technology we have ever discovered on our planet is the three-pound organ carried in the vault of the skull. This book is not simply about what the brain is; it is about what it does. The magic of the brain is not found in the parts it's made of but in the way those parts unceasingly reweave themselves in an electric, living fabric. In *Livewired*, you will surf the leading edge of neuroscience atop the anecdotes and metaphors that have made David Eagleman one of the best scientific translators of our generation. Covering decades of research to the present day, *Livewired* also presents new discoveries from Eagleman's own laboratory, from synesthesia to dreaming to wearable neurotech devices that revolutionize how we think about the senses.

*The Inside Story* Jun 10 2021 Part political memoir, part critical analysis of modern journalism, written by a journalist who played a prominent role in national issues and debates.

*The Inside Story of Medicines* Feb 24 2020

*Ritchie's: The Inside Story* Mar 07 2021 This insider's guide tells how David F. Ritchie founded and developed *Ritchie's*, achieving national and international recognition for skill, reliability, and service as auctioneers and appraisers. Ritchie reminisces about the firm's struggles and successes and about prominent Canadians whose collections his firm sold. "In this business, one never graduates. . ."

*Malcolm Arnold* Nov 03 2020 *The Inside Story* sweeps away the many myths that have surrounded the intriguing figure of Malcolm Arnold. It offers arresting new facts about his life, fresh insights into his music and much food for thought about the care of the mentally ill and its legal aspects.

*The Cruel Game* Jul 11 2021

*Bottle of Lies* Apr 20 2022 A NEW YORK TIMES BESTSELLER New York Times 100 Notable Books of 2019 New York Public Library Best Books of 2019 Kirkus Reviews Best Health and Science Books of 2019 Science Friday Best Books of 2019 New postscript by the author From an award-winning journalist, an explosive narrative investigation of the generic drug boom that reveals fraud and life-threatening dangers on a global scale—*The Jungle* for pharmaceuticals Many have hailed the widespread use of generic drugs as one of the most important public-health developments of the twenty-first century. Today, almost 90 percent of our pharmaceutical market is comprised of generics, the majority of which are manufactured overseas. We have been reassured by our doctors, our pharmacists and our regulators that generic drugs are identical to their brand-name counterparts, just less expensive. But is this really true? Katherine Eban's *Bottle of Lies* exposes the deceit behind generic-drug manufacturing—and the attendant risks for global health. Drawing on exclusive accounts from whistleblowers and regulators, as well as thousands of pages of confidential FDA documents, Eban reveals an industry where fraud is rampant, companies routinely falsify data, and executives circumvent almost every principle of safe manufacturing to minimize cost and maximize profit, confident in their ability to fool inspectors. Meanwhile, patients unwittingly consume medicine with unpredictable and dangerous effects. The story of generic drugs is truly global. It connects middle America to China, India, sub-Saharan Africa and Brazil, and represents the ultimate litmus test of globalization: what are the risks of moving drug manufacturing offshore, and are they worth the savings? A decade-long investigation with international sweep, high-stakes brinkmanship and big money at its core, *Bottle of Lies* reveals how the world's greatest public-health innovation has become one of its most astonishing swindles.
