you can contact them for free? Canada's General Mobile Radio Service, or GMRS, uses small UHF two-way radios for short-range wireless communications that cost nothing to the user. Without monthly service, usage, or licencing fees, GMRS is a perfect addition or substitute for other costly wireless services. For businesses, GMRS is perfect for short-range communications on a job site, in and around a warehouse or office building, and for all types of hospitality and retail applications. Personal safety, security operations, customer service, and management/employee intercommunication are just some of the uses corporations, industries, and businesses will find useful from GMRS radios. For personal use, GMRS keeps all members of a group in communications with each other. Shopping in a mall, camping, fishing, hiking, at a carnival or local event, traveling in two more vehicles, or in and around the house, are just a few of the extensive applications you will discover with GMRS radios. GMRS is also the perfect primary or backup radio communications system for public service, search and rescue, security, intelligence, and military use. With twenty-two available channels and two watts of output power, GMRS radios are far less expensive than commercial handheld radio units of equal specifications. And GMRS gives personal users the freedom to access commercial-quality radio communications for a fraction of the price. All you pay for are the radios. No operating, licencing, or usage fees apply. Communications range over open water is around 8-10km, with reduced range in rural or urban settings. Overall communications range in a warehouse or building setting can cover approximately two hundred thousand square feet, or about twenty floors of a building. The Complete Guide to Canada's General Mobile Radio Service shows you how to choose the right radio for your particular applications, where to buy the radios, radio specifications, gives you great examples of some of the uses of GMRS, and even has a glossary of GMRS terms. If you want or need short-range wireless communications without the costs of current wireless services and devices, GMRS could be the perfect solution. And The Complete Guide to Canada's General Mobile Radio Service is the only reference book that covers everything you

need to know to get most out of the service and the radios.

The Media Student's Guide to Radio

Production Mar 28 2022 This book is written for students enrolled on media production courses in further and higher education which include modules in radio broadcasting. It is particularly well suited to students in the United Kingdom who are taking BTEC Nationals and Higher Nationals, or OCR Nationals, or similar post-school vocational media programmes. That said, this book contains much that radio trainers and trainees outside the context of mainstream education, and even of the UK, will also find helpful. The rules and conventions may vary, but the skills required to do the job are much the same everywhere. The emphasis is upon the practical issues that arise when you, the student, are experiencing for the first time the challenge of working as a member of a team to launch and run a broadcast or internet radio station, and you are being assessed on how well you do.

The Great Outdoors: A User's Guide Nov 23 2021
"Leonard's durable tome (seriously, the cover is rubber) is stuffed with so many tips about surviving in the wild, you'll be able to leave your smartphone behind." —Entertainment Weekly, Best New Books
This easy introduction to outdoor life will ensure that even a novice won't get lost in the woods while finding an activity he loves to do in the great outdoors--whether it's hiking a 14er or camping on ice. With 400 strategies for engaging in the outdoors, and expert tips and tricks, *The Great Outdoors: A User's Guide* makes Mother Nature easier to understand than ever before. Brendan Leonard, writer, filmmaker, and outdoor adventurer, shows the reader how rewarding it can be to live life away from the computer and get outside. From mountain climbing, to skiing, sledding, and sailing, Leonard shows that you don't need to be a risk taker to enjoy the outdoors. And if the reader does find himself at the point of man vs. nature, Leonard shares survival skills from how to bandage a wound and read a topographical map, to how to drive on sand and remove a tick from your skin—all organized thematically and written in short takeaway entries with helpful line drawings.

Bound in a uniquely rugged (and waterproof!) PVC cover material, *The Great Outdoors: A User's Guide* is a friendly way into the outdoor lifestyle, whether you're looking to dabble or go all in.

Story behind the Protest Song: A Reference Guide to the 50 Songs That Changed the 20th Century Jun 06 2020
Protest songs are united by the fact they all have something to say, something to dispute, or something to rile against, whether it be political, social, or personal. *Story Behind the Protest Song* features 50 of the most influential musical protests and statements recorded to date, providing pop-culture viewpoints on some of the most tumultuous times in modern history. Among the featured: songs about the Vietnam War, the civil rights movement, the most recent upheaval over policy in the Middle East, as well as teenage rebellion, animal rights, criticisms of mass media, and even protest songs that lambaste other protest songs. This indispensable guide tackles it all: the behind-the-scenes stories of the most influential protest songs in American popular culture, examining the subjects they address, the legacy they left, and the fabric of the songs themselves. Chronically arranged entries cover nearly 70 years of music and offer an expansive range of genres, including rock, punk, pop, soul, hip-hop, country, folk, indie, heavy metal, and more. Each entry discusses the songwriter(s); the inspiration behind the song; and the social, cultural, and political context in which the song was released. Following a detailed musical and lyrical analysis, the entries explain the songs' impact and relevance today. Among the featured: • *The Unknown Soldier* (The Doors) • *Masters of War* (Bob Dylan) • *Say It Loud-I'm Black and I'm Proud* (James Brown) • *Get Up, Stand Up* (The Wailers) • *Big Yellow Taxi* (Joni Mitchell) • *Their Law* (Prodigy) • *American Idiot* (Green Day) • *Sweet Home Alabama* (Lynrd Skynrd) • *Born in the USA* (Bruce Springsteen) • *Southern Man* (Neil
