Algebra 1 Jun 24 2019 "The Holt McDougal Algebra 1 Teacher Edition includes teaching strategies, activities, technology tips and more to enhance instruction. Each chapter begins with a study guide preview and a section called Reading and Writing Math. Each section of every chapter of the teacher edition includes lab exercises, test prep and a quiz. At the end of each chapter, teachers find extra help from a study guide review, chapter test, college entrance exam practice, test tackler, and standardized test prep."--Publisher's Web site.
