Business Law Today Aug 22 2021 This text provides the legal credibility, authoritativeness, and comprehensiveness of a traditional business law book, while also offering the visual appeal and student friendly features students are used to seeing in books for many of their other courses. Though the text is "fun" for students to read, it does not accomplish this at the expense of important information – it goes into the necessary detail to completely explain law topics. The book truly offers an instructor the best of both worlds – a credible business law source, which students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. It also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles – a reflection of West Legal Studies in Business's continual commitment to partnership, leadership, and innovation in providing the highest quality materials available for Business Law instructors and students. This text explicitly meets the AACSB curriculum requirements.

European Tax Law Seventh Edition Oct 04 2022 The seventh edition of this two-volume set brings a comprehensive and systematic survey of European Tax Law up to January 2018. It provides a state of the art clarification and analysis of the implications of the EU Treaties and secondary EU law for national and bilateral tax law. From the consequences of the EU free movement rights - to the soft law meant to put a halt to harmful tax competition. The seventh edition of European Tax Law offers a cutting-edge analysis of the field surrounding tax law across Europe. It puts forward a thought-provoking discussion of the current EU tax rules, as well as of the EU Court's case law in tax matters. Previous editions were highly regarded as a staple overview of EU tax law among EU tax law practitioners, policymakers, the judiciary and academics alike. With its updated legislation and case-law up to January 2018, this new edition maintains its unparalleled depth and clarity as the go-to reference book in the field. This first volume of the abridged student edition of 'European Tax Law' covers: 1. The consequences of the EU free movement rights, the EU State aid prohibition, the EU Charter of Fundamental Rights and the general principles of EU law for national tax law, tax treaties, national (tax) procedure, State liability and relations with third States, as they appear from the case law of the Court of justice of the EU 2. Secondary EU law in force and proposed on direct taxes: the Parent-Subsidiary Directive, the Tax Merger Directive, the Interest and Royalties Directive, cross-border tax dispute settlement instruments, the Anti-Tax Avoidance Directive and the C(C)CTB proposal 3. The exchange of information and other administrative assistance in the assessment and recovery of taxes between the EU Member States 4. Soft Law on Harmful Tax Competition 5. Procedural matters and the extent of judicial protection The upcoming second volume of this set will cover harmonization of indirect taxation, energy taxation and capital duty, as well as administrative cooperation in the field of indirect taxation.

Connected eBooks provide what you need most to be successful in your law school classes. Learn more about Connected eBooks Intended for use in an International Law survey course, International Law, Seventh Edition provides comprehensive coverage of foundational international law questions, including the nature and sources of international law, core doctrinal topics such as the subjects of international law (states and international organizations), and the jurisdictional powers and immunities of states. The book also addresses key substantive topics in international law, with reference to important contemporary foreign policy issues, such as (i) international human rights, (ii) the law of the sea, (iii) international environmental law, (iv) the use of force and the law of armed conflict, and (v) international criminal law. Key Features: New co-author Duncan Hollis of Temple Law School joins Stanford Law School's Allen Weiner as the active authors of the book. New discussions of major international developments, including the law governing the use of force [e.g., cyber operations and the military campaign against the Islamic State (ISIS)], nonproliferation (e.g., the Iranian and North Korean nuclear crises), the law of the sea (e.g., disputed maritime claims in the South China Sea), and international environmental law (e.g., the conclusion of the Paris Agreement). New case study in Chapter 1 focused on the international response to the rise of ISIS. Inclusion of extended excerpts from a number of major recent Supreme Court decisions related to international law, including *Bond v. United States* (on fundamental principles of federalism and the treaty power under Article VI of the Constitution), *Zivotofsky v. Kerry* (on the separation of powers between Congress and the President in the field of foreign affairs), and *Kiobel v. Royal Dutch Petroleum Co.* (on the Alien Tort Statute). Adopts a modern, conceptual approach to the presentation of materials on statehood (including Palestinian claims to statehood), international organizations, and international dispute resolution.

Europees Belastingrecht Nov 05 2022 Het boek Europees belastingrecht is een bundeling van dertien opstellen van verschillende auteurs – specialisten in het fiscaal recht - over uiteenlopende deelaspecten van het Europees fiscaal recht. Door de bundeling van deze opstellen wordt een systematisch overzicht geboden van de stand anno 2004 van het Europees belastingrecht en van de belangrijkste ontwikkelingen die het fiscaal recht op Europees niveau ondergaat. Waar nodig en wenselijk gaat ook aandacht naar de weerslag van het Europees belastingrecht op het Belgisch belastingrecht. De dertien delen van het boek behandelen volgende thema's: het institutioneelrechtelijk kader van de Europese Unie in zoverre dit relevant is voor een goed begrip van het Europees fiscaal recht; de (materieelrechtelijke) beginselen van het Gemeenschaprecht in directe belastingzaken; de Spaarrichtlijn, de Interest- en royaltyrichtlijn, de Moeder-dochterrichtlijn en de Fusierichtlijn); de grensoverschrijdende samenwerkingsvormen, i.h.b. de Europese vennootschap; de fiscale en sociale zekerheidsrechtelijke aspecten van

grensoverschrijdende tewerkstelling van werknemers en zelfstandigen; een actuele stand van zaken inzake de BTW en de Douane; de Kapitaalbelastingrichtlijn; het formeel Europees belastingrecht (het Arbitrageverdrag en de Europese richtlijnen inzake informatieuitwisseling).

Constitutional Law Nov 24 2021 A unique multidisciplinary approach characterizes the leading *Constitutional Law*. A variety of critical and social perspectives draw on political theory, philosophy, sociology, ethics, history, and economics to give a contemporary look at constitutional law within its traditional doctrinal structure. A mixture of lightly and more heavily edited cases allows close analysis while providing a broad array of important opinions and pivotal cases. Extensive material summarizes the state of the law and its development. *Constitutional Law* "ideal for two-semester courses" follows a logical two-part organization, beginning with the balance of powers among the Supreme Court and local, state, and federal governments and moving to the rights and powers of individuals. The excellent coverage of First Amendment law is clear and concise, and a distinct annual supplement separates First Amendment materials from the rest for ease of research. The Seventh Edition presents new material on originalism and the right to bear arms; incorporation and the Second Amendment; and *Libya and the War Powers Resolution*. Full, analytic treatment of the Supreme Court's decisions in the *Affordable Care Act* is presented. Coverage of the preemption doctrine is expanded. A new discussion of the Religion Clauses' treatment considers church autonomy in light of *Hosanna-Tabor*. The text on freedom of expression has been revised to incorporate new cases such as *Citizens United v. Federal Election Commission* (on campaign finance regulation), *Snyder v. Phelps* (on intentional infliction of emotional distress), *Brown v. Entertainment Merchants' Ass'n* (on violent video games), *FCC v. Fox Television Stations* (on expletives in broadcasting), and *United States v. Alvarez* (on criminal liability for lying about receiving medals of honor.) New material on privacy and the Internet brings the Seventh Edition completely up to date.
