Valentine Pescatore is trying to start over in Buenos Aires. But everything changes when an old friend reappears - just before a terrorist attack. A call placed to Pescatore's phone makes him a suspect, and he knows there is only one possible connection. To clear his name, he must join agents from three countries to track the suspected terrorist who was once his closest confidant. From the jungles of South America to the streets of Paris, from the mansions of the Spanish Riviera to the compounds of Baghdad, THE CONVERT'S SONG leads Pescatore on a high-speed chase to stop the deadly convert before he strikes again.

Got My Own Song to Sing

Jun 06 2020 I describe in this book how the Post Traumatic Slave Syndrome has historically and currently affected my own family, and subsequently many other Black families. The book suggests that pre-slavery, Middle Passage, post-slavery, and modern-day conditions contributed to the Black family's pathologies. It goes on to demonstrate the manifestation of some of these specific problems in my family that has been caused by these historical conditions. It shows how the past continues to write on the slate of today. It also implies that the Post Traumatic Slave Syndrome will continue to affect the Black family in the distant future.

Golem Song Nov 11 2020 By some incalculable force of human attraction, Alan Krieger has two lovers. A man of his girth and compulsion, a man who cannot stop talking and who believes the world to be completely irrational, should not take one companion for granted, much less two.

Women who can tolerate his anger, his obsessions, and his antic clowning all at the same time are not easy to come by. But when the thought arises in Alan that he's been "chosen" to deliver Jewish America from the threat of Anti-Semitism, then all his connections to reality fall away, including those to his lovers and his family. Recalling the folktale of the Golem—the Frankensteinian giant of clay that saved the Jews in 16th Century Prague—Alan lays out a plan of attack and then sets to making the most outrageous of preparations in the culture wars, in New York City at the turn of the millennium. Like each of the acclaimed Estrin novels that have preceded it, Golem Song is an allusive, manic, and wildly comic approach to some of the most serious and difficult cultural questions of our time.

Green River Valley May 06 2020 Green River Valley, Robert Lashley's third poetry collection, is an unapologetic and harrowing look at

gentrification, racism, and personal and collective loss in his hometown of Tacoma, Washington. With each poem, Lashley asks readers to bear witness to his lived experiences there and to honor the people, places and memories that shaped him alongside the city we know today. Lashley pulls no punches in this collection, which showcases his signature, rhythmic eloquence and acuity more than ever. His narrative threads expose hidden intimacies amid trauma and ambivalence in the face of institutionalized racism. Readers will leave this book asking, how do we build and honor a city's legacy, and what part did we take in that journey?

My Song Oct 03 2022 Written with Vanity Fair contributing editor Michael Schnayerson, My Song is an inspiring story of performance and protest, from a superstar singer and actor who was on the front lines of practically every progressive political battle in modern memory. Along the way, he befriended some of the most influential figures of the 20th century, from Tony Curtis, Marlon Brando and Sidney Poitier to Martin Luther King, the Kennedys, Eleanor Roosevelt, Fidel Castro, James Baldwin, Bob Dylan and Nelson Mandela. From his impoverished childhood in Harlem and Jamaica, through his meteoric rise as an international calypso star, provocative crossover into Hollywood where he broke down many racial barriers, passionate lifelong involvement in the civil rights movement

and myriad other social causes, to his personal struggles and rich friendships, this is a remarkable, multifaceted and hugely inspirational story. "A man whose story should be told for generations to come" (Robert Redford)

The Love That Matters Jan 26 2022 A blond-haired, blue-eyed Lutheran man is approached on the streets of Chicago by members of the Latin Kings so he may teach them how to pray, and he does so with grace--this man's story, one suspects, isn't going to be a typical one. Life has not been easy for Charles Featherstone. From being bullied by peers and teachers in school, to his refusing to become a bully himself by leaving the armed services, to wandering the world in search of work and finding unexpected hospitality as an outsider nearly everywhere, to witnessing the 9/11 attacks from his nearby office, Featherstone's story is a tale of survival akin to Jacob's wrestling the angel at the River Jabbok. It may well leave the reader limping a bit, too, for the encounter with God found in these pages is stark and startling. Truly God's love knows no bounds and cannot be captured by labels--but as Featherstone's life attests, that love just might capture you.

Memory, Identity and Cognition: Explorations in Culture and Communication

Aug 28 2019 The book analyses a variety of topics and current issues in linguistics and literary studies, focusing especially on such aspects as memory, identity and cognition. Firstly, it discusses the notion of memory and the idea of reimagining, as well as coming to terms with the past. Secondly, it studies the relationship between perception, cognition and language use. It then investigates a variety of practices of language users, language learners and translators, such as the use of borrowings from hip-hop and slang. The book is intended for researchers in the fields of linguistics and literary studies, lecturers teaching undergraduate and master's students on courses in language and literature.

Redemption Song Oct 11 2020 Owner of a small African-American bookshop, Miss Cozy has an unique gift: Customers who walk through her door rarely leave without a book that speaks directly to their life. But when Josephine--"Fina"--and Ross arrive in search of an obscure, unpublished manuscript written by a slave woman, Miss Cozy knows that all her visions have been leading her to this magical day. Yet Miss Cozy has no intention of selling the manuscript--no matter the price. So she offers Fina and Ross an alternative. They can read it together at the store. It was not what they hoped for, but their interest in the extraordinary love story is about as strong as their uncanny attraction for one another . . . one they both sense runs much deeper than a kiss. In the course of a few days, Fina and Ross realize that this powerful book has special meaning for the two of them--and that the path to their shared future may be linked to something that happened more than a century ago. . . .

Sound Clash Jul 20 2021 Megawattage sound systems have blasted the electronically-enhanced riddims and tongue-twisting lyrics of Jamaica's dancehall DJs across the globe. This high-energy raggamuffin music is often dismissed by old-school roots reggae fans as a raucous degeneration of classic Jamaican popular music. In this provocative study of dancehall culture, Cooper offers a sympathetic account of the philosophy of a wide range of dancehall DJs: Shabba Ranks,

Cooper also demonstrates the ways in which the language of dancehall culture, often devalued as mere 'noise,' articulates a complex understanding of the border clashes which characterize Jamaican society, and analyzes the sound clashes that erupt in the movement of Jamaican dancehall culture across national borders.

My Song (Enhanced Edition)

Sep 02 2022 This deluxe eBook edition of Harry Belafonte's remarkable memoir includes nearly eighteen minutes of original video—Mr. Belafonte talking about his first meeting with Martin Luther King, Jr. . . . his friendship with Sidney Poitier . . . the making of "We Are the World" . . . and much more—the bonus song "Jump in the Line" from the companion album Harry Belafonte—Sing Your Song: The Music; and the book's photographs compiled as a slide show. Harry Belafonte is not just one of the greatest entertainers of our time; he has led one of the great American lives of the

twentieth and twenty-first centuries. Now, at last, this extraordinary icon tells us about it all—his poverty-ridden childhood in Harlem and Jamaica; his meteoric rise to become one of the world's most popular singers, breaking down racial barriers that no one had broken before, achieving equal popularity with white and black audiences; his lifelong, passionate involvement at the heart of the civil rights movement and countless other political and social causes. Along the way he's befriended many beloved and important figures in both entertainment and politics—Paul Robeson; Eleanor Roosevelt; Sidney Poitier; John F. Kennedy; Marlon Brando; Martin Luther King, Jr.; Robert Kennedy; Nelson Mandela; Fidel Castro—and writes about them with the same exceptional candor and insight with which he reveals himself on every page. As both an artist and an activist, Belafonte has touched the lives of countless men and women. With My Song, he has found yet another way to entertain and inspire us. It is an electrifying memoir from a remarkable man.

Destiny's Song Dec 13 2020

Jimmy and Destiny have been in love since the day they met. It seemed as though nothing could be stronger than the love they had for each other. Could something so earthly and primal as human nature,

jealousy, seduction and lies reach them, changing their providence, causing their love to end? Would the words, written by Jimmy from his heart, prove to be nothing more than mere mellifluous noise? something to be hummed to on the radio like an everyday pop tune? Someone had told a lie and it would take real love? true love, to fix it. Before it was too late.

The Common Ghetto Nerd Reader Aug 01 2022 Essays on Race, sexuality, Literature, and Culture from " One of the most dangerous liberals in America" *The Beauty I Have Seen* Jan 14 2021 *The Beauty I Have Seen*. A Trilogy comprises three phases in a poetic journey, ranging from the poet (here called a minstrel) as a public figure, a traveller and observer of humanity, to one grounded in the landscape and fate of his native land. In the various sections of "The Beauty I have Seen", "Doors of the Forest" and "Flow and other Poems", Tanure Ojaide expresses multifarious experiences, private and public, that capture the poet's sensitive life in sensuous images. In these poems that flow like a narrative, form and content fuse into a mature poetic voice at once passionate and restrained, relaxed and poignant.

Animal V: Executioner's Song Jul 08 2020 When the Grand Design is finally revealed it will spell the last ride for Mr. Armed and Brokenhearted. In this final installment of the widely popular "Animal" series, we find our anti-hero on a hunt for the woman who forced him to pick his guns back up when she burned his entire world down. The traitorous, Red Sonja. She alone holds the key to saving his children and avenging his murdered wife, Gucci, but first he has to find her. To do this, Animal reassembles his old gang: The Dog Pound for what will prove to be their most dangerous mission yet. The stakes are higher than ever and not everyone is expected to make it, but the members of the Pound readily accept the task and the risks that come with it. With his old friends, and a few new ones, Animal is on the hunt for his elusive prey. Then the unthinkable happens and there is an earth-shattering discovery that will change everything, including loyalties. Meanwhile, the Black Lotus finds herself a prisoner in a place she had once called home. Having been branded a traitor by the Brotherhood of

Blood, she is remanded to the mountain fortress while awaiting trial for the crimes she stands accused of. Unbeknownst to her, there are some within the Brotherhood who would rather see her dead than exonerated. Kahllah has unearthed a dark conspiracy which could clear her name, but at the cost of destroying the Brotherhood of Blood, which makes her a threat to the conspirators and a moving target. The hunter finds herself the hunted and her only chance of surviving the mountain will be to place her fate in the hands of an unlikely champion. The table is set finally set and the meal served. Pull up a chair, because this will be the "Last Supper." #TeamAnimal

The Homeboy Songs Nov 04 2022 Poetry. THE HOMEBOY SINGERS is Robert Lashley's complex homage to the black community of Tacoma, Washington. As part of a Northwest population with people from the deep South and a survivor of the Hilltop gang wars of the early 90's, Lashley's poetry makes sense of the multitude of voices that have surrounded him over the years. His passion joins high lyric poetry burnished by narrative structure, with a language attuned to the ear and the complexities of the human voice.

[24-Carat Black's Ghetto: Misfortune's Wealth](#) Sep 21 2021 In 1973, the musical collective 24-Carat Black released an unheralded masterpiece on Stax Records- and then disappeared. Ghetto: Misfortune's Wealth, a soul-funk concept album primarily written by the ex-Motown arranger Dale Warren, was too bleak, ambitious, or just outright bizarre to reach mainstream audiences. 24-Carat Black collapsed when Stax went bankrupt, and the group's only completed album sank into cultural obscurity. of cinematic details, this book traces how Ghetto went from commercial flop to enigmatic underground classic embraced by the hip-hop community. It also chronicles, in infuriating detail, how the music industry of the 1970s systematically exploited soul musicians and then left them struggling to get paid-and where 24-Carat Black fits into this broader injustice. This is a fascinating and multilayered story about a remarkable album nearly lost to history. It's also a rare glimpse into what it's like to have your music resurrected by rap samples decades after your career fell apart.

[In, Out and Beyond](#) Jan 02 2020 The essays presented in this volume are a peer-reviewed selection of some of the best papers presented during the 3rd Crossing Over Symposium at Cleveland State University from October 9-11, 2009. Scholars from the United States, Canada, Belgium, France, Spain, Italy, India, Israel, and the United Kingdom came together to examine border experiences from different points of view. Originally the organizers called upon a diversity of borderland possibilities for this conference: cultural, political, educational, religious, international, intranational, linguistic, gender, ideological, age, tribal, social class/caste, identity, and neighborhoods. The definition of borderland was not limited to territorial spaces, but rather was open to any kind of confrontation/encounter

affecting different situations of our lives. The call for this conference was interdisciplinary in nature, and its intent was to open a discussion between the humanities and the social sciences on the dynamic issue of borders.

Sinatra! The Song Is You May 18 2021 Frank Sinatra was the greatest entertainer of his age, invigorating American popular song with innovative phrasing and a mastery of drama and emotion. Drawing upon interviews with hundreds of his collaborators as well as with "The Voice" himself, this book chronicles, critiques, and celebrates his five-decade career. Will Friedwald examines and evaluates all the classic and less familiar songs with the same astute, witty perceptions that earned him acclaim for his other books about jazz and pop singing. Now completely revised and updated, and including an authoritative discography and rare photos of recording sessions and performances, *Sinatra! The Song Is You* is an invaluable resource for enthusiasts and an unparalleled guide through Sinatra's vast musical legacy.

Is It Still Good to Ya? Apr 16 2021 *Is It Still Good to Ya?* sums up the career of longtime Village Voice stalwart Robert Christgau, who for half a century has been America's most widely respected rock critic, honoring a music he argues is only more enduring because it's sometimes simple or silly. While compiling historical overviews going back to Dionysus and the gramophone along with artist analyses that range from Louis Armstrong to M.I.A., this definitive collection also explores pop's African roots, response to 9/11, and evolution from the teen music of the '50s to an art form compelled to confront mortality as its heroes pass on. A final section combines searching obituaries of David Bowie, Prince, and Leonard Cohen with awed farewells to Bob Marley and Ornette Coleman.

Listening to Poetry Jun 30 2022 A sad thing happens to most people somewhere between preschool and college: we unlearn our natural love of poetry, a love rooted in sound and surprise, pattern and play, discovery and delight. That loss is a tragedy that this book aims to reverse. Based on fifteen years of teaching, and dedicated to the belief that rigor and accessibility are compatible, *Listening to Poetry* takes nothing for granted, and builds students' confidence and skills from the ground up. It

uses innovative, student-centered, and process-based approaches, including practical how-tos and skill-focused exercises for every subject covered. Poems don't have to be approached like riddles to be solved, codes to be cracked, or prisoners to be interrogated. There is a better way, and it starts right here. Don't take our word for it, though. Listen to students who've read this book: "I need to give full appreciation to this book for my new-found love of poetry... I have found myself a new hobby." "Before this book I was overwhelmed by poetry and felt I would never be artistic enough to create or analyze it. Now I feel very comfortable...

and am excited to continue my appreciation for the art." "I have found my love for poetry from reading this book. I have learned how to read poetry and how to understand it."
