De uitzondering Dec 14 2020 De vriendinnen Iben en Malene werken in het Deens Centrum voor Informatie over Volkerenmoord waar ze informatie over volkerenmoord verzamelen en doorgeven aan onderzoekers, politici, hulporganisaties en andere belangstellenden. Zo dragen ze bij aan het analyseren en bestrijden van het grote kwaad. Als een van de collega’s via een mail met de dood wordt bedreigd, gaat de verdenking eerst naar iemand in het circuit van oorlogsmisdadigers die onderwerp van onderzoek zijn. Tot blijkt dat de afzender in eigen kring gezocht moet worden en dat ieder mens een schaduwzijde heeft.

The End of the World Running Club Dec 02 2019 #1 International Bestseller "A fresh and frighteningly real take on what "the end" might be...quite an exciting and nerve-wracking 'run', with characters you believe in and feel for."--New York Times bestselling author Robert McCammon Perfect for fans of The Martian, this powerful post-apocalyptic thriller pits reluctant father Edgar Hillin a race against time to get back to his wife and children. When the sky begins to fall and he finds himself alone, his best hope is to run •- or risk losing what he loves forever. When the world ends and you find yourself forsaken, every second counts. No one knows this more than Edgar Hill. Stranded on the other side of the country from his wife and children, Ed must push himself across a devastated wasteland to get back to them. With the clock ticking and hundreds of miles between them, his best hope is to run -- or risk losing what he loves forever.

Witch's Pyre Apr 29 2022 The final book in The Worldwalker Trilogy - inspired by the Salem witch hunt - Witch's Pyre is the electrifying conclusion from internationally bestselling author of the Starcrossed series, Josephine Angelini.If you fail, you burn.Lily Proctor has come a long way from the weak, sickly girl she used to be. She has gained power as a witch and a leader, found her way home, chosen to face battle again, and (after losing her first love and being betrayed by her new love) she has learned more about loss and grief than she ever wanted to know.Thrust once again into a society different from anything they have ever seen, Lily and her coven are determined to find answers to find a new path to victory, a way to defeat the monstrous Woven without resorting to nuclear weapons or becoming a tyrannical mass murderer like her alternate self, Lillian. But sometimes winning requires sacrifices . . . and when the only clear path to victory lies at Lillian's side, what price will Lily be willing to pay?

De Groene Engeltoren Jan 03 2020 De Belegering is het derde deel van 'Tad Williams' vierdelige epos Heugenis, Smart en het Sterrenzwaard, de reeks die George R.R. Martin inspireerde om Het Lied van IJs en Vuur te schrijven. Wanneer de kwade volgelingen van Ineluki de Stormkoning, de onodde vorst van de Sithi, zich met hun donkere krachten voorbereiden op de allesvernietigende veldslag, en koning Elias steeds dieper verstrikt raakt in hun duistere wereld, bundelen de medestrijders van prins Jozua hun krachten bij het laatste toevluchtsoord en verzamelpunt: de Steen des Afscheids. De tijd dringt, en de overlevenden van het Verbond van het Geschrift komen eveneens bij elkaar om raadsels uit het verleden op te lossen. Alleen zo kunnen Jozua en de zijnen de machtige vijand verslaan... 'Baanbrekend... veranderde de manier waarop mensen dachten over het genre, en maakte de weg vrij voor veel moderne fantasy. Inclusief mijn werk.' Patrick Rothfuss

Firewalker Oct 04 2022 Firewalker - the follow-up to Trial By Fire - is another sexy, fast-paced thrill ride from internationally bestselling author of the Starcrossed series, Josephine Angelini. Witches do not die quietly Lily Proctor has made it back to her own universe, and it's finally time for her and Rowan to be happy and relax. True, she almost died in the Pyre that fueled their escape, and they must hide her new magic for the safety of the world, but compared to fighting the monstrous Woven and leading armies in the alternate Salem, life is looking good. Unfortunately, Lillian, ruthless ruler of the thirteen Cities, is not willing to let Lily go that easily. Lily is the closest version of herself she's ever seen in all her worldwalking, and Lillian's running out of time. If she can't persuade Lily and Rowan to return to her world, she'll have to find a way to make them come back. Inspired by the Salem witch hunt, continue The Worldwalker Trilogy with Witch's Pyre.

World-Walker Aug 02 2022 Melisa Michaels' newest novel, "World-Walker," is a tale of alternate realities, love, and the possible destruction of the universe. The creation of Central, with its corps of trained world-walkers, signaled the beginning of the end of the Ages of Chaos, but it took generations to restore peace, order, and the integrity of the worlds. It is common wisdom that unregulated travel between the countless parallel worlds that make up our universe weakens their boundaries and in the long term threatens them all. But common wisdom is not always accurate. Suli Grail is a world-walker whose sworn duty is to uphold the integrity of worlds. Jesse Farrell, known to Central as the Other, was Suli's lover . . . until he stole her gatestone so he could walk where he pleased, searching for the one perfect world that would bring him peace. In his travels, the Other enters the world of another Jesse Farrell, thus knocking him out of it. Now Suli must capture or kill her lover. Jesse Farrell must find his way back to his world without losing the woman he has come to love in his new world, and the Other must face his past to learn the secret of the gates between worlds . . . or die trying. Melisa Michaels lives in North Dakota.

Resilience Thinking Feb 02 2020 Increasingly, cracks are appearing in the capacity of communities, ecosystems, and landscapes to provide the goods and services that sustain our planet's well-being. The response from most quarters has been for "more of the same" that created the situation in the first place: more control, more intensification, and greater efficiency. "Resilience thinking" offers a different way of understanding the world and a new approach to managing resources. It embraces human and natural systems as complex entities continually adapting through cycles of change, and seeks to understand the qualities of a system that must be maintained or enhanced in order to achieve sustainability. It explains why greater efficiency by itself cannot solve resource problems and offers a constructive alternative that opens up options rather than closing them down. In Resilience Thinking, scientist Brian Walker and science writer David Salt present an accessible introduction to the emerging paradigm of resilience. The book arose out of appeals from colleagues in science and industry for a plainly written account of what resilience is all about and how a resilience approach differs from current practices. Rather than complicated theory, the book offers a conceptual overview along with five case studies of resilience thinking in the real world. It is an engaging and important work for anyone interested in managing risk in a complex world.

Children of the Deterrent Aug 29 2019 The new novel by the author of the bestselling The World Walker series."My name is Daniel Harbin and I'm a child of The Deterrent."What if a super human turned out not to be so super...or even human? Britain's superhero, The Deterrent, was unveiled to the world in 1979, and disappeared two years later.The truth about his origins has never been revealed. The rumours about his children-those that survived-and their mysterious abilities have never been confirmed.Until now.Armed with a diary that reveals everything about The Deterrent's early years, Daniel Harbin-discovering powers of his own-finds himself dragged into the same secretive government department his famous father worked for. Can a halfhero be a better superhero than his father, or is Daniel making a terrible mistake?When the wrong people know what you're capable of, no matter how powerful you are, you're still in danger....

Hounds Abroad, Book Two Sep 10 2020 Lily is desperate to have Delilah in her life, even though her mother is doomed to spend the rest of time in the Void of Nothingness. Lily thinks she might have found a way to res-cue her, even if it is a little risky... Matt Lannings is desperate to keep Lily safe; he's also on a crusade to improve the lot of mistreated dogs. The reappearance of someone he thought he'd never see again threatens to foil him. Sebastian Hounds are never desperate. They're always laid-back, and supportive, and enthusiastic, even when their humans lead them into jeopardy. KATIE FFORDE: "Magical! Full of warmth and humour."

David Walker's Appeal, in Four Articles Jun 27 2019 In 1829 David Walker, a free black born in Wilmington, North Carolina, wrote one of America's most provocative political documents of the nineteenth century, Walker's Appeal to the Coloured Citizens of the World. Decrying the savage and unchristian treatment blacks suffered in the United States, Walker challenged his 'afflicted and slumbering brethern' to rise up and cast off their chains. Walker worked tirelessly to circulate his book via underground networks in the South, and he was so successful that Southern lawmakers responded with new laws cracking down on 'incendiary' anti-slavery material.

Witch School Third Degree Oct 24 2021 The three-volume Witch School teaching series will prepare you for initiation into all three degrees of Correllian Wicca, one of the largest and fastest growing Wiccan traditions in the world. As an additional bonus, WitchSchool.com offers many optional interactive features to enhance your textbook learning experience. The Path of the High Priest and Priestess The twelve lessons of the Witch School's Third Degree are for those who choose to follow the path of Wiccan High Priest or High Priestess. More so than the earlier degrees, the Third Degree is a vocation—a call to lead, inspire, and instruct others on the Wiccan journey. You'll be ready to assume the essential duties of Wiccan clergy—teaching, transformative energy work, and oracular work—when you successfully complete the lessons of the Third Degree: Clergy Standards and Behavior • Public Ritual Astral Travel and Shapeshifting • Remote Viewing The Nature of the Soul • The Nature of Time • The Ennead Karma, Akasha, and Past Lives • Drawing Down the Moon Conscious Incarnation • Temple Management • The Future Completion of the twelve lessons in this book makes you eligible for initiation into the Third Degree of Correllian Nativist Wicca and the role of High Priest or High Priestess.

The World Walker Nov 05 2022 Exploring forgotten history and the nature of reality, The World Walker is an adventure of magic and mystery, set during a world-transcending struggle for freedom in a future time of global supremacy. During a time when the hidden leaders of the world are converging into a global elite oligarchy, a common problem of rebellion is spreading and about to reach a pinnacle. Nobody can see this more clearly than Jen, a Raiceman soldier, desperately wishing to escape a life of combat and explore his roots and Elera, who finds herself drawn into a sacred journey to rediscover the true history of humanity. Jen and Elera soon discover their interwoven parts in a story that has unfolded throughout antiquity. Wise protectors and powerful demons step from the shadows to reveal their part in the history of the universe. New worlds open, as those craving power and those seeking freedom are brought together in a series of melodic events. A story of hope, courage and freedom, The World Walker explores the physical, dream and spirit realms of existence.

Stolen Secret Sep 22 2021 For centuries, when calamity has approached the Mortal World, a World Walker has appeared to prevent disaster from destroying, well, everything. The problem for Diana Silverwell is that a World Walker has appeared in front of her and neither of them knows what that means. With only a rumor to lead them forward, Diana and Kan'sa must discover the secrets of a nation and stop a hidden threat before it's too late. Lives at stake, they must uncover the truth long since hidden away. But will they be ready when they discover that truth?

A Man & A Pram Jun 19 2021 An extraordinary story, told with immense humour, of true grit and determination against the odds to fulfil a dream that had been many years in the making, one that took the 'World Walker' through every gamut of emotion, from fear to triumph and desperation to sheer joy. It was a defining achievement.

Walker's Marsupials of the World Jul 21 2021 Authoritative and engaging, this volume from the Walker's Mammals series focuses on marsupials, pouched animals whose unusual method of reproduction—between egg laying and placental birth—places them in a unique category among mammals. A comprehensive guide to the biology and distribution of marsupials, this book includes common and scientific names, size and physical traits, habitat and ecology, behavior and social interactions, reproduction, life span, and conservation. The text is coupled with illustrations from the collections of leading photographers and the world's greatest museums. An introduction by marsupial expert Christopher R. Dickman describes the evolution and current status of marsupials and reveals why they add so much intrigue to the natural world.

A Long Stride Sep 30 2019 The history of Johnnie Walker, tracing its roots back to 1820, is also the history of Scotch whisky. But who was John Walker – the man who started the story? And how did his business grow from the shelves of a small grocery shop in Kilmarnock to become the world’s No. 1 Scotch? A Long Stride tells the story of how John Walker and a succession of ingenious and progressive business leaders embraced their Scottish roots to walk confidently on an international stage. By doing things their own way, Johnnie Walker overturned the conventions of late Victorian and Edwardian Britain, survived two world wars and the Great Depression, coming back stronger each time, to become the first truly global whisky brand, revolutionising the world of advertising along the way. Ultimately the story is a testament to how an obsession with quality and a relentless drive to always move forward created a Scotch whisky loved in every corner of the world

The Seventeenth Year Dec 26 2021 What if every choice you ever made had the power to reshape reality?Joni, the daughter of World Walker Seb Varden, has never met her father. De wandelaar May 31 2022 Een man krijgt bij een brand een hond in zijn schoot geworpen. Die operatie aan andere wereld voor hem: die van illegalen en zwervers. Het verandert Parijs én de man: hij wil helpen, goed doen. Mulder wandelde met zijn hond en stond stil onder het lichtgroene dak van een tot parasol gesnoeide plataan. Wat met de mensen niet lukte, leefde de stad uit op haar parken. De voorstad mocht branden, op het gazon werd niet gelopen. Niets werd er beter bewaakt, omheind en verzorgd dan dat. Mulder zag alleen de netheid. En zijn hond? Die sprong op de heuphoge muur die het park omringt om zijn baas recht in de ogen te kunnen kijken. Ze liepen even hoog met elkaar op. Wang tegen wang. Het leek of de hond hem iets wou zeggen. Maar Mulder keerde zich van hem af. En ook 's avonds op bed ontweek hij die sprekende ogen aan het voeteneind en gooide hij een deken over zijn kop. De hond schudde zijn blinddoek telkens af en bleef kijken. Mulder kon er niet van slapen. Hij verborg zich achter een boek, maar kon geen letter lezen door het gehijg achter de kaft; hij trok een fles wijn open, smeerde toastjes, dacht aan zijn cholesterol en voerde de helft op aan zijn hond. Daar werden ze allebei zo wakker van, dat er een tweede fles aan moest geloven een loodzware bordeaux. En de nacht bleef maar duren. 'Wat wil je van me?' riep hij ten einde raad. De hond zweeg. '

Powers of the Press Jun 07 2020

Walker's Carnivores of the World Oct 31 2019 Although they are highly intelligent, ruthless predators, carnivores are increasingly rare. From the dwarf mongoose to the polar bear, carnivores are at once respected and misunderstood, invoking both fear and curiosity in the humans with whom they share their world. Ronald M. Nowak celebrates these fascinating mammals in Walker's Carnivores of the World. This comprehensive guide, featuring 225 illustrations, covers the world's eight terrestrial families of carnivores. Each generic account comprises scientific and common names, number and distribution of species, physical attributes, measurements, hunting and social activity, reproduction, habitat, population dynamics, longevity, and status of threatened species. A thought-provoking overview by David W. Macdonald and Roland W. Kays is packed with results of the latest field and laboratory research on topics ranging from evolutionary history to the adaptive value of fur patterns. Emphasizing the interplay of social life, morphology, and predatory behavior, it provides an up-to-date panorama of the world's carnivores.

The World Has Changed Oct 12 2020 The National Book Award–and Pulitzer Prize–winning author’s fascinating and far-reaching conversations with acclaimed writers and thought leaders. Spanning more than three decades, this collection of fascinating discussions between Alice Walker and renowned writers, leaders, and teachers, explores the changes that Walker has experienced in the world, as well as the change she herself has brought to it. Compelling literary and cultural figures such as Gloria Steinem, Pema Chodron, and Howard Zinn represent a different stage in Walker’s artistic and spiritual development. Yet, they also offer an unprecedented look at her career and political growth. Noted literary scholar Rudolph Byrd sets Walker’s work into context with an introductory essay, as well as with a comprehensive annotated bibliography of her writings. “Read as separate pieces, these conversations offer vivid glimpses of Walker’s energetic personality. Taken together, they offer a sense of her marvelous engagement with her world.” —Kirkus Reviews

Walker's Mammals of the World May 07 2020 Walker's vision, the text smoothly combines in-depth scholarship with a popular, readable style to preserve and enhance what the Washington Post called a landmark of zoological literature.

Trial by Fire Nov 24 2021 Trial by Fire is a sensational, page-turning adventure from the bestselling author of Starcrossed, Josephine Angelini.Love burns. Worlds collide. Magic reigns.This world is trying to kill Lily Proctor. Her life-threatening allergies keep her from enjoying many of the experiences that other teenagers take for granted...which is why she is

determined to enjoy her first (and perhaps only) high-school party. But Lily's life never goes according to plan, and after a humiliating incident in front of half her graduating class Lily wishes she could just disappear. Suddenly Lily is in a different Salem - one overrun with horrifying creatures and ruled by powerful women called Crucibles. Strongest and cruellest of all the Crucibles is Lillian . . . Lily's identical other self in this alternate universe. This new version of her world is terrifyingly sensual, and Lily is soon overwhelmed by new experiences. Lily realizes that what makes her weak at home is exactly what makes her extraordinary in New Salem. It also puts her life in danger. Thrown into a world she doesn't understand, Lily is torn between responsibilities she can't hope to shoulder alone, and a love she never expected. But how can Lily be the saviour of this world when she is literally her own worst enemy?

Kleine grote liefde
May 19 2021
Zac Hutchinson, tien jaar oud, verzamelt feitjes: octopussen hebben drie harten, Usain Bolt is de snelste man op aarde, er zijn maar drie dieren met een blauwe tong. Maar niemand vertelt hem het enige feit dat hij écht wil weten: wie zijn vader is en waar die is. Alles wat zijn moeder erover loslaat, is dat Zacs vader de enige man is waarvan ze ooit echt heeft gehouden. Zac besluit dat er niks anders op zit dan op zoek te gaan. Samen met zijn astmatische maatje Teagan probeert hij zijn moeder haar happilyever- after te geven. Maar waar Zac snel achter komt, is dat mensen soms een hele goede reden hebben om te verdwijnen. In een verhaal over de impact van verlies, geheimen en leugens op een gezin, laten de personages zien dat liefde – hoe klein of hoe groot ook – altijd overwint. Een ontroerende roman over familierelaties, schuld en de kracht van tweede kansen.

How Cycling Can Save the World
Feb 13 2021
Peter Walker—reporter at the Guardian and curator of its popular bike blog—shows how the future of humanity depends on the bicycle. Car culture has ensnared much of the world—and it's no wonder. Convenience and comfort (as well as some clever lobbying) have made the car the transportation method of choice for generations. But as the world evolves, the high cost of the automobile is made clearer—with its dramatic effects on pollution, the way it cuts people off from their communities, and the alarming rate at which people are injured and killed in crashes. Walker argues that the simplest way to tackle many of these problems at once is with one of humankind's most perfect inventions—the bicycle. In How Cycling Can Save the World, Walker takes readers on a tour of cities like Copenhagen and Utrecht, where everyday cycling has taken root, demonstrating cycling’s proven effect on reducing smog and obesity, and improving quality of life and mental health. Interviews with public figures—such as Janette Sadik-Khan, who led the charge to create more pedestrian- and cyclist- friendly infrastructure in New York City—provide case studies on how it can be done, and prove that you can make a big change with just a few cycling lanes and a paradigm shift. Meticulously researched and incredibly inspiring, How Cycling Can Save the World delivers on its lofty promise and leads readers to the realization that cycling could not only save the world, but have a lasting and positive impact on their own lives.

Bruno chef de police
Nov 12 2020
Bruno Courrèges mag dan wel commissaris van de politie zijn, eigenlijk heeft hij niet veel te doen in het kleine toeristische plaatsje St. Denis. Hij heeft een dienstwapen, maar dat draagt hij nooit. Hij heeft het recht mensen te arresteren, maar dat is in zijn loopbaan slechts één keer voorgekomen. Bruno houdt zich voornamelijk bezig met St. Denis te behoeden voor invloeden van buitenaf: de bemoeienissen van de Europese Commissie en de nationale politiek. Maar op bevrijdingsdag vindt er een vreselijke misdaad plaats. De grootvader van een Noord-Afrikaanse familie wordt dood aangetroffen. Iedereen denkt dat het een racistische moord is. Maar Bruno is niet overtuigd en stelt een grondig onderzoek in, dat de verhoudingen binnen het dorp ernstig zal verstoren.

Goddelijk 3: Verliefd
Jul 01 2022
Verliefd (Goddess) is het derde en langverwachte slotdeel van de Goddelijk-trilogie van Josephine Angelini. Een zenuwslopend en episch avontuur dat je tot de allerlaatste pagina in zijn greep houdt. Eerder verschenen in deze serie Vervloekt (Starcrossed) en Verloren (Dreamless). Verliefd (Goddess) is het derde en langverwachte slotdeel van de Goddelijk-trilogie van Josephine Angelini. Een zenuwslopend en episch avontuur dat je tot de allerlaatste pagina in zijn greep houdt. Eerder verschenen in deze serie Vervloekt (Starcrossed) en Verloren (Dreamless). Wanneer de goden door haar toedoen weten te ontsnappen van de Olympus, moet Helen zo snel mogelijk een manier vinden om hen opnieuw op te sluiten. Maar haar eens zo hechte vriendengroep ligt uit elkaar, dus hulp van hen hoeft ze niet meer te verwachten. En de goden zijn uit op een allesvernietigende oorlog waarbij niemand zal worden ontzien. Alsof dat nog niet erg genoeg is onthult het Orakel dat er een kwaadaardige Tyrant in hun midden is. Naast de dreigende oorlog komt Helen bovendien voor een onmogelijke keuze te staan: kiest ze voor Lucas, of Orion? ‘Strijd, verraad en romantisch vuurwerk creëren samen deze verslavende roman, die simpelweg verslonden móét worden.’ The Guardian
