[Celebrities and Movie Stars Death Bible Code, Vol. 2 - Their Fatal Cancers](#) Mar 13 2021 Celebrities and movie stars, like everyone else, die from a variety of causes, including diseases (Vol.1 of this book) and cancers (Vol.2 of this book). When we ask if such causes of death are found encoded in the Torah along with the encoded names of who died from them, we find them all close together in one Torah Matrix (from Gen. 1:1 to 1 Samuel 10:17). For those uninitiated into the Bible Code mystery this might sound outlandish and impossible, but viewing the many Torah Matrices in this book, labeled clearly in black and white as secretly encoded facts staring us in the face might give pause to even the biggest skeptic. Volume 3 of this book will show the Torah-Bible Code Matrices of celebrities and movie stars deaths by accidents, murders, overdoses, and suicides their names found encoded in the Five Books of Moses, some with the year and location of their death; as another e-book through Author House, later in 2014. Thousands of similar results have been found by the author, covering many sorts of historical events ranging from the names of victims of natural disasters (e.g., Fukushima), ships sinking (e.g., Titanic), planes and trains and cars crashing (e.g. James Dean), assassinations worldwide over 4000 years (e.g., an Egyptian pharaoh, JFK, and John Lennon), Nazi Holocaust, mass shootings (Aurora, Columbine, Tucson, etc.), terror attacks (Benghazi, Boston Marathon, Fort Hood, 9/11), and war casualties (e.g., Vietnam, Gulf War, Iraq, Afghanistan). Even though there are only about 50 or fewer personalities identified by name in each of these three volumes, and shown encoded with how and where they died, each Volume could be expanded to hold many thousands of names and pages, one name per page of Matrix revealing those Torah-held secrets hidden for about 3400 years, and revealed here to the world for the first time in recorded history.

Stories of the Raksura Aug 25 2019 Nominated for the 2018 Hugo Award for Best Series Moon, Jade, and other favorites from the Indigo Cloud Court return with two new novellas from Martha Wells. Martha Wells continues to enthusiastically ignore genre conventions in her exploration of the fascinating world of the Raksura. Her novellas and short stories contain all the elements fans have come to love from the Raksura books: courtly intrigue and politics, unfolding mysteries that reveal an increasingly strange wider world, and threats both mundane and magical. "The Dead City" is a tale of Moon before he came to the Indigo Court. As Moon is fleeing the ruins of Saraseil, a grounding city destroyed by the Fell, he flies right into another potential disaster when a friendly caravanserai finds itself under attack by a strange force. In "The Dark Earth Below," Moon and Jade face their biggest adventure yet; their first clutch. But even as Moon tries to prepare for impending fatherhood, members of the Kek village in the colony tree 's roots go missing, and searching for them only leads to more mysteries as the court is stalked by an unknown enemy. Stories of Moon and the shape changers of Raksura have delighted readers for years. This world is a dangerous place full of strange mysteries, where the future can never be taken for granted and must always be fought for with wits and ingenuity, and often tooth and claw. With these two new novellas, Martha Wells shows that the world of the Raksura has many more stories to tell.
